**The Haunted Universe** Lauren West, 2013 In the town of Tundra they had always had a strong connection with the stars and the universe They guided their lives by mapping the stars and had a deep sense of magical spiritualism It was not until a galactic force got greedy and started to claim power over the galaxy Porco that the town's people of Tundra gave up their lives to fight the forces of evil Because without the stars to guide them how could they find their way The Haunted

Universe D. Scott Rogo, 1977 Breaking through the inhibitions of the field of parapsychology D Scott Rogo explores the possibility and examines the evidence that we are actually populating our universe with psychic creations beings objects and other phenomena that have taken on a physical reality and are now haunting our planet At first glance one could dismiss this book as ingenuous but in fact it is both well considered and brave It is a rational discussion of phenomena which if true would be considered parapsychological but which even parapsychologists tend to reject out of hand even as their critics dismiss phenomena parapsychologists consider legitimate Rogo treats such taboo topics as teleportation religious miracles weeping and bleeding statues materializations mysterious lights and apparitions associated with religious figures psychic phenomena associated with UFOs the reality of evil and types of Fortean phenomena likely to have a psi explanation Exceptional Human Experience Network **Outward Forms, Inner Springs** D.
