History is Our Mother: Three Libretti Alice Goodman, 2017-07-18 The first appearance of Alice Goodman's two internationally renowned and controversial libretti alongside one of her masterful translations An NYRB Classics Original Nixon in China and The Death of Klinghoffer played a crucial role in bringing opera back to life as a contemporary art form and they have been popular and in the case of Klinghoffer highly controversial ever since they were first staged by the director Peter Sellars in the eighties and nineties Both operas were conceived from the start as collaborations between composer and writer and their power is due as much to the dazzlingly constructed and deeply felt libretti of the poet Alice Goodman as they are to John Adams's music Nixon in China is a story at once heroic comic and unnerving of men and women making history and of their different conceptions of what history is and what it means to makes it Klinghoffer by contrast has at its center the tragedy of an innocent man condemned at the cost of his life to play a part in history History Is Our Mother which takes its title from a line sung by the title character in Nixon in China brings Goodman's two libretti together for the first time in book form Included alongside Goodman's no less inspired translation of Emanuel Schikaneder's famous libretto to The Magic Flute these vivid dramas of character and searching meditations on fate are here revealed as among the most original ambitious and accomplished poetic achievements of our time

Why does a woman go to the Middle East alone Why would a mainstream fairly sane woman travel on her own through the Middle East through Greece Turkey Syria Jordan Lebanon and Egypt when she is not a journalist not rescuing any children and not on an archaeological trek With an interest in alternate travel and ancient history she ignores pulped opinion and terrorist hype and goes to find the truth She sketches an itinerary grabs her backpack and traverses the landscape from Athens to Cairo on local transport through towns markets and ancient ruins and mixing with the locals on the way Her pre conceived ideas are shattered by simple incidents The absence of ulterior motives creates opportunities for conversation hospitality and a re connection to people of many backgrounds and perspectives Successive incidents contrast the media s images and instead reveal similarities between cultures and a truth that is beyond what she could have envisaged *Talking with Strangers* confronts entrenched opinions It is a journey that takes the reader from Athens to Cairo and to a greater connection with people from all walks of life It exposes cultural differences and human commonalities and engages in an inquiry of what human needs are common and what the differences actually are It demands that we have a greater inquiry and compassion for people challenge ourselves and enjoy our humanity **Historical Dictionary of Modern Greece**
