The Last Hunter:

The Last Hunter Will Weaver, 2010 Minnesota's Will Weaver has been a hunter since he was a young boy following in the footsteps of his father a dedicated and seasoned outdoorsman As he writes in the fall when Canada geese came through and when partridge season opened we heard the far off thudding report of shotguns and in November the heavier poom poom of deer rifles Hunting frames Weaver's childhood memories his relationship with his father and his own definition of self And although one side of his family lineage includes men who would not hunt or go to war or carry a rifle Weaver is caught off guard when his son and daughter show no interest in upholding the tradition of the hunt The Last Hunter is a twenty first century collection of deeply personal tales a truly American story Weaver's heartfelt rendering sweeps us along on a family journey from an isolated North Dakota farm built around a fork and shovel to postmodern America Grounded in telling and luminous detail The Last Hunter is an examination of family life on the land and those things we hold dear enough to want to carry along one generation to another Praise for Will Weaver his stories view America's heartland with a candid but charitable eye New York Times on A Gravestone Made of Wheat pitch perfect Superb Kirkus Reviews on Full Service Weaver is a writer of uncommon natural talent He s that rare Real Thing a writer writing eloquently often between the lines but always with an undertow of passion about what he knows where he lives what he s been through Los Angeles Times Will Weaver is a writer of many books including Red Earth White Earth Sweet Land New and Full Service one of several of his award winning young adult novels An avid outdoorsman Weaver lives with his wife in Bemidji The Last Hunter's Rage Diana J. Vargas, 2024-04-24 This is it He s going to die and I ll be free At the last second he moved and I was suddenly pinned up against the wall the silver dagger now in his hand He pressed the blade to my throat a sadistic grin creeping across his face Oh Reese he purred Are you in trouble now He leaned closer his lips brushing my jaw I inhaled softly Please I said my voice shaky In a world where the human population has been overrun by all manner of supernatural entities defiance is met with death Humans are forced to be living blood bags for vampires test subjects for witches and warlocks and the slaves and servants of werewolves Reese Hearne remembers the time before When supernatural beings hid in the shadows afraid to show their faces to the world The time before Hunters became the prey before they were tracked down and killed Every last one of them Except for Reese Fueled by a dark past she wrecks havoc across the supernatural world in Toronto armed only by stakes a silver dagger and a lust for revenge Then she kills the younger brother of Elijah Randon Toronto s Alpha the Alpha of the largest pack in North America And he is not one to forgive easily Then again neither is Reese Unfortunately Little Hunter I have my own game to play The Last Hunter Jeremy Robinson, 2011-11 I no longer exist My kidnapping breaking and corruption at the hands of the half human half demon Nephilim began the journey to nothingness I had hoped to one day rejoin my loved ones in the outside world but before I realized it twenty years had passed Time is a distance I cannot traverse If there is any memory of me it is distant Worse the spirit of Nephil Lord of the Nephilim used my connection

with the continent to decimate the surface world I ve done horrible things in the past but I m now responsible for the deaths of billions Billions God And so I have removed myself from the physical world and Nephil's reach to live out eternity in Tartarus a place of endless torture where the burden I carry crushes my soul driving me to madness I am weak and cold My abilities are gone And I am not alone in this hell There are things here more horrible than I could have imagined But as much as I think I deserve this fate I m driven to find a way to escape To exist again To return to my new family Em and Luca To set things right I am Solomon Ull Vincent The Last Hunter and I will exist again The Last Hunter Ascent parallels the events in Antarktos Rising an adult thriller also by Robinson upon which the Antarktos Saga is based Read them together for the full experience The final two books in the Antarktos Saga will complete both storylines as they merge Indigenous Writers of Taiwan John Balcom, Yingtish Balcom, 2005-07-27 Few people beyond the shores of Taiwan are aware that it is home to a population of indigenous peoples who for more than fifteen thousand years have lived on the island Over the years through the Chinese imperial period the Japanese occupation and for most of the twentieth century the indigenous peoples of Taiwan were marginalized and deprived of rights However with the lifting of martial law in 1987 new government policies regarding ethnic groups and growing interest in Taiwan's aboriginal peoples indigenous writing began to blossom With its intense and lyrical explorations of a fading culture indigenous writing has become an important topic of discussion in Taiwanese literary circles This collection of indigenous literature is the first such anthology in English In selecting the stories essays and poems for the anthology the editors provide a representative sampling from each of Taiwan's nine indigenous tribes The writers explore such themes as the decline of traditional ways of life in Taiwan's aboriginal communities residual belief in ancestral spirits assimilation into a society dominated by Han Chinese and the psychological and economic encroachment of the outside world Their writings offer previously unheard perspectives on the plight of aboriginal cultures and the experiences of Taiwanese minorities John Balcom has included an introduction to provide the reader with background information on Taiwan s indigenous peoples The introduction addresses the origins of Taiwan s Austronesian peoples and general information on their culture languages and history A discussion of the growth and development of indigenous literature its sociolinguistic and cultural significance and the difficulties faced by such writers is also included **Appendices: Persistent Traditions** Luc W.S.W.
