Ground Forces in the Korean War 1950-53 (1) Benjamin Lai, Zhao Guoxing, 2024-11-21. Featuring full color artwork, this book describes and illustrates the Chinese and North Korean troops who fought US and UN forces in Korea during 1950-53. In June 1950, North Korean forces, armed and equipped by the Soviet Union, invaded South Korea, forcing back the US and South Korean troops facing them and threatening them with complete defeat. After the US and UN forces mounted a series of counter-offensives, the Chinese People's Volunteer Army crossed into the Korean Peninsula and entered the fray. The conflict would continue for three years until the armistice of July 1953, and tensions remain high today. The exploits of the North Korean and Chinese forces in the Korean War are renowned, but many misconceptions have grown up about these armies. In this study, carefully chosen photographs and specially commissioned artwork combine with authoritative text to reveal the evolving organization, tactics, uniforms, insignia, and equipment of these formidable Communist troops during three years of warfare in the Korean Peninsula. Benjamin Lai and Zhao Guoxing reveal the real story of the North Korean and Chinese troops engaged in the Korean War, setting the record straight and deepening our understanding of the conflict.

The Korean War, 2001-04-01. The Korean War 1950-53 began as a conflict between North Korea and South Korea and eventually involved the United States and nineteen other nations. An estimated three million people lost their lives during the war. For Americans who think that only GIs and their United Nations contingent comrades fought effectively, The Korean War will be a surprising introduction to the valor and sacrifice of the South Korean army. This comprehensive view of the war from the South Korean perspective has not been previously available in English translation. The Korean War comprises three volumes. Volume two continues the account of the progress of the war, paying particular attention to the diplomatic and strategic background of the decision by the Chinese to intervene in late 1950. The volume describes the painstaking preparation by the communist forces who came close to overwhelming the South Korean and United Nations troops and follows the course of the conflict through the allied counter-offensive in the spring of 1951 to the stalemate and armistice of June 1951.
