Martyn Whittock,2021-10-15 From the Middle Eastern politics of Donald Trump to the UK s 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in danger of repeating them Jesus Whittock argues taught a different way **When Angels Cry** Robert Wright,2006 This book culminates years of study and research by its writer Robert Wright While still a child Robert intrigued by discussions held by his parents and family friends as they celebrated the Sabbath hours on Friday evenings and Saturdays developed a love for Bible prophecy and history Educated in both public and private Christian schools Robert has a Masters degree in Educational Psychology Of his many interests Bible prophecy is his passion In this book the writer examines Seventh day Adventists beliefs concerning Babylon the Great He addresses the issues head on challenging traditional views providing alternative perspectives yet leaving in tact the essential truths espoused by the church regarding the Papacy The symbols of Revelation 12 17 and 18 are re examined as the writer presents evidence that suggests Babylon the Great does not symbolize the Papacy as traditionally taught This book offers a bible based defense of what Babylon symbolizes Most importantly this book encourages the reader to rely on the Bible as its own expositor the only source upon which to establish faith as it introduces compelling insights regarding the

Expository Notes with Practical Observations, on the New Testament of Our Lord and Saviour Jesus Christ William Burkitt, 1765 **IDEALISM: Perfect Idealism Defined**

Within The Already But Not Yet donald perry, 2018-11-25 This commentary on the book of Revelation is from a Reformed Orthodox Idealistic and Futuristic point of view Previously I have wrestled with different Preterism and Redirectionism views However once I fully understood salvation from the Reformed perspective the Lord saw fit to give me better understanding of the book of Revelation and Eschatology Previously I was under the belief of OSAS Charles Stanley heresy Concerning the eschatological perspective We know that the Lord promised the seven churches in Revelation that He was coming to them and that the faithful churches would remain Thus His word was fulfilled Yet the resurrection change of 1 Cor 15 for the living did not happen as far as they could tell This means that the second coming is now in the present idealistically while we wait Therefore we sanctify ourselves and the church for when He shall appear When He comes He will make an end of sin our sin nature forever and pain and death will end
