Boal,2011-05 Last Run of the Whisperer is a historical fiction novel based upon the Revolutionary War records of William Waterman of Norwich Connecticut colony The author has taken the information that William Waterman has provided to us through his own account of his service in the American Revolution when he petitioned the United States Congress in 1832 for a pension for said service The author has taken the information provided by William Waterman and completed extensive research on the battles and areas of service that our hero served in embellishing and expounded upon this information to develop an exciting and accurate historical story surrounding our hero William Waterman William Waterman himself in his petition to the United States Congress identifies one severe wound received in said service at the battle of White Plain in the colony of New York above New York City This wound by itself could have cost our hero his life That he survived this wound and the numerous other battles and action that he undoubtedly saw was extraordinary Although William Waterman lists a number of battles and theatres of war he saw service in he does not describe the details of these battles The author takes his literary liberty upon researching these battles and events to interject our hero into the battles That William Waterman is involved in each and everyone of these battles or theatres of war in based upon William Waterman s own account Upon his completion of service in the Continental army William Waterman listed his next service as a privateer that is as a licensed pirate The author has taken the liberty to believe that William Waterman engaged as a privateer in the cause of the upstart Americans and prayed upon British shipping as he makes no mention of serving the British in his petition to the United States Congress and infact

lists his service as a privateer in his petition for his pension indicating that all of his papers and records of his service in the Continental army were lost when the ship he was engaged on as a privateer was sunk leading to his subsequent imprisonment by the British on the prison ship Jersey Our hero William Waterman also does not identify the name of the ship on which he was engaged as a privateer Again the author takes his literary liberty to name the privateer ship and thus we have the Last Run of the Whisperer During the course of our adventure William Waterman loses his boyhood friend to the cause of the American Revolution learns that his father is fighting against him on the side of the British loses his first love to another man while he is imprisoned and eventually finds the girl he is to marry while hiding from the British William Waterman finds peace and contentment spending his life after the war living in the Green Mountains of Vermont Death's Last Run Robin Spano,2013 When a snowboarder is found dead on the Blackcomb Glacier in Whistler British Columbia the police want to call it a suicide The girl's mother a U S senator says her daughter would never kill herself The FBI sends in undercover agent Clare Vengel to investigate and she discovers evidence of an LSD smuggling ring and a possible corrupt cop in cahoots with the smugglers **Quinn's Last Run** Paul Lederer,2014-05-13 When a driver is killed a young man takes the reins The stagecoach rumbles toward Yuma when Tom Quinn hears the war whoop A dozen Apaches strike hungry for blood Their first volley finds the driver forcing Quinn to drive with one hand and shoot with the other By the time the attack eases up he is down to his last bullet As the Apache pull back the horses bolt and the wagon flips on its side Tom is trying to get it upright when two more riders approach Escorted by Sheriff Mike Hancock the accused murderer is on his way to Yuma prison and now he's Quinn's problem Yuma may only be one hundred miles away but night falls faster with a killer at your back **Last Run** Hilary Norman,2013-05-14 When a lone runner is found dead on Miami Beach's North Shore Detective Sam Becket's first concern is for his adopted daughter Cathy a student at Trent University Cathy is also a runner and she's vulnerable Sam fears for the stability of his close knit family and especially for his wife Grace blissfully pregnant after repeated miscarriages As Sam and his team start to investigate a connection emerges with another homicide on Pompano Beach and others are drawn into the web a troubled young boy being treated by Grace for his drug problem and Kerry Flanagan a charismatic runner to whom Cathy feels powerfully drawn The Last Star Rick Yancey,2016-05-24 The highly anticipated finale to the New York Times bestselling 5th Wave series The enemy is Other The enemy is us They're down here they're up there they're nowhere They want the Earth they want us to have it They came to wipe us out they came to save us But beneath these riddles lies one truth Cassie has been betrayed So has Ringer Zombie Nugget And all 7.5 billion people who used to live on our planet Betrayed first by the Others and now by ourselves In these last days Earth's remaining survivors will need to decide what's more important saving themselves or saving what makes us human Praise for The Last Star Yancey's prose remains achingly precise and this grows heavier tighter and more impossible to put down as the clock runs out this blistering finale proves the truth of the first two volumes it was never about the aliens Booklist starred review A
