*Death List* Edwin F. Becker, 2012-08-15 When incurable pedophiles are released into our society does it give you comfort knowing where they live That is if they bother to register It is only circumstance that allows some dying senior citizens to realize they are exempt from the penalties associated with making the sex offender registry their Death List Targeting the worst of the worst they decide to make the world a bit safer for the children In their rationale even if they are caught they will be dead before they are sentenced This group of flawed unhappy Baby Boomers made up by a cast of very different characters decides that if the law itself is broken then breaking the law does not apply This is a very original story that incorporates many aspects that this gray generation is faced with as well as their personal feelings which transition as they bond in a common cause Make no mistake this is a violent book No one is spared as this heinous disease has spread to those in the most respected positions The solution Personal justice dealt out in large doses Think about it If a tiger was loose in your city what kind of response would it bring from those in authority Yet an incurable pedophile can be a multiple offender and living next door to you The characters in this book are tired of watching the heinous crimes against children on the news They realize they are immune from punishment which for some offers a chance at redemption This book also offers a glimpse of the world from the perspective of those that are a lost generation Losing their jobs to younger workers and without insurance stuck at an age where they are too young for government benefits and recipients of the separation syndrome that has affected so many families These are grandparents that refuse to accept that their grandchildren could become prey to these predators Expect the unexpected as they proceed with assistance and divine intervention This book should make you cheer laugh think and even shed a tear The first book marketing person that read this work called me to say it was in chapter two that he went online to find the 15 sex offenders lived with a two mile radius of his home I have two little girls he told me I hope it makes some people aware and more protective of their children I hope it causes some to write or call these judges that put these incurables back into our society Given the proliferation of these crimes this book may contain the only possible solution and become prophetic

Murray,2008-09-01 Peter Underhill was smitten by Ebony Mills the moment she joined his street hockey team a coal eyed tomboy goddess as dark and dazzling as he was pale and awkward That she returned his affection was a boy s dream come true But despite a bond that grew into their teens Peter s intolerant father and Ebony s meddling family finally forced them apart That was twenty years ago and Peter has been trying to find his way back to his first and true love ever since When she was a kid Ebony feared no one not even Peter s violent bigoted father Back then Ebony said she d love Peter forever and she meant it It didn t matter that they couldn t share milestones like the high school prom together what they had was the real thing and nobody could take it away or could they Even now Ebony doesn t quite understand how she and Peter disappeared from each other s lives Has the hatred that surrounded them finally won Ebony doesn t want to believe that but she knows one thing if she ever has the chance to reunite with Peter she ll never let him go Because you don t throw away something that only comes along once in a lifetime You don t mess with original love      *The Rapture 2028: America's Countdown to Apocalypse!* David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these

books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God's will today 2 Peter 3:9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16:13-14

front of lawyer or embrace a new life making maple syrup full time Problem is she s not sure she s cut out for either When the museum curator who helped her find a replacement antique sap bucket is accused of murdering one of his employees Nicole agrees to take the case as a way to decide at last which career path she ll follow If she can t successfully argue his case in court she ll resign from a legal career for good Unfortunately the case turns out to be one of the most challenging she s faced from rare fatal diseases to a client whose defense is that he hallucinated a bear The deeper she gets into the case the more it seems everyone has a secret to keep And secrets are seldom sweet Murder at the Schiller Grammar School Irvin Schuller,2021-04-22 In a German town the headmaster of a grammar school is found murdered Suspicion falls on the teacher Alexander Strasser who has been in conflict with the headmaster for some time Strasser was still at school late on the evening of the murder He cannot provide an alibi because he was involved in a theft at the headmaster s office that evening which he wants to cover up Did he also kill the headmaster perhaps in a fit of panic He claims to be innocent but to avoid arrest he flees to Spain His friend Winfried is convinced of his innocence and gets him false papers However when Winfried reads his friend s diary and learns that he suffers from traumatic childhood violence he begins to have doubts The suspicion arises that Alex is haunted by fantasies of violence and dominated by a hatred of authoritarian father figures Do early childhood memories of violence have such a grip on him that he murdered his director The diaries make this seem increasingly likely A love affair with a woman who is obviously taking advantage of him and who may be the mastermind behind the murder adds further complications to the course of events Dramatic encounters with the police an exchange of gunfire and another violent death force the teacher to continue his seemingly hopeless escape A thrilling crime novel that also takes a critical look behind the scenes of German schools and teachers rooms The author himself taught at a grammar school His caustic criticism of the school system with its often inadequate conditions is therefore no coincidence The theme of friendship runs through the novel as a positive counter moment which will fascinate readers of all ages regardless of whether they may remember their own school days or not *Luzac's Oriental List and Book Review* ,1905 *A List of the*
