Also prominent is Susanna Rowson a novelist actress and early female playwright. Although born into a British military family Rowson often wrote plays that dealt with patriotic American themes and spent much of her career on the American stage. The theatrical jewel of these volumes is the divine Sarah Siddons. She raised the tragedy to the skies wrote William Hazlitt and embodied to our imagination the fables of mythology of the heroic and dignified mortals of elder time. She endured much tragedy herself including a crippling debilitating illness and the deaths of five of her seven children. Siddons played major roles in both comedy and tragedy not the least of which was a performance as Hamlet.

Actor analysis for water resources management provides insight into how actor analysis is done in practice. A model based approach for actor analysis is developed and its use is described for cases in Egypt Turkey the Netherlands and the Philippines. The results of these four cases are used to examine to what extent actor analysis lives up to its promise for water experts.
