Letters of George Fox, 1643 - 1690 Charlotte Condia, 2012-08-10 William Penn said of George Fox the human founder of the Quaker faith that he was no man s copy He was unique The crown of Fox s experience is his knowledge and passionate love of God and his ability to share this with others The best expression of this love is his more than 400 pastoral letters which he wrote between 1650 and 1690 *Revelation of Jesus Christ* Grace Chung, 2025-08-25 I was raised by my mother and my grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused

to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the words of God explaining about the book of Revelation and the end time It gives us the God s explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to close this book but to read and keep the things written in the book of Revelation I pray that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all

The Apocalypse Explained Jimmie Chapman,2015-09-28 The word apocalypse comes from the Greek word apokalupsis which means to disclose uncover or reveal hence we get the name Revelation the last book of the Bible The book of the Revelation

is given to uncover or disclose the meaning of some of the great mysteries of the Bible The Apocalypse Explained uncovers many of those mysteries by using the Bible itself to find their meaning This is the most accurate way of interpreting biblical prophecies The purpose of The Apocalypse Explained is to connect the prophecies throughout the Bible with our present and with our future In fact the very first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass The majority of the book is for the last days the time the Bible calls the great tribulation The fulfillment of the Apocalypse is much closer to a reality than most people believe Are you ready **A Reader in New**

Religious Movements George D. Chryssides, Margaret Wilkins, Margaret Z. Wilkins, 2006-05-10 There are over 600 New Religious Movements NRMs in Great Britain alone and more than 2000 in the United States A Reader in New Religious Movements provides an introduction to the main teachings of a selection of these organizations focusing on those that are well established in the West The contemporary and in some cases controversial NRMs covered include the Unification Church the International Society for Krishna Consciousness the Family Osho Soka Gakkai International and the Western Buddhist Order **Revelation 12-22 (ITC)** Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensure that it would always be a source of controversy This commentary focuses on the theological content gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition

King and Messiah as Son of God Adela Yarbro Collins, John J. Collins, 2008-11-03 This book traces the history of the idea that the king and later the messiah is Son of God from its origins in ancient Near Eastern royal ideology to its Christian appropriation in the New Testament Both highly regarded scholars Adela Yarbro Collins and John J Collins argue that Jesus was called the Son of God precisely because he was believed to be the messianic king This belief and tradition they contend led to the identification of Jesus as preexistent personified Wisdom or a heavenly being in the New Testament canon However the titles Jesus is given are historical titles tracing back to Egyptian New Kingdom ideology Therefore the title Son of God is likely solely messianic and not literal King and Messiah as Son of God is distinctive in its range spanning both Testaments and informed by ancient Near Eastern literature and Jewish noncanonical literature [KJV Life Application Study Bible](#),
