The Last Run Greg Rucka, 2011-04-26 In the Special Operations Section of the British Secret Intelligence Agency there are only three ways you leave the job You re promoted out you quit or you die Tara Chace has been waiting for the first while avoiding the third After ten years though she s getting old and she s getting slow and the time has come for her to step aside But before she can leave the Section to younger hands a mysterious message out of the past has Chace embarking on one final run into the most dangerous field of operations in the world Iran Communication from a decades silent agent brings with it the potential for a devastating blow against a repressive regime Chace s instructions are clear Bring the agent out alive But nothing in service of Queen and country is ever that simple With allies and enemies alike all serving their own agendas Chace finds herself alone hunted and racing the clock to complete what is destined to be her last run The Last Run
