The Heartbreak Lounge:

The Heartbreak Lounge Wallace Stroby, 2024-05-01 Stroby continues to show a real flair for blending noir into a tightly plotted fireball of suspense in his second novel an action packed story Florida Sun Sentinel Ex state trooper Harry Rane who first appeared in Wallace Stroby's brilliant debut novel *The Barbed Wire Kiss* is at loose ends Doing some investigative work for a friend's firm just to keep himself busy Harry meets Nikki Ellis a woman desperate for help Her ex Johnny Harrow was just released from prison after a seven year stretch for attempted murder Nikki hasn't spoken to him since he went down but she knows what he's capable of and that he'll be looking for her and for the baby she put up for adoption after Johnny went away She knows it's up to her to protect the child once again And she's afraid As Harry finds out she should be Johnny is headed home to New Jersey to settle up with anyone who did him wrong while he was gone including Nikki and his former employer mobster Joey Alea Then he's planning to find his son and start a new life Johnny starts at the Heartbreak Lounge where Nikki was a dancer when she first met Johnny and works his way through their old life leaving a trail of blood and fear in his wake Only Harry might be tough enough or reckless enough to help her What happens next shows why the searing talent and explosive writing evident in *The Barbed Wire Kiss* was only the beginning and why Wallace Stroby is destined to be one of the finest crime writers of a generation Stroby's second Rane storm is even better Chicago Tribune *The Heartbreak Lounge* Wallace Stroby, 2005-02 Taking the case of Nikki Ellis who is seeking protection from her recently released ex boyfriend former state trooper Harry Rane learns that the boyfriend is out to exact revenge from anyone he believes crossed him

Shoot the Woman First Wallace Stroby, 2025-06-25 A half million dollars in drug proceeds guarded by three men with automatic weapons For Wallace Stroby's determined heroine professional thief Crissa Stone and her team stealing it was the easy part But when the split goes awry in a blaze of gunfire Crissa finds herself on the run with a duffel bag of stolen cash bound by a promise to deliver part of the take to the needy family of one of her slain partners In pursuit are the drug kingpin's lethal lieutenants and a former Detroit cop with his own deadly agenda They think the money's there for the taking for whoever finds her first But Crissa doesn't plan to give it up without a fight even as her mission of mercy puts her and a young child in mortal danger with forces on both sides of the law closing in After all a debt is a debt even if it has to be paid in blood With *Shoot the Woman First* Wallace Stroby delivers another powerful lyrical novel his third featuring one of the most original female characters in hardboiled fiction *Gone 'til November* Wallace Stroby, 2010-01-19 Acclaimed crime writer Wallace Stroby delivers a gripping novel in *Gone til November* that is part modern noir part intense character study and totally compelling from start to finish It's late at night when Florida sheriff's deputy Sara Cross arrives at the scene of a roadside shooting along a deserted highway Another deputy Billy Flynn her former partner who also happens to be her former lover has fatally shot a twenty two year old man during what started out as a routine traffic stop and she's the first to arrive on the scene He claims that the man pulled a gun and that when he didn't respond to Billy's

commands to drop it Billy shot him Billy is clearly upset shaken up Sarah sees the gun in the dead man s hand and the bag of illegal weapons in the trunk of his car and believes Billy s actions were justified Up north in New Jersey Mikey Mike runs a major drug operation and is tightening his hold on the competition making a deal with a new supplier Morgan a middle aged enforcer for Mikey who s been in the life too long would like to make one last score walk away and retire for good Mike asks Morgan to head to Florida to find out what s holding up his new deal and Morgan sees the job as a possibility for his last big payday As more details of the roadside shooting emerge with Sara s investigation and as Morgan follows the trail Mikey lays out for him the two storylines begin to merge into a much darker more menacing scenario than either Morgan or Sara

imagined Sara in order to protect herself and her son must follow the truth no matter where it leads **Kings of Midnight** Wallace Stroby,2024-08-06 Crissa Stone is a career criminal who has pulled a number of impressive heists by knowing how to keep her mouth shut and her temper in check Still as good as she is she wants to get out of the life All she needs is one last big score enough to bribe her lover s way out on parole set up a safe and stable new life and get her daughter back However things keep going wrong like when her last two partners lost their cool and fought over the take instead of walking away 150K richer The mess they made of the job and each other has put her on the run again She s not the only one Benny Roth a former mobster has been straight for years but now he has his own problems A face from the past has popped up to tell him that boss Joey Dio is finally dead and to ask about the five million dollars that Joey was rumored to have stashed away years ago Benny denies knowing anything about it and claims he s out of the business That may be what he says but he s willing to risk almost everything for one last shot With the law and mobsters on the lookout and five million dollars on the line it isn t long before Crissa and Benny find themselves on a collision course that neither of them can avoid This hard boiled world where the stakes and the risks are always high unfolds at breakneck speed in *Kings of Midnight* another dark and thrilling masterwork of crime fiction from Wallace Stroby *Idlewild* Ronald J. Stephens,2013-09-30 An in depth study of an

important African American resort town and the intersections among race class tourism entertainment and historic preservation in the United States [Christmas Crimes at The Mysterious Bookshop](#) Otto Penzler,2024-10-22 Twelve festive crime stories set in New York City s beloved mystery bookstore The oldest mystery specialty bookstore in the world The Mysterious Bookshop has for most of its forty five year history commissioned an original short story as a holiday gift for its customers Written exclusively for the store and never published elsewhere the stories were given as a holiday gift to its customers as a thank you for their business handed out or mailed between Thanksgiving and New Year s Day The prompt for the story requires three elements that it be set at Christmastime that it involve a crime of some kind or the suspicion of one and that it be set at least partially in the bookstore And from these loose structural guidelines diverse tales took flight The dozen tales included in this volume are among the finest to be produced in this annual tradition sure to charm any reader looking for a holiday themed escape Included herein are the ingenious *Snowflake Time* by Laura Lippman *Lyndsay Faye* s
