The Trials and Passion of Christ Michael E. Cannon, 2011-02-25 The Passion of Christ is observed by people all around the world as one of the more significant days on the Christian calendar In certain parts of the world such as the Philippines the re enactments of the crucifixion can go so far as to include actual nails driven through the hands of participants as they wail in pain Is this the way we are to learn about the crucifixion Will a re enactment teach us the truth of the cross The text of John 18 and 19 teaches us clearly the facts of the crucifixion and is surrounded by intrigue and mystery For too long Protestant Christianity has neglected the years of scholarship in pre reformation and post reformation Roman research In *The Trials and Passion of Christ* Michael Cannon brings together the best of Protestant and Roman scholasticism to uncover significant details surrounding the trials and the drama of the crucifixion on Golgotha This book is a journey reading nearly like an eye witness report through the trials the suffering and the passion of Christ

Eschatology of the Prophet Daniel Frederick Guttman, The prophet Daniel is a historical icon of the people of Israel although he is more special to Christian theology It is especially important for being the prophet with the most revelations received in a historical context and even in great detail addressing global issues of geopolitics and conquest centuries before such occurred Although this man is much more for Christianity than for the Jews themselves and that is why I have dedicated this work to him since unlike what would happen to a greater extent with Judaism within Christianity he is largely a turning point in eschatology The name Daniel means in Hebrew God is my judge or judgment of God although during his stay in Babel Babylon he was called in Akkadian Balatsu usur Bel protects the king transcribed to Spanish as Beltsasar He was one of the sons of the Jewish aristocracy who were taken out of Israel by Nebuchadnezzar II of Babylon during the time of Iahoiakin Joachim king of Judah that is he was taken captive back in 598 or 597 BC C although it is not officially known how old he was when he was taken or his year of birth itself Something that

recently came to be known is that the book of Daniel enjoyed great popularity among the essence community there is much information that emphasizes his writing in the Qumran Caves even considering it canonical the Jews did not put Daniel with the compendium of manuscripts of the Nebi m Prophets but with the merely historical ones the Ketubim Writings In fact if the popularity of a book is judged by the number of copies of copies found in the caves Daniel with its 8 scrolls would occupy 4th place together with the book of the 12 prophets Deuteronomy has 14 manuscripts Isaiah is 12 and the Samos are 10

- The Final Cycle Saransh,2025-03-03 The Supreme Cycle has governed existence for eternity ensuring that gods mortals and worlds rise and fall in an endless loop But now the truth behind the Cycle is revealed it was never meant to last As Arjan Kalki and Kronos uncover the origins of the Supreme Cycle they realize that something older than the gods has been controlling fate itself Forces beyond time beings that predate existence have been using the Cycle to maintain their power With the Supreme Cycle collapsing existence itself begins to unravel The gods who once ruled find themselves powerless and those who were meant to inherit the future must decide should the Cycle be restored or should fate be destroyed forever In a final confrontation Arjan and his allies battle not just gods but the very concept of destiny itself They make the ultimate choice to break the Supreme Cycle once and for all But what happens to a world without fate As the last remnants of the old order crumble existence steps into a future completely unknown And for the first time in eternity The universe belongs to itself **Remembering the Dead** Sentus Francis Dikwe,2020-01-07 Remembering the dead is a topic which connects

various cultures and traditions The reception of the African tradition of ancestorship is a theological enrichment in the ecumenical discussions all over the world In our time the exchange of gifts plays a great role in promoting unity of the Churches Especially the concepts of African theology with the incomparable special position of Jesus Christ as proto ancestor are important for the interconfessional dialogues The veneration of the ancestors in Africa can be a help to begin ecumenical discussions in this regional context on the question of the veneration of the saints According to African tradition the ancestors also have influence on the process of purification Therefore the veneration of the ancestors contributes to providing answers to the ecumenical controversies about the understanding of the eschatological purification

Sentus Francis Dikwe SDS born in 1980 in Morogoro Tanzania ordained priest of the Salvatorian Congregation He attained doctorate in theology 2020 in Munster Germany
