City of Scoundrels Gary Krist, 2013-04-16 The masterfully told story of twelve volatile days in Chicago when an aviation disaster a race riot a crippling transit strike and a sensational child murder transfixed and roiled a city already on the brink of collapse When 1919 began the city of Chicago seemed on the verge of transformation Modernizers had an audacious expensive plan to turn the city from a brawling unglamorous place into the Metropolis of the World But just as the dream seemed within reach pandemonium broke loose and the city's highest ambitions were suddenly under attack by the same unbridled energies that had given birth to them It began on a balmy Monday afternoon when a blimp in flames crashed through the roof of a busy downtown bank incinerating those inside Within days a racial incident at a crowded South Side beach spiraled into one of the worst urban riots in American history followed by a transit strike that paralyzed the city Then when it seemed as if things could get no worse police searching for a six year old girl discovered her body in a dark North Side basement Meticulously researched and expertly paced *City of Scoundrels* captures the tumultuous birth of the modern American city with all of its light and dark aspects in vivid relief Now with Extra Libris material including a reader's guide and bonus content

The Gatsby Affair Kendall Taylor, 2018-08-08 The romance between F Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century From the beginning their relationship was a tumultuous one in which the couple s excesses were as widely known as their passion for each other Despite their love both Scott and Zelda engaged in flirtations that threatened to tear the couple apart But none had a more profound impact on the two and on Scott s writing as the liaison between Zelda and a French aviator Edouard Joazez Though other biographies have written of Joazez as one of Scott s romantic rivals accounts of the pilot s effect on the couple have been superficial at best In *The Gatsby Affair* Scott Zelda and the Betrayal That Shaped an American Classic Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective

Drawing on conversations and correspondence with Joanne's daughter as well as materials from the Joanne family archives Taylor sheds new light on this romantic triangle More than just a casual fling Zelda's tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author's most famous creation Jay Gatsby Were it not for Zelda's affair with the pilot Scott's novel might be less about betrayal and more about lost illusions Exploring the private motives of these public figures Taylor offers new explanations for their behavior In addition to the love triangle that included Joanne Taylor also delves into an earlier event in Zelda's life a sexual assault she suffered as a teenager one that affected her future relationships Both a literary study and a probing look at an iconic couple's psychological makeup *The Gatsby Affair* offers readers a bold interpretation of how one of America's greatest novels was influenced

An Apprehension of Splendor
Shawn Sudia-Skehan, 2025-05-31

At the 2017 gathering of the biannual F Scott Fitzgerald Society meeting in St Paul Minnesota a member of the society Shawn Sudia Skehan was asked to mount an exhibit of approximately 60 rare and never before published photographs of F Scott Fitzgerald Zelda Fitzgerald and their daughter Scottie Sudia Skeehan had shared many of the photographs the fruits of her own avocational research with the noted Fitzgerald scholars Jackson R Bryer and Kirk Curnutt who are respectively the president and executive director of the Fitzgerald Society They were astonished by what Sudia Skehan had found a wealth of candid images that seemed to be entirely new to even the most seasoned Fitzgerald scholars and researchers The exhibit was a tremendous success and shortly thereafter both Dr Bryer and Dr Curnutt contacted the Press to suggest that we work with Sudia Skehan on the publication of these newly discovered images The author had in fact discovered almost twice as many as were exhibited at the conference by combing through archives at Princeton University the University of South Carolina libraries Yale University's Beinecke Library the Alabama Department of Archives and History and a number of other institutional repositories A number of the images had been overlooked or buried many others came from the archives of close friends and associates of the Fitzgeralds whose own papers had never been scrutinized specifically for photographs of the Fitzgeralds These are intimate candid and personal photographs from the childhoods of both Scott and Zelda through their teenage years the tumultuous years of their marriage both in the United States and abroad and through their daughter Scottie's birth and emergence into adulthood The original conception of the book was for a simple selection of 80 to 120 photographs accompanied by the author's captions But as the project evolved through multiple drafts and the discovery of many more new and rare photographs along with the clear need for more detailed contextualization to make sense of each image in the larger arc of the Fitzgeralds' lives the project evolved into a true pictorial biography of the trio The Press now plans to publish a book of approximately 300 photographs Of those 180 have never before been published Most of the others have appeared occasionally but rarely As Jackson Bryer noted in his review of the latest draft she includes almost none of the iconic Fitzgerald photos with which we are all familiar Because the author is neither a credentialed scholar critic or historian but rather a deeply committed avocational student of the

Fitzgeralds art and lives Drs Bryer and Curnutt have reviewed and advised Sudia Skehan at each stage of the project s development correcting factual errors in her narrative suggesting additional context for certain images counseling for the inclusion of certain images and against others With their oversight Bryer has agreed to provide a scholarly introduction to the volume the Press feels assured that we will be publishing a pictorial biography of these legendary figures in American letters that will be a revelation to seasoned Fitzgerald scholars and an ideal accessible introduction to any lay reader with an interest in learning more about these rich complex figures and the storied lives they led *Hungers and Compulsions* Jean Petrucelli,Catherine Stuart,2011-12-29 This book will help therapists understand and treat patients suffering from mild to dangerous forms of eating disorders as well as other compulsions and addictions such as alcoholism and erotic attachments The chapters help therapists think creatively about these types of patients and to see the effects of treatment The problems that arise in therapy are explored in essays about dissociation self regulation self destructive behavior enactment and other clinical issues **Communism in Hollywood** Alan Casty,2009 Drawing on newly available material Casty illustrates the control by the international Communist movement and the role of the Hollywood Communists themselves in fomenting the intense hostilities of the period Casty juxtaposes the actions and statements of those who testified and named names before HUAC with Communists who refused to testify and remained silent about the atrocities of the Soviet Union By providing a scrupulous account of the full scope of the Communist Party in Hollywood this book presents a more accurate picture of the moral quandaries faced during this dark period in American history BOOK JACKET [The Continuum Encyclopedia of American Literature](#) Steven R.
