Hawkins, 2004-09-01 Hawkins explores both traditional and contemporary ways grace has been handled in literature The traditional representation of grace is explained using among other things the parables of Jesus Then he turns to more contemporary literature including O Connor s A Good Man is Hard to Find Percy s The Second Coming and Murdoch s A Word Child Through these novels and short stories Hawkins highlights the impoverishment of spirit and imagination when religious language fails us He presents three writers struggling to bridge the gap between ourselves and those mysterious realities we can no longer talk about

Paul's Language of Grace

in its Graeco-Roman Context James R. Harrison, 2017-01-03 Paul's Language of Grace in Its Graeco Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter's pioneering 1913 monograph on the topic Focusing on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8 9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the do ut des expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis
