Sharp's life was perfectly fine thank you very much Maybe the entire town of Hope Springs treated her like a kid but was it really that bad if people looked out for her Okay so maybe she could do without walking in on her brother and his girlfriend doing it on every available surface in the house she shared with them but apart from that inconvenience and frankly disturbing image her life was great She certainly didn't need her brother's best friend riding in on a white horse to offer her a place to live where she wouldn't be constantly confronted with her brother's bare backside She had her own plans and she had a secret that would be impossible to keep if she moved into Daniel's place Daniel Forster had only ever thought of Sutton as Tony's annoying little sister okay there was that one time at the B S ball where he kissed her but that was just to shut her up She'd been arguing with him at that time and he couldn't think of another way to make her be quiet That was his story and he was sticking to it Asking her to move in with him had come as a shock not only to her but to him as well Yes he needed a new housemate to cover his mortgage payments but Sutton was the last person he wanted to give an up close and personal look at his life especially not after the incident in the warehouse behind the hardware store Despite both of their
