**In Other Words** Anna Porter, 2018-09-25 In Other Words is a lively charming gossipy memoir of life in the publishing trenches and how one restlessly curious young woman sparked a creative awakening in a new country she chose to call home We need our own dreams Anna Porter When Anna Porter arrived in Canada in early 1968 with one battered suitcase little money and a head full of dreams she had no idea that this country would become her home for the rest of her life or that she would play a major role in defining what it means to be Canadian And where better to become a Canadian than at the dynamic publishing house McClelland of prima donnas such as Roloff Beny and Harold Town whose excesses threatened to sink the company of exhausted editors dealing with intemperate writers of crazy schemes to interest Canadians in buying books She recalls the thrilling days at the helm of the company she founded in the 1980s when Canada's writers were suddenly front page news As president of Key Porter Books she dodged lawsuits argued with bank managers and fought to sell Canadian authors around the world This intriguing memoir brings to life that time in our history when finally the voices Canadians craved to hear were our own In Other Words is a love letter to Canada's authors and creative agitators who against almost impossible odds have sustained and advanced the nation's writing culture Moving effortlessly from the boardrooms of Canada's elite and the halls of power in Ottawa to the threadbare offices of idealistic young publishers and ultimately to her own painful yet ever present past in Hungary Porter offers an unforgettable insider's account of what is gained and lost in a lifetime of championing our stories
