NOTES ON THE AUTHORS Teresa Hubel and Neil Brooks      The Diehard Jon A. Jackson, 2014-12-09 The explosive debut  
novel featuring hard nosed cop Fang Mulheisen from an author who stands right up there with the best chroniclers of urban  
crime The New York Times The city of Detroit doesn t have many places anyone would exactly call nice But the exclusive  
enclave of Indian Village is an oasis of calm surrounded by urban blight At least until a beautiful young heiress is murdered  
during a home robbery gone horribly wrong if that really is what happened Detroit s Det Sgt Fang Mulheisen isn t so sure  
The coincidences of the case are just a bit too coincidental the ruthlessness of the crime goes way beyond a punk thief  
looking for a quick score and the victim s big banker husband may owe some very bad people more than just money What  
they want is blood And Mulheisen may be the only man who can keep them from getting it With gritty detail whip smart  
dialogue and street level action the elaboration of the plot and the quality of the writing put The Diehard pretty close to the  
top of its class The New York Times Book Review      Vengeance Ronald A. Moore, 2015-01-07 The book is mainly a crime  
story with a heartwarming love theme built in to the context The crime is the illegal sale and distribution of drugs through  
the equine sports of horse racing and show jumping and how the sports became infiltrated by shady owners and people

working within the two sports for instance race horse trainers and jockeys The novel takes you on a journey at breakneck speed on how the drugs come into the country and are then dispersed through a network of outlets on the racecourses all over the south of England Furthermore the novel tackles how the drugs are passed to customers in such a unique manner without money actually changing hands The novel tells the story of the jockey clubs security agents Discreet Intelligence Reports Readers Digest Magazine VENGEANCE which is superbly crafted intricately detailed story is by turns joyful sorrowful and uplifting A must read story of relationships prejudice and a vivid paean for justice Overall this fine book offers well drawn human characters and logically flowing action all written in a striking style If you enjoyed Vengeance the sequel The Secret Syndicate is under way Its set in Sussex and filled with more intrigue regarding the horse racing industry Release date September 2015 Find out how Steve and Laura Ricky and Charlie and DCI John Heyes crack their second case Will Miles and Natalie get together And how will Laura deal with a yard full of horses Ronald Moore had the incredible experience of working as an assistant trainer in a racing yard during the late 1980s and early 1990s He has also held a jockeys licence during that time and rode in races His niece was an international showjumper who represented her country many times before turning to race riding she rode in two Grand Nationals Ronald has always been interested in horse racing and showjumping and has owned many racehorses and showjumpers over the years One of his favourite authors is Dick Francis who wrote many novels based on the horse racing theme Jilly Cooper famed for her book Riders set in the promiscuous showjumping world is another author he admires Vengeance is Ronalds first novel and he sought to blend racing and showjumping as the storys backdrop peppering the action with romance as well as various criminal activities regarding the illegal sale and distribution of drugs This provides a unique spin on this tried and trusted equestrian theme that has served countless authors so well in the past Ronald intends to utilise the main characters in this novel in the sequel which he is writing at the moment He hopes the poignant scenes and moral issues threaded through the story together with the romance and fast paced action will make Vengeance a memorable and enjoyable read
