## **The Kings Stratagem And Other Stories:**

The King's Stratagem, and Other Stories Stanley John Weyman, 1891      *The King's Stratagem, and Other Stories* Stanley John Weyman, 2019-12-03 In *The King's Stratagem and Other Stories* Stanley John Weyman weaves a rich tapestry of historical fiction juxtaposing the intricacies of courtly life with the cunning strategies of politics and war. This collection showcases Weyman's hallmark narrative style: eloquent prose interlaced with vivid characterizations and intricate plots that transport readers to a bygone era. Each story not only entertains but also serves as a commentary on the human condition, exploring themes of ambition, loyalty, and the moral quandaries faced by individuals in positions of power during tumultuous times. Weyman, often hailed as a master of historical romance, drew inspiration from his extensive knowledge of history and his immersive experiences in literature. Born in the latter half of the 19th century, his literary career was marked by a fascination with the political intrigues of previous centuries, particularly during the reigns of English kings. This passion for both narrative and history ultimately led him to craft tales that resonate with timeless relevance, highlighting the perpetual dance between duty and desire. Readers seeking a deep dive into the nuances of power dynamics and human emotions will find *The King's Stratagem and Other Stories* an essential addition to their literary repertoire. Weyman's skillful storytelling invites contemplation on the complexities of identity and ambition, making this collection not just a series of entertaining tales but a profound reflection on the nature of leadership and consequence.

Not illustrated. 1891 edition. Excerpt: I were engaged with a white tablecloth from which he had been shaking the crumbs. He had the air of an upper servant of the best class. As our eyes met he spoke. Neatly put, sir, if I may take the liberty of saying so, he observed with a quiet dignity, it was a pleasure to witness and we are very much obliged to you. The man was a snob, sir. I am afraid he was, I answered, and a fool too. And a fool, sir. Answer a fool after his folly. You did that, and he was nowhere, nowhere at all, except in the swearing line. Now might I ask, he continued, if you are an American, sir. No, I am not, I answered, but I have spent some time in the States. I could have fancied that, he sighed. I thought, but never mind, sir, he began. I was wrong. It is curious how very much alike gentlemen that are real gentlemen speak. Now I dare swear, sir, that you have a taste for pictures. I was inclined to humor the old fellow's mood. I like a good picture, I admit, I said. Then perhaps you would not be offended if I asked you to step inside and look at one or two, he suggested timidly. I would not take a liberty, sir, but there are some Van Dycks and a Rubens in the dining room that cost a mint of money in their day, I have heard, and there is no one else in the house but my wife and myself. It was a strange invitation, strangely brought about. But I saw no reason for myself why I should not accept it, and I followed him into the hall. It

was spacious but sparsely furnished The matted floor had a cold look and so had the gaunt stand which seemed to be a fixture and boasted but one umbrella one sunshade and one dog whip As I passed a half open door I caught a glimpse of a small room prettily furnished with dainty      **Class List ...: English prose fiction. 1897** St. Louis Public Library,1897
