The Last Sure Thing The Life Times Of Bobby Riggs:

The Last Sure Thing Tom LeCompte, 2018-11-19 The best thing in life is to win The second best thing is to lose at least you're still in the game Bobby Riggs He lived by his own rules and more often than not he broke them Bobby Riggs was the original bad boy of tennis Forever remembered as the motormouthed antagonist of Billie Jean King in the famous Battle of the Sexes he had a nose for action and an insatiable appetite for competition The award winning book The Last Sure Thing is the story of a hardscrabble kid in a highbrow sissy game the son of a fundamentalist minister who was a compulsive gambler a self proclaimed male chauvinist whose only mentors in the game were women a short wispy haired fellow with a squeaky voice a bad haircut and horn rimmed glasses who became somehow a sex symbol Riggs' life reads like a history of the modern game He played and beat legends such as Bill Tilden and Don Budge rose up the amateur ranks to Wimbledon and world champion barnstormed on the early pro tours and then by sheer force of his personality became the center of the biggest spectacle in tennis history a match that transcended sports to become one of the iconic events of its generation For reviews or more information go to amazon.com or check out www.bobbyriggs.com **A Terrible Splendor** Marshall Jon

Fisher, 2010-04-20 Before Federer versus Nadal before Borg versus McEnroe the greatest tennis match ever played pitted the dominant Don Budge against the seductively handsome Baron Gottfried von Cramm This deciding 1937 Davis Cup match played on the hallowed grounds of Wimbledon was a battle of titans the world's number one tennis player against the number two America against Germany democracy against fascism For five superhuman sets the duo's brilliant shotmaking kept the Centre Court crowd and the world spellbound But the match's significance extended well beyond the immaculate grass courts of Wimbledon Against the backdrop of the Great Depression and the brink of World War II one man played for the pride of his country while the other played for his life Budge the humble hard working American who would soon become the first man to win all four Grand Slam titles in the same year vied to keep the Davis Cup out of the hands of the Nazi regime On the other side of the net the immensely popular and elegant von Cramm fought Budge point for point knowing that a loss might precipitate his descent into the living hell being constructed behind barbed wire back home Born into an aristocratic family von Cramm was admired for his devastating good looks as well as his unparalleled sportsmanship But he harbored a dark secret one that put him under increasing Gestapo surveillance And his situation was made even more perilous by his refusal to join the Nazi Party or defend Hitler Desperately relying on his athletic achievements and the global spotlight to keep him out of the Gestapo's clutches his strategy was to keep traveling and keep winning A Davis Cup victory would make him the toast of Germany A loss might be catastrophic Watching the mesmerizingly intense match from the stands was von Cramm's mentor and all time tennis superstar Bill Tilden a consummate showman whose double life would run in ironic counterpoint to that of his German pupil Set at a time when sports and politics were inextricably linked **A Terrible Splendor** gives readers a courtside seat on that fateful day moving gracefully between the tennis match for the ages and the dramatic

events leading Germany Britain and America into global war A book like no other in its weaving of social significance and athletic spectacle this soul stirring account is ultimately a tribute to the strength of the human spirit *A History of American Sports in 100 Objects* Cait Murphy,2016-10-11 Beautifully designed and carefully curated a fascinating collection of the things that shaped the way we live and play in America What artifact best captures the spirit of American sports The bat Babe Ruth used to hit his allegedly called shot or the ball on which Pete Rose wrote I m sorry I bet on baseball Could it be Lance Armstrong s red white and blue bike now tarnished by doping and hubris Or perhaps its ancestor the nineteenth century safety bicycle that opened an avenue of previously unknown freedom to women The jerseys of rivals Larry Bird and Magic Johnson Or the handball that Abraham Lincoln threw against a wall as he waited for news of his presidential nomination From nearly forgotten heroes like Tad Lucas rodeo and Tommy Kono weightlifting to celebrities like Amelia Earhart Muhammad Ali and Michael Phelps Cait Murphy tells the stories of the people events and things that have forged the epic of American sports in both its splendor and its squalor Stories of heroism and triumph rub up against tales of discrimination and cheating These objects tell much more than just stories about great games they tell the story of the nation Eye opening and exuberant *A History of American Sports in 100 Objects* shows how the games Americans play are woven into the gloriously infuriating fabric of America itself **Game, Set, Match** Susan Ware,2011 Argues that Billie Jean King s 1973 defeat of male player Bobby Riggs in tennis Battle of the Sexes match helped along with the passage of the Title IX anti sex discrimination act cause a revolution in women s sports *A Companion to American Sport History* Steven A. Riess,2014-03-26 *A Companion to American Sport History* presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH **Game On** David Bockino,2024-04 *Game On* tells the story of how and why the sports media industry grew to become one of the most important and profitable components of the global entertainment landscape **Little Pancho** Caroline Seeböhm,2009-05-01 Born into a poor family in Ecuador Pancho Segura was an undersized and undernourished kid working as a ball boy at an exclusive tennis club when he first picked up a racket *Little Pancho* is the story of how this improbable athlete with his bandy legs infectious smile and unorthodox two handed style of play became one of the greatest and most beloved tennis players of all time During his twenty years in pro tennis general audiences appreciated his spirit as a master entertainer while tennis fans adored him Drawing on interviews with many in the game who knew or admired Pancho

Caroline Seebomh provides a close up picture of the unlikely pro as his career first emerged in Ecuador and then developed further in the United States during the 1940s where he broke down social and political prejudices with his charm naturalness and brilliance on the court Little Pancho follows Segura from the University of Miami where he won three consecutive NCAA championships still a record to his time on the U S professional tennis tour On the pro tour of that time Segura and his fellow players struggled to earn a living and find acceptance in the traditional sometimes elitist tennis world which scorned professionals as outcasts Little Pancho shows us Segura when he quit the professional tour to become a coach at the Beverly Hills Tennis Club working with movie stars such as Charlton Heston Barbra Streisand and Lauren Bacall And finally we hear for the first time from some of the later champions Segura coached including Jimmy Connors This history of tennis in the midcentury also is the inspiring story of how one poor Latino kid through sheer grit grace and talent changed the face of the sport forever Thai Stick Peter Maguire, Mike Ritter, 2013-11-12

The untold history of the underground marijuana trade in Thailand from surfers and sailors to pirates Located on the left bank of the Chao Phya River Thailand s capital Krungthep known as Bangkok to Westerners and the City of Angels to Thais has been home to smugglers and adventurers since the late eighteenth century During the 1970s it became a modern Casablanca to a new generation of treasure seekers from surfers looking to finance their endless summers to wide eyed hippie true believers and lethal marauders left over from the Vietnam War Moving a shipment of Thai sticks from northeast Thailand farms to American consumers meant navigating one of the most complex smuggling channels in the history of the drug trade Many forget that until the mid 1970s the vast majority of marijuana consumed in the United States was imported and there was little to no domestic production Peter Maguire and Mike Ritter are the first historians to document this underground industry the only record of its existence rooted in the fading memories of its elusive participants Drawing on hundreds of interviews with smugglers and law enforcement agents the authors recount the buy delivery voyage home and product offload They capture the eccentric personalities of the men and women who transformed the Thai marijuana trade from a GI cottage industry into a professionalized business moving the world s most lucrative commodities unraveling a rare history from the smugglers perspective Highly recommended for anyone who loves adventure cannabis surfing or all of the above It s every single bit as heady energetic and captivating as the title implies Cannabis Now *Sports on Film* Johnny D. Boggs, 2021-10-11

Sports on Film takes readers behind the scenes of how movies get made and puts them in the stands for some of the key moments in sports in America *Sports on Film* documents key events in American sports history through the films that depict them starting with the integration of major league baseball when Jackie Robinson signed with the Brooklyn Dodgers Other significant events and personalities examined include the college basketball point shaving incident of the 1950s journalist George Plimpton s attempt to go through the Detroit Lions NFL training camp in the early 1960s the originations and popularity of rodeo the brief run of women s professional baseball during World War II the underdog racehorse Seabiscuit during the Great Depression the rise of African

American boxer Muhammad Ali the unique 1970s Battle of the Sexes tennis event between Bobby Riggs and Billie Jean King and Ford Motor Company's run in the 1960s to take motorsports to Europe's premier event in Le Mans France **Arthur Ashe** Eric Allen Hall, 2014-09-15 Arthur Ashe explains how this iconic African American tennis player overcame racial and class barriers to reach the top of the tennis world in the 1960s and 1970s But more important it follows Ashe's evolution as an activist who had to contend with the shift from civil rights to Black Power Off the court and in the arena of international politics Ashe positioned himself at the center of the black freedom movement negotiating the poles of black nationalism and assimilation into white society Fiercely independent and protective of his public image he navigated the thin line between conservatives and liberals reactionaries and radicals the sports establishment and the black cause Eric Allen Hall's work examines Ashe's life as a struggle against adversity but also a negotiation between the comforts perhaps requirements of tennis star status and the felt obligation to protest the discriminatory barriers the white world constructed to keep black people in their place Drawing on coverage of Ashe's athletic career and social activism in domestic and international publications archives including the Ashe Papers and a variety of published memoirs and interviews Hall has created an intimate nuanced portrait of a great athlete who stood at the crossroads of sports and equal justice Hall's elegant and well paced narrative teases out the contradictions of one of tennis's most enigmatic characters Times Literary Supplement A strong book on an outstanding topic it serves as a reminder that Ashe's tragic death has to some extent eclipsed his life's work on behalf of racial equality Wall Street Journal A portrait of Arthur Ashe that shows the fullness of his character his broad interests his impressive talents and his missteps New Books in Sports A remarkable book that will serve as a model for future works in this genre Virginia Magazine of History and Biography Eric Allen Hall is an assistant professor of history at Georgia Southern University Statesboro **Sport in American Culture** Joyce D. Duncan, 2004-11-19 A unique and timely exploration of the cultural impact of sport on American society including lifestyles language and thinking Sport in American Culture is the first and only reference work to provide an in depth and up to date exploration of sport and its impact on American culture Essays from more than 200 scholars professionals and sports enthusiasts address how sport has changed our lifestyles language and thinking Arranged alphabetically the work introduces key sport figures and national icons with a focus on their cultural impact examines individual sports and how they have influenced society and discusses such phenomena as the billion dollar athletic apparel industry sport as big business and the effect of sport on gender racial views pride and nationalism In addition to expected topics the work also includes less studied areas such as myths audience rituals Wheaties comic books the hula hoop and religion *The Divine Miss Marble* Robert Weintraub, 2021-08-03 In Robert Weintraub's exhaustive biography *The Divine Miss Marble* he transports the reader into Marble's vibrant world It's a dreamy indomitable life worth reading about as today's tennis tries to return to form The Washington Post An intriguing book about a fascinating woman Highly recommended Library Journal starred review Delightful and engrossing this is a must for tennis

fans Publishers Weekly The story of 1930s tennis icon Alice Marble and her life of sports celebrity and incredible mystery Who was Alice Marble In her public life she was the biggest tennis star of the pre war era a household name like Joe DiMaggio and Joe Louis She was famous for overcoming serious illness to win the biggest tournaments including Wimbledon She was also a fashion designer and trendsetter a contributor to a pioneering new comic called Wonder Woman and friend to the biggest names in Hollywood and society like Carole Lombard and Clark Gable William Randolph Hearst and Marion Davies and members of families named Bloomingdale Loew and du Pont She helped integrate tennis with her support of Althea Gibson and even coached two young women who became stars in their own right Billie Jean King and Sally Ride Yet her private life provoked constant speculation while she was alive and her own memoirs added layers of legend upon stories According to Alice she married a man who was killed in the skies over Europe during World War II But who was the man she loved and had he even existed She was widely known for her patriotism during World War II Had she really nearly given her life for her country as a spy shot during a wild car chase fleeing foreign espionage agents In *The Divine Miss Marble* bestselling author Robert Weintraub traveled the country to uncover her fascinating story And the more he learned about her the more her mysteries and contradictions deepened Alice was a powerful woman who knew her worth demanding equal pay to men decades earlier than other female athletes yet she was held in sway by a domineering highly successful coach with whom she had a volatile relationship She was renowned for her California style and had a brilliant mind and the guts to overcome a lifetime of physical trauma For the first time here we come closer than ever before to the truths of this unforgettable life and somehow it s a story even more extraordinary than everything we already know about the divine Alice Marble

A Necessary Spectacle Selena Roberts, 2005 Billie Jean King didn t want to play Bobby Riggs He baited and begged her for months while she ignored his catcalls and challenges But after Margaret Court s ignominious defeat in the so called Mother s Day Massacre Billie knew what she had to do despite the personal and professional risks take on the self proclaimed male chauvinist pig and slay the myths about women and weakness And so it was that King s acquiescence led to the Battle of the Sexes one of the most wildly surreal moments of the decadent 1970s The worldwide event showcasing three sets of tennis in a raucous Houston Astrodome forever changed the social landscape for women In *A Necessary Spectacle* Selena Roberts one of the country s finest sportswriters and the only female sports columnist in the New York Times history has created a masterful and entertaining journey through the 1970s and beyond capturing the color and passion tackiness and anger prejudice and progress of an American culture in transition At the heart of the story lies the intersection of two complex characters Billie Jean King the daughter of a homemaker and a firefighter who grew up in the Norman Rockwell tradition of the 1950s and Bobby Riggs the gambling son of a fundamentalist minister who won everlasting fame as a card carrying sexist not because he believed women to be inferior but because he craved attention Roberts enjoyed unprecedented access to the characters in this story including numerous in depth interviews with Billie Jean King and her

former husband Larry as well as the friends and family of Bobby Riggs who died in 1995 Essential details and insights also were provided through hours of conversation with key figures in the women s rights movement and Title IX fight including Gloria Steinem and Donna de Varona and with tennis legends of the 1970s such as Chris Evert Margaret Court Rosie Casals and others This book reveals the outsize personalities of Billie and Bobby the intensity and intricacy of the Kings longtime marriage the simmering social revolution that pitted chauvinists against feminists and tennis players against each other and a wrenching coming out story recounted in intimate detail by Billie Jean King for the first time By the end of the book Roberts has traced the cultural continuum of Billie and Bobby s night at the Astrodome She relates its significance to the day Richard Williams began hitting bald tennis balls to his pigtailed daughters Venus and Serena to the glorious afternoon when more than 90 000 fans watched as the U S women s soccer team won the 1999 World and ultimately to the present day s second generation battle to keep Title IX alive The book s poignant last scene between Billie and Bobby serves to remind us how much of an effect that 1973 match and the passion it fueled for change continues to have on American society showing how necessary it was and how necessary it remains 1973 The Battle of the Sexes It was the match that changed everything In this riveting book by New York Times sports columnist Selena Roberts the whole spectacle returns larger than life and more important than ever This story reaches beyond two outsize and utterly fascinating personalities who emerged during a simmering social revolution that pitted chauvinists against feminists It also chronicles the complex longtime marriage of Billie Jean and Larry King the cavalcade of issues that rocked the 1970s from equal pay to abortion rights and a wrenching coming out story recounted in intimate detail by Billie Jean King for the first time *Great Athletes* ,2010 **Terribile**

splendore Marshall Jon Fisher,2013-07-04T00:00:00+02:00 20 luglio 1937 centrale di Wimbledon finale interzone di Coppa Davis Davanti a quattordicimila spettatori il barone von Cramm affronta Donald Budge in una partita che segnerà la storia di questo sport La Seconda guerra mondiale ormai alle porte l arroganza nazista miete le prime vittime e molti percepiscono che quello che sta per giocarsi non solo un incontro di tennis Stati Uniti contro Germania libert contro regime il bene contro il male Budge giovane e arrembante guance rosa confetto gioca per il suo paese e per la gloria sportiva von Cramm il sofisticato aristocratico l elegantissimo atleta eroe il modello per la gioventù tedesca intimidito dalla Gestapo e da una telefonata di Hitler pochi minuti prima dell inizio del match gioca per se stesso per la sua vita Era Hitler voleva augurarmi buona fortuna dir a Budge e al cerimoniere A guardarli c Bill Tilden il più famoso e chiacchierato tennista del tempo l americano amico dei divi l intellettuale che più o meno segretamente allena la squadra tedesca Von Cramm appare teso il volto meno luminoso del solito Eppure il suo inizio fulminante Dopo poco più di un ora conduce per due set a zero La rimonta di Budge per non si fa attendere fino all estenuante quinto set Raccontare lo sport raccontare gli uomini ed eventi come questa partita perdurano dando l impressione che la storia sempre l in attesa di manifestarsi in tutto il suo terribile splendore
