The Last Temptation Of Christ Its Deception And What You Should Do About It:

The Last Temptation of Christ Erwin W. Lutzer, 1988 *Hollywood Under Siege* Thomas R. Lindlof, 2008-08-08 A behind the scenes look at the making of *The Last Temptation of Christ* and the controversy following its release In 1988 director Martin Scorsese fulfilled his lifelong dream of making a film about Jesus Christ Rather than celebrating the film as a statement of faith churches and religious leaders immediately went on the attack alleging blasphemy At the height of the controversy thousands of phone calls a day flooded the Universal switchboard and before the year was out more than three million mailings protesting the film fanned out across the country For the first time in history a studio took responsibility for protecting theaters and scrambled to recruit a field crisis team to guide *The Last Temptation of Christ* through its contentious American openings Overseas the film faced widespread censorship actions with thirteen countries eventually banning the film The response in Europe turned violent when opposition groups sacked theaters in France and Greece and caused injuries to dozens of moviegoers Twenty years later author Thomas R Lindlof offers a comprehensive account of how this provocative film came to be made and how Universal Pictures and its parent company MCA became targets of the most intense unrelenting attacks ever mounted against a media company The film faced early and determined opposition from elements of the religious Right when it was being developed at Paramount during the last year the studio was run by the celebrated troika of Barry Diller Michael Eisner and Jeffrey Katzenberg By the mid 1980s Scorsese's film was widely regarded as unmakeable a political stick of dynamite that no one dared touch Through the joint efforts of two of the era's most influential executives CAA president Michael Ovitz and Universal Pictures chairman Thomas P Pollock this improbable project found its way into production The making of *The Last Temptation of Christ* caught evangelical Christians at a moment when they were suffering a crisis of confidence in their leadership The religious right seized on the film as a way to rehabilitate its image and to mobilize ordinary citizens to attack liberalism in art and culture The ensuing controversy over the film's alleged blasphemy escalated into a full scale war fought out very openly in the media Universal MCA faced unprecedented calls for boycotts of its business interests anti Semitic rhetoric and death threats were directed at MCA chairman Lew Wasserman and other MCA executives and the industry faced the specter of violence at theaters *Hollywood Under Siege* draws upon interviews with many of the key figures Martin Scorsese Paul Schrader Michael Ovitz Jeffrey Katzenberg Jack Valenti Thomas P Pollock and Willem Dafoe to explore the trajectory of the film from its conception to the subsequent epic controversy and beyond Lindlof offers a fascinating dissection of a critical episode in the embryonic culture wars illuminating the explosive effects of the clash between the interests of the media industry and the forces of social conservatism Praise for *Hollywood Under Siege* No other book has traced the development of a major motion picture from conception through production to reception with the kind of care and detail that Lindlof does here *Hollywood Under Siege* provides valuable insight into the machinery of the film industry and into the machinations of American culture on a broader

front as well Thomas Schatz author of *The Genius of the System Hollywood Filmmaking in the Studio Era* and Executive Director of the University of Texas Film Institute Riveting and accurate Even though I thought I knew the events I found myself captured anew Paul Schrader screenwriter and director As a study of a landmark moment in American cinema Lindlof's book is both profound and extremely entertaining Los Angeles Times Lindlof has meticulously researched the history of the film from its initial optioning to its ultimate fate up to the present time successfully placing it into cultural context Although extremely detailed the book is readable and eminently instructive Library Journal [Chasing Paper](#) Stephanie L. Derrick, 2021-09-30 *Chasing Paper* is an important new collection of essays written by senior publishers from around the world who have spent their careers in Christian publishing Here they discuss the dramatic changes witnessed by the Christian publishing industry over the last fifty years how they and their companies responded to those changes and what the future may hold for the Christian publishing industry authors and readers everywhere Find herein a rare glimpse behind the scenes into how some of the gate keepers of Christian culture have navigated quickly shifting cultural and professional realities **Under God** Garry Wills, 2013-05-28 In *Under God* Pulitzer Prize winner and eminent political observer Garry Wills sheds light on the frequent collision between American politics and American religion Beginning with the 1988 presidential contest an election that included two ministers and a senator accused of sin award winning author Garry Wills surveys the tapestry of American history to show the continuity of present controversies with past religious struggles and argues that the secular standards of the Founding Fathers have been misunderstood He shows that despite reactionary fire breathers and fanatics religion has often been a progressive force in American politics and explains why the policy of a separate church and state has ironically made the position of the church stronger Marked by the extraordinary quality of observation that has defined Wills' work *Under God* is a rich original look at why religion and politics will never be separate in the United States **The Leadership Series** Rayola Kelley, 2013-05-28 The three books that make up the Leadership Series were written after my friend and co laborer in the Gospel Jeannette Haley pointed out that there seemed to be much confusion surrounding godly leadership in the kingdom of God The main reason for this confusion is that many Christians consider leadership according to the world's standards Jesus even warned His followers in Matthew 20:24-27 that there is a vast difference between what the world considers to be greatness in leadership and how the kingdom of God regards leadership that is marked with the excellence of greatness As this book illustrates true leaders in God's kingdom are not born rather they are forged In order to effectively bring forth a leader such individuals must learn to recognize that which hinders them and overcome these enemies Obviously a leader cannot lead others where he or she has not yet walked The first book *Overcoming* addresses the true enemies of the cross of Christ and reveals that they do not always come from without Many such hindrances prove to be nothing more than moral deviations that are present in our character Therefore the first book identifies the true enemies of the Christian life and brings insight into what it takes to overcome each enemy Great leaders

also understand how authority and power are to influence and work in their lives The second book A Matter of Authority and Power reveals that real leaders recognize true authority and understand how power is to be used to carry out their responsibilities This book will undo any misconceptions about these two subjects and will produce the sobriety that must be present when it comes to possessing the quality of true leadership in the kingdom of God The final book The Dynamics of True Leadership follows the lives of the great leaders of the Bible This book reveals the type of soul each leader possessed It explains the choices these leaders made and how it impacted the kingdom of God **Speak Your Healing from the**

Homosexual Deception Bonnie M. Egglehand,2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone **The Christian treasury (and missionary review).** , *Christian Nation* ,1909 *Sermons of the Rev. L. Smith,2016-01-07 Did God really say You must not eat from any tree in the garden Genesis 3 1 With a seemingly small twist on God s Word the assault on truth began in Eden The enduring battle against truth is prevalent today as some argue that there is no inherent truth Instead they assert that truth is ever changing and necessary in order to complement the times Still others pretend to uphold the truth yet preach a false gospel They twist the Scriptures in order to propel their selfish and highly flawed agendas deceiving many Truth or Deception urges believers to examine the Scriptures for themselves in order to be equipped to discern between the truth and the lies The church that believes and lives in Christ can only experience victory in today s hostile environment if it is founded upon the truth of God s Word While the world is lost and confused it ought not to be so with believers The Word of God is the owner s manual for mankind It offers guidance and warns on the dangers of the deceivers Jesus said Ye shall know the truth and the truth shall make you free John 8 32 But how can one who is deceived truly experience freedom or lead anyone else toward freedom It s impossible It is time for God s people to uncompromisingly stand for truth and expose the counterfeits for what they truly are enemies of God *The British Messenger* ,1870 **NKJV, The Lucado Life Lessons Study Bible** Thomas Nelson,2010-09-06 Discover the life enriching biblical application you re searching for in The Lucado
