## **The Last Victory:**

The Last Things George E. Ladd, 2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books. Many of these however are popularized accounts containing little thoughtful biblical scholarship. Yet the serious studies available are often too difficult for the average reader to understand. George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson. Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered. One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments. Professor Ladd holds the latter position basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy. Only as the prophecies are seen in the light of God's revelation through Christ can we clearly comprehend what they mean in relation to the end times.

The Last Days Are Left Behind James Ellis, 2008-06 Have you been wondering as a Christian or non-Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future? And with all the events taking place in the Middle East especially Israel and Iran? Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy? The Left Behind series, televangelists, preachers, and others speaking of a great tribulation, rapture, Armageddon, Apocalypse, the destruction of the earth, a new heaven and earth, a second coming, and a millennium. There has been an overload of teaching and information about these things over the last century, however sincere and cloaked in good intentions, yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge, particularly the Hebrew and Greek and information based on compelling evidence. Would you like to know what the Bible actually says about all these issues? For God's Word itself. Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters. The Last Days Are Left Behind will challenge your thinking, help to erase the confusion, and provide clarity regarding the present day purpose of God. Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate, biblically consistent, and intellectually honest examination of the Bible's prophetic passages and verses, the original languages Hebrew and Greek, the social, cultural, and historical context of Scripture, and the relevance of the audience spoken or written to in God's Word.

**The Last Things** Donald G. Bloesch,2010-03-23 In The Last Things Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church The Last Things is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today

The Last Great War Adrian Gregory,2008-10-16 What was it that the British people believed they were fighting for in 1914 18 This compelling history of the British home front during the First World War offers an entirely new account of how British society understood and endured the war Drawing on official archives memoirs diaries and letters Adrian Gregory sheds new light on the public reaction to the war examining the role of propaganda and rumour in fostering patriotism and hatred of the enemy He shows the importance of the ethic of volunteerism and the rhetoric of sacrifice in debates over where the burdens of war should fall as well as the influence of religious ideas on wartime culture As the war drew to a climax and tensions about the distribution of sacrifices threatened to tear society apart he shows how victory and the processes of commemoration helped create a fiction of a society united in grief

McLaren,2012-07-05 For all those seeking more authentic ways to hold and practice Christian faith Brian McLaren has been an inspiring compassionate and provocative voice Starting with the award winning A New Kind of Christian McLaren offered a lively wide ranging fictional conversation between Pastor Dan Poole and his friend Neil Oliver as they reflected about faith doubt reason mission leadership and spiritual practice in the emerging postmodern world That conversation widened to include several intriguing new characters in the sequel The Story We Find Ourselves In as Dan and friends continued to explore faith stretching themes from evolution to evangelism from death to the meaning of life Now in this third installment of their adventures Dan and his widening circle of friends grapple with conventional Christian teachings about hell and judgment and what they mean for our relationship with God and each other Is there an alternative to the usual polar views of a just God short on mercy or a merciful God short on justice Could our conflicted views of hell be symptoms of a deeper set of problems misunderstandings about what God s justice and mercy are about misconceptions about God s purpose in creating the world deep misgivings about what kind of character God is and what the Christian gospel is for **The Last Roll Call** Joseph Balkoski,2015-09-15 The top living D Day historian USA Today No one has written a better or more comprehensive history of a U S Army combat division in World War II than Joseph Balkoski in his five volumes on the 29th Infantry Division The Last Roll Call is a powerful splendid capstone to this exceptional achievement Rick Atkinson Pulitzer Prize winning author of the Liberation Trilogy Joseph Balkoski concludes his landmark series on the U S 29th Infantry Division in World War II with the story of the 29ers during the war s final five months Opening with the division s participation in Operation Grenade Balkoski follows the 29ers through the crossing of the Roer River the blitzkrieg style drive across the Rhineland to the Rhine River their military government duties while helping to reduce the Ruhr pocket and the survivors return home Powerful finale to the saga of an American division in Europe in World War II Blends meticulous research with masterful

storytelling Strong emphasis on the men of the 29th and their stories      Last Stands from the Alamo to Benghazi Frank Wetta,Martin Novelli,2016-12-08 Last Stands from the Alamo to Benghazi examines how filmmakers teach Americans about the country s military past Examining twenty three representative war films and locating them in their cultural and military landscape the authors argue that Hollywood s view of American military history has evolved in two phases The first phase extending from the very beginnings of filmmaking to the Korean War projected an essential patriotic triumphalism The second phase from the Korean and Vietnam Wars to the present reflects a retreat from consensus and reflexive patriotism In describing these phases the authors address recurring themes such as the experience of war and combat the image of the American war hero race gender national myths and more With helpful film commentaries that extend the discussion through popular movie narratives this book is essential for anyone interested in American military and film history      **Christ's Message to the Last Generation** Emilio B.
