Fire in the Wind Cheryl Ann Toliver, 2019-12-31 During Passover AD 33 Yeshua of Nazareth was publicly crucified and declared dead Yet Roman Tribune Valerius Tullus his Jewish wife Leah their children Simon and Anna their household of Jews and foreigners along with Roman Prefect Pontius Pilatus Herodian and Jewish leaders and all Jerusalem hear an astounding rumor Yeshua has been resurrected from the dead Valerius and his family had earlier embraced Yeshua's proclamation that all shall come to Adonai's kingdom This appears to happen when a roaring wind like fire engulfs the city and Yeshua's followers announce that Yeshua has poured out His Spirit Strangely Valerius and his family are excluded from this outpouring What then does this Spirit's coming mean Is it the coming of Adonai's kingdom as Yeshua proclaimed Or are some being rejected because they aren't Jewish Or in His divine compassion does Adonai still have a plan for them For answers Valerius and his family seek out Yeshua's followers What they learn will change their lives *Miracles* J. Harold Ellens, 2008-07-30 Can science psychology and biology explain miracles This three volume set attempts to answer that question presenting the latest as well as classic thinking and research regarding miracles from fields that include psychology psychiatry theology biology and history We have all heard of what seem miraculous events which have surfaced across history They range from stigmata and bleeding icons to deadly tumors that disappear and healers who succeed just by laying hands on the afflicted from people who can predict unexpected events to so called mediums and those who can allegedly see and speak with the dead These books led by an eminent scholar who serves as series editor for the Praeger series Psychology Religion and Spirituality examine miracles of body mind and spirit presenting the most recent research and writing on these uncommon events aiming to bring hard science to some of the most persistent and peculiar phenomena associated with the human race Can science psychology and biology explain miracles This three volume set attempts to answer that question presenting the latest as well as classic thinking and research regarding miracles from fields that include psychology psychiatry theology biology and history From news of a crippled woman who left her wheelchair and walked after an evangelist prayed over her to stories of people who died on the operating table only to be revived to tell of bright lights and the pathway to the afterlife we've all heard of what seem miraculous events They have surfaced across history They range

from stigmata and bleeding icons to deadly tumors that disappear and healers who succeed just by laying hands on the afflicted from people who can predict unexpected events to so called mediums and those who can allegedly see and speak with the dead Some miracles are intricately tied to religious beliefs but there are millions of people who ascribe to no particular religion yet still believe that things happen that defy all laws of nature and thus defy scientific explanation In these books eminent scholar J Harold Ellens and his team of expert contributors examine miracles of body mind and spirit presenting the most recent research and writing on these uncommon events as they aim to bring hard science to some of the most persistent and peculiar phenomena associated with the human race The First Days of Jesus Andreas J.
