Cora and Alice Munro daughters of Lieutenant Colonel Munro are traveling with Major Duncan Heyward from Fort Edward to Fort William Henry where Munro is in command and acquire another companion in David Gamut a naive singing teacher They are guided through the forest by a native named Magua who leads them through a shortcut unaccompanied by the British militia Heyward is dissatisfied with Magua s shortcut and the party roam unguided and finally join Natty Bumppo known as Hawk eye a scout for the British and his two Mohican friends Chingachgook and his son Uncas Heyward becomes suspicious of Magua and Hawk eye and the Mohicans agree with his suspicion that Magua is a Huron scout secretly allied with the French Upon discovery as such Magua escapes and in the correct belief that Magua will return with Huron reinforcements Hawk eye and the Mohicans lead their new companions to a hidden cave on an island in a river They are attacked there by the Hurons and when ammunition is exhausted Hawk eye and the Mohicans escape with a promise to return for their companions Magua and the Hurons capture Heyward Gamut and the Munro sisters and Magua admits that he is seeking revenge against Cora s father Colonel Munro for turning him into an alcoholic with whiskey causing him to be initially cast out of the Hurons and then whipping him at a post for drunken behavior He then offers to spare the party if Cora becomes his wife but she refuses Upon a second refusal he sentences the prisoners to death Hawk eye and the Mohicans rescue all four and lead them to a dilapidated building that was involved with a battle between the Indians and the British some years ago They are nearly attacked again but the Hurons leave the area rather than disturb the graves of their own fellow countrymen The next day Hawk eye leads the party to Fort Henry past a siege by the French army Munro sends Hawk eye to Fort Edward for reinforcements but he is captured by the French who deliver him to Fort Henry without the letter Heyward returns to Colonel Munro and announces his love for Alice and Munro gives his permission for Heyward s courtship The French general Montcalm invites Munro to a parley and shows him General Webb s letter in which the British general has refused reinforcements At this Munro agrees to

Montcalm's terms that the British soldiers together with their wounded women and children must leave the fort and withdraw from the war for eighteen months. Outside the fort the column of British prisoners is attacked by 2000 Huron warriors in the ensuing massacre. Magua kidnaps Cora and Alice and he leads them toward the Huron village. David Gamut follows them. After the massacre, Hawk-eye, the Mohicans, Heyward, and Colonel Munro head into the ruins of the fort to plan their next move. The next morning they set out to follow Magua and cross a lake to intercept his trail. They encounter a band of Hurons by the lakeshore who spot the travelers. A canoe chase ensues in which the rescuers reach land before the Hurons can kill them and eventually follow Magua to the Huron village. Here they find Gamut, earlier spared by the Hurons as a harmless madman who says that Alice is held in this village and Cora is one belonging to the Lenape Delaware. Disguised as a French medicine man, Heyward enters the Huron village with Gamut to rescue Alice. Hawk-eye and Uncas set out to rescue Cora and Munro, and Chingachgook remains in safety. Uncas is taken prisoner by the Hurons and left to starve when he withstands torture and Heyward fails to find Alice. A Huron warrior asks Heyward to heal his lunatic wife and both are stalked by Hawk-eye in the guise of a bear. They enter a cave where the madwoman is kept and the warrior leaves. Soon after revelation of his identity to Heyward, Hawk-eye accompanies him and they find Alice.

**James Fenimore Cooper** W. M. Verhoeven, 1993. Most of the essays in James Fenimore Cooper: New Historical and Literary Contexts are either directly or indirectly informed by the need to confront Cooper's tales with the indeterminate historical context from which they arose. Others start from the premise that our understanding of Cooper's work can benefit significantly from displacing it from its traditional position in American literary history and by repositioning it in a new literary context. What unites all the essays is a commitment to read Cooper's works as culturally encoded documents that both reflect and give us access to the complex equivocal mind that created them. This is not to say that the essays share a common critical or methodological approach; indeed, they were commissioned and selected with the specific intention of applying contending approaches in contemporary literary discourse to the canonical Cooper. While the array of critical approaches represented in the book is by no means exhaustive, interpretive strategies vary from textual formalistic New Critical readings to old historical contextual readings and from new historical revisionist readings to deconstructive readings. Through their critical diversity, these essays will cast a new light on Cooper's work in relation to its historical context and on the relevance of Cooper's work to both nineteenth-century and modern literary, historical, and ideological debates.
