When Knights Were Bold Eva March Tappan, 2020-05-30 Medieval times for the military and for citizens for wealthy or poor for the farm worker and the intellectual stand in deep contrast to modern times this detailed and illustrated history delves into major facets of life in the Middle Ages We hear how knights spent years in training as pages and squires and how jousting tourneys between knights on horseback were popular entertainment The architectural design of castles required advances in siege warfare wars raged during most of the era Yet these mighty structures in peaceable times served not merely a military purpose the courts and feasts of kings and nobles and the music and arts of Medieval times commonly ensued in a castle setting The economic system was called feudalism whereby peasants worked a Lord's land and swore an oath of fealty to his service Some 110 illustrations accompany the

explanations of life plans of castles drawings of town life of armored knights and social gatherings These fine sketches breathe further life into the author s narration and their style is influenced by Medieval paintings and tapestries The monastic origins of formal education and scientific culture and events in the busy towns and cities are described with accuracy and example Eva March Tappan s abundant experiences as historian author and teacher are evidenced by the high quality of her writing Middle Ages Fiona Macdonald,2005 Gain a new perspective on the Middle Ages by examining the art that was produced during this time period The title examines what art reveals about history and simultaneously how history explains the art It explores past civilizations through both the images it produced and cultural artifacts that remain Each title focuses on how art and architecture from a distinct period reflected life at the time and how we can use the surviving art to understand how people used to live **The Knights Templar and Other Secret Societies of the Middle Ages** Thomas Keightley,2007-01-01 This groundbreaking study examines the far reaching history of the Assassins of the Middle East the Knights Templar of Europe and the Secret Tribunals of Westphalia *Meyrick's Medieval Knights and Armour* Samuel Rush Meyrick,2013-09-05 Captivated by military antiquities English scholar Samuel Rush Meyrick 1783 1848 pursued a lifelong passion for studying and collecting medieval armory The results of his work are a continual source of learning and fascination for weapons buffs and anyone interested in the medieval period Brimming with over seventy full color illuminated engravings from Meyrick s original 1842 survey of weaponry from the Middle Ages here is a stunning historical showcase of European armor spanning the ninth to fifteenth centuries From Richard the Lionheart in full battle regalia to the equipage of numerous anonymous knights Meyrick presents a splendid panorama of medieval paladins and their weapons Since earliest times man has fashioned items for personal defense shields swords crossbows helmets ornate suits of body armor for knights and their steeds and much more Meyrick s *Medieval Knights and Armour* chronicles the military regalia of the Middle Ages in all its forms and when applicable highlights its connection with mythology religion the arts civil polity and entertainment in ancient as well as modern times Secret Societies of the Middle Ages Thomas Keightley,2021-04-26 In *Secret Societies of the Middle Ages* Thomas Keightley meticulously examines the clandestine organizations that shaped social and political landscapes during this tumultuous period in European history Employing a blend of rigorous historical analysis and engaging narrative prose Keightley explores the interplay between these societies and the broader socio political milieu of the Middle Ages His thorough research unveils the rituals beliefs and significant figures within these enigmatic groups while situating them within the wider tapestry of medieval thought offering readers a glimpse into the complexity of human affiliations and the quest for power and knowledge Keightley an esteemed historian and folklorist was deeply influenced by the intellectual currents of his time as well as his fascination with the intersection of history and myth His background in folklore and his commitment to uncovering the hidden aspects of history likely fueled his desire to illuminate the secretive nature of these societies By drawing on a rich array of primary sources Keightley invites

readers to engage with a past that is often shrouded in obscurity and speculation challenging prevailing narratives and encouraging a reevaluation of historical assumptions This book is an invaluable resource for those interested in medieval history sociology or the study of secret organizations Keightley s thorough approach and insightful commentary render it essential reading for scholars and enthusiasts alike as it not only elucidates the mysteries of the past but also contributes to our understanding of how such societies continue to influence contemporary thought and culture
