Palestinian Christian Challenging the claim that Christ belongs to a particular denomination nation or race Katanacho presents the Gospel of John as introducing a new world order In John s account of Jesus s life the rich history of Judaism is reinterpreted in light of the inclusive Christ the fulfilment of Old Testament prophecies teachings and promises Walking us through the reinterpretation of holy space holy time holy history holy community holy land and life itself Katanacho demonstrates how John s gospel establishes a new identity for the people of God an identity defined not by race or nationality but by suffering and love Containing questions for reflection designed with preachers in mind this accessible book will be a great help for Christians seeking to mine the beautiful riches of spiritual truth in this often complicated gospel *In the Beginning* Karen Armstrong,1997-10-07 Karen Armstrong is a genius A N Wilson As the foundation stone of the Jewish and Christian scriptures The Book of Genesis unfolds some of the most arresting stories of world literature the Creation Adam and Eve Cain and Abel the sacrifice of Isaac Yet the meaning of Genesis remains enigmatic In this fascinating volume Karen Armstrong author of the highly acclaimed bestseller *A History of God* brilliantly illuminates the mysteries and profundities of this mystifying work A lyrical chronicle of one woman s wrestling with Genesis that can serve as a guide to others As notable for its scholarship as it is for its honesty and vulnerability Publishers Weekly Armstrong can simplify complex ideas but she is never simplistic The New York Times Book Review *The Digest of Judgments of the Supreme Court of Nigeria* Bamgbose, Olatokunbo John,2017-08-16 The Digest of Judgments of the Supreme Court of Nigeria DJSCN is a legal practice book which is a comprehensive compendium of Nigerian case law at the apex level of the Nigerian Judiciary The DJSCN is produced in four volumes which comprise the judgments of the Supreme Court of Nigeria for over a period of forty three years The first and second volumes cover the judgments of the Supreme Court on Practice and Procedure Courts Criminal Law and Procedure and Evidence The last two volumes cover contemporary issues in different branches of law **The Australasian Annual Digest** ,1910 [The New Cycle and New Finance in China](#) Shusong Ba,2022-01-23 **The Stacked Deck and the Myth of Sovereignty** Louis A Coutts,2023-05-31 How could the simple planting of a flag by a sailor mysteriously transfer total control over the destinies of the original inhabitants of Australia to a distant king of whom they had never heard The sad answer to this question involves a series of illegal and corrupt decisions by the highest courts in England and Australia over more than 200 years These decisions have served to deny the sovereignty of First Nations people But these same decisions do not withstand rigorous legal scrutiny From the mis application of the doctrine of Terra Nullius to the dependence on flawed and discredited precedent in calling on the doctrine of Act of State the illegality of the dispossession of Australia s indigenous people is laid bare This legal deconstruction of the major cases reveals the extreme fragility of the arguments denying Indigenous sovereignty In fact it shows that the very arguments used to deny this sovereignty actually demand its recognition The Australian High Court has tied itself in knots to avoid facing the reality of Indigenous sovereignty These knots are a legal fiction whose undoing illustrates the advantages of joint sovereignty as a just way forward for all

The Theology of the Land in Amos 7-9 Robert Khua Hnin Thang, 2014-10-14 In the book of Amos, the language about land is used extensively, including terms and ideas such as Zion, YHWH's bringing of Israel into the land, references to various sanctuaries and places of harvest and famine, the relationship between the northern kingdom and Judah, and references to the land of other nations. However, this subject of the land has never been studied as a theological topic in its own right but only as part of other themes. This work follows a synchronic reading of Amos and, employing textual, literary, and historical criticism, the author carries out a careful theological analysis of the land. Although the findings are set in the context of the entire book of Amos, the study focuses on chapters 7-9 to explore the topic with closer detail. *The Bible: Translated According to the Hebrew and Greek, and Conferred with the Best Translations in Divers Languages. The Japanese Colonial Empire, 1895-1945 Ramon H. Myers, Mark R. Peattie, 2020-06-16 These essays by thirteen specialists from Japan and the United States provide a comprehensive view of the Japanese empire from its establishment in 1895 to its liquidation in 1945. They offer a variety of perspectives on subjects previously neglected by historians: the origin and evolution of the formal empire, which comprised Taiwan, Korea, Karafuto, the Kwantung Leased Territory, and the South Seas Mandated Islands; the institutions and policies by which it was governed; and the economic dynamics that impelled it. Seeking neither to justify the empire nor to condemn it, the contributors place it in the framework of Japanese history and in the context of colonialism as a
