## **The Guinness Legend:**

**The Guinness Legend** Michele Guinness, 1989      **Arthur's Round** Patrick Guinness, 2014-06-01 Ireland's best known Irishman his name and signature in every household and village in Ireland and many abroad is also the least known Part of Dublin life for over two centuries both family and brewery have passed into legend but their origins have been obscured Here in the round these origins are explored and the story of the man and his background told for the first time Various sources are examined and myths about Arthur laid to rest many of which were allowed to continue by his descendants This narrative traces the family's origins in Ulster Gaelic and Protestant Irish tenant farmers from humble backgrounds on both sides when Arthur's father Richard appears as a household agent in Celbridge Co Kildare in 1722 to work for Arthur Price the Protestant Dean of Kildare In 1755 Arthur takes on a brewery in Leixlip and joins the Kildare Friendly Brothers dining club in 1758 marrying and moving to St James's Gate in 1759-60 where the business developed By 1781 he is a patriarch and member of liberal patriot political groups diversifying his assets to preserve his wealth in unsettled times Of a generation with Edmund Burke and Richard Brinsley Sheridan this wily businessman built an empire that endured and expanded Family and social history combine with an account of the brewing process and descriptions of economic and political backgrounds in a rapidly developing Ireland giving a rich weave to this tapestry Visual sources include maps rare original documents prints and photographs of associated houses and places people and artifacts The result is a fascinating contextual portrait of an enigmatic figure the founding father of one of Ireland's most powerful dynasties      **Legend Truths** Sophia

Curie, AI, 2025-01-31 **Legend Truths** explores the fascinating intersection between documented events and the urban legends they inspire revealing how real incidents transform into the cautionary tales that captivate our collective imagination Through meticulous research combining police reports archival documents and expert interviews the book uncovers the factual foundations behind popular legends like the kidney theft ring stories and haunted highway narratives demonstrating how actual crimes and accidents evolve into modern folklore The book's three part structure systematically traces the evolution of urban legends beginning with an examination of how mass media and digital networks accelerate the transformation of news into myth Through detailed case studies readers discover how documented incidents such as real elevator accidents spawn elaborate cautionary tales that reflect deeper societal fears The analysis draws from multiple disciplines including criminology social psychology and digital anthropology to explain why people continue believing and sharing these stories despite contradicting evidence What sets this work apart is its commitment to verifiable cases and its practical application of folklore studies to contemporary issues Rather than simply debunking myths it demonstrates how urban legends serve as mirrors of cultural anxiety and social change The book's interdisciplinary approach makes it valuable for both academic researchers and general readers interested in understanding how today's digital landscape influences the spread of modern myths and shapes our collective understanding of truth and fiction      *The Story of Faith Missions* Klaus

Fiedler,1994     Encyclopedia of Urban Legends Jan Harold Brunvand,2012-07-16 This revised edition of the original reference standard for urban legends provides an updated anthology of common myths and stories and presents expanded coverage of international legends and tales shared and popularized online From roasted babies to vanishing hitchhikers to housewives in football helmets this exhaustive and highly readable encyclopedia provides descriptions of hundreds of individual legends and their variations examines legend themes and explains scholarly approaches to the genre Revised and expanded to include updated versions of the entries from the award winning first edition this work provides additional entries on a wide range of new topics that include terrorism recent political events and Hurricane Katrina Entries in Encyclopedia of Urban Legends Updated and Expanded Edition discuss the presence of urban legends in comic books literature film music and many other areas of popular culture as well as the existence of too good to be true stories in Argentina China Italy Japan Mexico and several other countries Serving as both an anthology of stories as well as a reference work this encyclopedia will serve as a valuable resource for students and a source book for journalists professional folklorists and others who are researching or interested in urban legends     The Silent Warrior | Official Biography of Damayanti V. Tambay, A Sports Legend, And Her Quest To Bring Back Her Husband, Flt. Lt. V.V Tambay A 1971 Pow Ambreen Zaidi,2025-09-12 What happens when your husband goes to war and never comes back At the peak of her sporting career Damayanti V Tambay a national badminton champion and Arjuna Awardee gave up her sport her dreams and her youth to search for her missing husband In December 1971 Flight Lieutenant Vijay Vasant Tambay was taken as a Prisoner of War during the IndoPak conflict and never returned For over five decades Damayanti has knocked on the doors of governments courts and international forums relentlessly seeking answers Her fight is not just for her husband but for all 54 MissinginAction soldiers of the 1971 war whose fates remain lost in diplomatic silence This book is not just the biography of a remarkable woman It is a story of enduring love unshakable hope and unrelenting courage and a question that still stings Where are our 54 MissinginAction soldiers     **Conflicted Power in Malawian Christianity** Fiedler, Klaus,2015-12-01 The volume constitutes Klaus Fiedler s crowning contribution to scholarship Essays in the first half of the book focus on Malawian Christianity and how contrasting Powers Gospel and Secular engage each other creating social political and cultural conflict in the process In the second half Fiedler examines general missiological themes These essays provide a broader missiological background offering a theoretical framework necessary for appreciating the essays in the first half He concludes with a chapter that reviews selected seminal books on themes under study Throughout the volume Fiedler applies the restorationist revival theory he constructed in The Story of Faith Missions an earlier 1994 work putting emphasis on non classical missions and churches not systematically covered in earlier scholarship This volume the first of its kind on Malawian Christianity will long remain an indispensable text for those interested in Missiology and Malawian Christianity     Interdenominational Faith Missions in Africa Klaus Fiedler,2018-03-13 It was not the European and American churches which evangelised Africa but the

mission societies The missions from the Great Awakening such as the London Missionary Society and Church Missionary Society or the Holy Ghost Fathers and the White Fathers which started the process of Sub Saharan Africa becoming a Christian continent are well known and documented Less known and less documented are the interdenominational faith missions which began in 1873 with the aim of visiting the still unreached areas of Africa North Africa the Sudan Belt and the Congo Basin Missions such as the Africa Inland Mission or Sudan Interior Mission gave birth to some of the big churches like ECWA in Nigeria and Africa Inland Church in Kenya It is the aim of this book to describe faith missions and their theology and to present an overview of the early development of faith missions insofar as they touched Africa **Scottish Urban**

**Myths and Ancient Legends** Grace Banks,Sheena Blackhall,2014-10-06 Monsters lunatics vampires werewolves and evil dolls stones entombing bodies faces appearing in walls curses and meetings with the Devil all this and more are contained within this book of myths and ancient legends Well known storytellers Grace Banks and Sheena Blackhall recount a range of intriguing tales from the top to the bottom of Scotland from ancient times to the present day Folklore embeds itself in a local community often to the extent that some people believe all manner of mysteries and take them as fact Whether they re stories passed around the school playground through the Internet or round a flickering campfire such legends are everywhere Scottish Urban Myths and Ancient Legends is a quirky and downright spooky ride into the heart of Celtic folklore

**Folklore: An Encyclopedia of Beliefs, Customs, Tales, Music, and Art**, Charlie T. McCormick Ph.D.,Kim Kennedy White,2010-12-13 Written by an international team of acclaimed folklorists this reference text provides a cross cultural survey of the major types and methods of inquiry in folklore Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe Have you heard of deathlore a subgenre of folklore involving tombstones coffins cemeteries and roadside memorial shrines Did you realize that UFO sightings and cyber cultures constitute modern folklore The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture While the term folklore conjures images of ancient practices and beliefs or folk heroes and traditional stories it also applies to today s ever changing cultural landscape Even certain aspects of modern Internet based popular culture and contemporary rites of passage represent folklore This encyclopedia covers all the major genres of both ancient and contemporary folklore This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups folk heroes creatures of myth and legend and emerging areas of interest in folklore studies [The Making of a Maverick Missionary](#) Fiedler, Klaus,2016-06-13 All Malawians know their national hero the Rev John Chilembwe who in 1915 protested against colonialism with an armed uprising To understand him it is necessary to understand Joseph Booth who baptized him and took him to America in 1897 to study for the Baptist ministry There in America Booth published his Africa for the African to the intense dislike of the colonial administration Booth was an Evangelical missionary but a maverick among them This book explores what made him the odd man out among

his fellow missionaries by tracing his and his family's life in Auckland and Melbourne arguing that his political involvement must be understood from his specific Baptist background

**Making Evangelical History** Andrew Atherstone, David Ceri Jones, 2019-04-08 This volume makes a significant contribution to the history of ecclesiastical histories with a fresh analysis of historians of evangelicalism from the eighteenth century to the present It explores the ways in which their scholarly methods and theological agendas shaped their writings Each chapter presents a case study in evangelical historiography Some of the historians and biographers examined here were ministers and missionaries while others were university scholars They are drawn from Anglican Baptist Congregationalist Methodist Presbyterian Fundamentalist and Pentecostal denominations Their histories cover not only transatlantic evangelicalism but also the spread of the movement across China Africa and indeed the whole globe Some wrote for a popular Christian readership emphasising edification and evangelical hagiography others have produced weighty monographs for the academy These case studies shed light on the way the discipline has developed and also the heated controversies over whether one approach to evangelical history is more legitimate than the rest As a result this book will be of considerable interest to historians of religion

**Computer Factoids** Kirk Kirksey, 2005-04 Computers are those unfathomable contraptions everyone everywhere loves to hate We can't live with them but we can't live without them Contempt for our byte based existence has developed universal appeal crossing boundaries of culture economics religion and language Everyone you know has a those stupid computers story If you think you have heard it all STOP The digital revolution began in 1951 Computer Factoids chronicles behind the scenes digital weirdness from Day One Kirk Kirksey covers the landscape of computer history cyber legend digital mythology and Internet lore Put away your pocket protector because you won't find any techno babble on these pages Each of these 39 high tech yarns is an easy read with a serious dose of attitude Whether it is a computer powered by rotting potatoes or a symphony performed by obsolete dot matrix printers or a computerized bra equipped with a modem these tales of the digital surreal will make you stand up and shout Honey you're not going to believe this

**Kill or get Killed** Kolawole Oyeyemi, 2014-06-08 Kolawole Oyeyemi's insightful and witty non fiction Kill or Get Killed The Marketing Killer Instinct delves into the high stakes African business environment as the author touches on the marketing intrigues battles and wars that shaped a lot of brands across industries in Africa Kill or Get Killed is a revolutionary marketing classic that borrowed the war metaphor and likened marketing to global politics and wars that are about shareholding struggles Just as nations struggle for how much share of the world's wealth they control Brands and organizations go to war for shares too Marketing wars and battles are fought won and lost for increase leadership and control of shares in various dimensions Kolawole submits that in these wars you either kill or get killed excuses are too costly Meekness is not a virtue for the battlefield It is not an environment for the fainthearted Gentlemen cannot survive the terrain Therefore you need a killer instinct to survive the several battles and win the war Using some of Africa's most famous brands

and products to illustrate his points Kolawole Oyeyemi convincingly show why some brands succeed where others fail He unearths the fatal errors multinational brands commit and also unveils the success stories of multinational brands that understood the peculiarities of the African business terrain and customized their corporate strategies and mode of operations to maximize value The author explains why the future of successful marketing lies in creating brands services and company cultures and philosophies that inspire include and recognize the values and the ever changing tastes and preferences of the target customers Featuring an engaging no holds barred wit case studies and strategic depth Kill or get killed offers a fresh perspective to marketing practice and is a success toolkit for practicing marketers brands and companies that want to invest in Africa and entrepreneurs that require marketing knowledge on the go *The News* ,2008

**Black Students in Imperial Britain** Robert Burroughs,2022-09-15 An Open Access edition of this book is available on the Liverpool University Press website This book caters for the demand in new black histories by rediscovering several little known Black people s experiences in late Victorian Britain It centres on The African Institute of Colwyn Bay or Congo House at which almost 90 children and young adults from Africa and its diaspora were enrolled to train as missionaries between 1889 and 1911 Burroughs finds that though their encounters in Britain were shaped by the racism and paternalism of the late nineteenth century civilising mission the students were not simply the objects of British charity They were also agents in a culture of evangelical humanitarianism Some were fully absorbed in the civilising mission becoming leading missionaries Others adapted their experiences to new ends participating in networks of pan Africanism that questioned race prejudice and colonialism In their negotiations of the challenges and opportunities at the heart of the empire the students of Congo House reveal how the global currents of black history shaped the localised cultures of Victorian philanthropy From racism to pan Africanism this study sheds new light on key issues in black British history
