The Last Jews Of Eastern Europe:

The Last Jews of Eastern Europe Yale Strom, 2022-08-02 In striking photography and informative text this volume both celebrates and mourns Eastern European Jewish life of the early to mid twentieth century From Odessa to Budapest Warsaw Prague and Sarajevo the Jews of Eastern Europe established thriving traditional communities And while there are still proud Jews who keep the Kehilla robust in the region they are a shadow of their former glory In *The Last Jews of Eastern Europe* Yale Strom and photographer Brian Blue record a way of life that largely disappeared through the torment violence and upheaval of the twentieth century Through the USSR Poland Czechoslovakia Hungary Romania Yugoslavia and Bulgaria this volume records the three great blows to Eastern European Jewry the historical persecution of the Jews who suffered the envy of their neighbors the slaughter of millions during World War II and the loss of those who accepted the aliyah to Israel It also records how the Jews of Eastern Europe laugh weep and sing *The Last Jews of Eastern Europe* Yale Strom, Brian Blue, 1986-01-01 *The Jews of Eastern Europe* Arnol'd Davidovich Margolin, 1926 *The Jews of Eastern Europe, 1772-1881* Israel Bartal, 2011-06-07 In the nineteenth century the largest Jewish community the modern world had known lived in hundreds of towns and shtetls in the territory between the Prussian border of Poland and the Ukrainian coast of the Black Sea The period had started with the partition of Poland and the absorption of its territories into the Russian and Austro Hungarian empires it would end with the first large scale outbreaks of anti Semitic violence and the imposition in Russia of strong anti Semitic legislation In the years between a traditional society accustomed to an autonomous way of life would be transformed into one much more open to its surrounding cultures yet much more confident of its own nationalist identity In *The Jews of Eastern Europe* Israel Bartal traces this transformation and finds in it the roots of Jewish modernity

American Jewry and the Re-Invention of the East European Jewish Past Markus Krah, 2017-11-20 The postwar decades were not the golden era in which American Jews easily partook in the religious revival liberal consensus and suburban middle class comfort Rather it was a period marked by restlessness and insecurity born of the shock about the Holocaust and of the unprecedented opportunities in American society American Jews responded to loss and opportunity by obsessively engaging with the East European past The proliferation of religious texts on traditional spirituality translations of Yiddish literature historical essays photographs and documents of shtetl culture theatrical and musical events culminating in the Broadway musical *Fiddler on the Roof* illustrate the grip of this past on post 1945 American Jews This study shows how American Jews reimagined their East European past to make it usable for their American present By rewriting their East European history they created a repertoire of images stories and ideas that have shaped American Jewry to this day *The Last Jews in Baghdad* Nissim Rejwan, 2010-01-01 This memoir of life in the Iraqi capital s Jewish community is a rare look detailed and vivid into a culture that is no longer extant Nancy E Berg author of *Exile from Exile* Israeli Writers from Iraq Once upon a time Baghdad was home to a flourishing Jewish community More than a third of the city s people were Jews and

Jewish customs and holidays helped set the pattern of Baghdad's cultural and commercial life. On the city's streets and in the bazaars Jews, Muslims and Christians, all native born Iraqis, intermingled speaking virtually the same colloquial Arabic and sharing a common sense of national identity. And then almost overnight it seemed the state of Israel was born and lines were drawn between Jews and Arabs. Over the next couple of years nearly the entire Jewish population of Baghdad fled their Iraqi homeland never to return. In this beautifully written memoir Nissim Rejwan recalls the lost Jewish community of Baghdad in which he was a child and young man from the 1920s through 1951. He paints a minutely detailed picture of growing up in a barely middle class family dealing with a motley assortment of neighbors and landlords struggling through the local schools and finally discovering the pleasures of self education and sexual awakening. Rejwan intertwines his personal story with the story of the cultural renaissance that was flowering in Baghdad during the years of his young manhood, describing how his work as a bookshop manager and a staff writer for the Iraq Times brought him friendships with many of the country's leading intellectual and literary figures. He rounds off his story by remembering how the political and cultural upheavals that accompanied the founding of Israel, as well as broad hints sent back by the first arrivals in the new state, left him with a deep ambivalence as he bid a last farewell to a homeland that had become hostile to its native Jews.
