The Last Day Of Creation:

The Six Days of Creation Daniel Negron, 2005-07 **Countdown to the Last Day: The Final 153 Days of 2011 A.D**
2011studies Publications, LLC., The Sabbath Recorder ,1923 *The Spirit of the Matter* D. L. Watson, 2022-02-10 The
Spirit of the Matter is born from a love of truth and a love of God's word When these two loves come together we find the
Scriptures are not only reliable and consistent but a brilliantly designed set of instructions for life reaching a depth of
profundity that most Christian teachings fail to address This book carefully examines the Christian notion that the Mosaic
Law Torah no longer is applicable to believers and guides readers through an understanding of how and why the words of
God spoken to the Old Testament writers are intensely relevant to people today Readers will take a thought provoking
journey through topics such as Are we supposed to believe a literal seven day account of creation in the book of Genesis Is it
possible that the New Testament instructs those who believe in Jesus Christ to also obey certain commands in the Torah Is it
conceivable that the Sabbath day as established in the creation story could also hold truths for the events of Revelation and
the end times This book will encourage you with a confidence that God's word holds much more for believers than most have
been taught to expect *Creation and Law* Gustaf Wingren, 2003-08-12 *The Complete Idiot's Guide to the Last Days*
Richard H. Perry, 2006-11-07 Get ready for Judgment Day For centuries humans have dreaded and anticipated the end of the
world These fears fueled by natural disasters famines world wars and the writings of people like Nostradamus and Jeane
Dixon have left us with more questions than answers In *The Complete Idiot's Guide to the Last Days* Richard H Perry goes to
the definitive source on the subject the Bible itself While the book is as exciting as an action adventure novel the author's
primary source is the Bible and he guides his readers to an understanding of the Last Days by using related Scripture Covers
Bible basics and the Signs of the Times Includes timelines of every stage leading up to the Last Days and after The
Oxford Handbook of Seventh-Day Adventism Michael W. Campbell, Christie Chui-Shan Chow, David Holland, Denis
Kaiser, Nicholas Miller, 2024 This Oxford Handbook contains 39 original essays on Seventh day Adventism Each chapter
addresses the history theology and various other social and cultural aspects of Adventism from its inception up to the present
as a major religious group spanning the globe Creation Hans Schwarz, 2002-10-22 Schwarz first surveys scientific
explanations for the origins of the universe and of life and discusses the scientific understanding of matter space time and
determinism He then reviews the history of Christian responses to science's discoveries including a summary of reactions
from Christian scientists He completes his analysis with a proposal for the development of a Christian understanding of
