Excerpt from *The Guiding Hand* Or Providential Direction: There are persons who see nothing of the kind, so there are men who hunt and fish and starve for generations, seeing nothing but poverty and want around them until some stranger comes and finds gold and silver and iron and gems beneath their feet, drops seeds into the earth and makes the desert smile and skirts the arrowy water course with shops and mills where streams that have been idle for ages are taught to do the work of tens of thousands of men.
