## **The Hungry Stream Essays On Emigration And Famine:**

*The Hungry Stream* E. Margaret Crawford,1997      Trauma and the Memory of Politics Jenny Edkins,2003-07-31 In this interesting study Jenny Edkins explores how we remember traumatic events such as wars famines genocides and terrorism and questions the assumed role of commemorations as simply reinforcing state and nationhood Taking examples from the World Wars Vietnam the Holocaust Kosovo and September 11th Edkins offers a thorough discussion of practices of memory such as memorials museums remembrance ceremonies the diagnosis of post traumatic stress and the act of bearing witness She examines the implications of these commemorations in terms of language political power sovereignty and nationalism She argues that some forms of remembering do not ignore the horror of what happened but rather use memory to promote change and to challenge the political systems that produced the violence of wars and genocides in the first place This wide ranging study embraces literature history politics and international relations and makes a significant contribution to the study of memory

**Literature and the Irish Famine 1845-1919** Melissa Fegan,2002-08-08 The impact of the Irish famine of 1845 1852 was unparalleled in both political and psychological terms The effects of famine related mortality and emigration were devastating in the field of literature no less than in other areas In this incisive new study Melissa Fegan explores the famine s legacy to literature tracing it in the work of contemporary writers and their successors down to 1919 Dr Fegan examines both fiction and non fiction including journalism travel narratives and the Irish novels of Anthony Trollope She argues that an examination of famine literature that simply categorizes it as minor or views it only as a silence or an absence misses the very real contribution that it makes to our understanding of the period This is an important contribution to the study of Irish history and literature sharply illuminating contemporary Irish mentalities

**The Great Famine** Ciarán Ó Murchadha,2011-06-02 Over one million people died in the Great Famine and more than one million more emigrated on the coffin ships to America and beyond Drawing on contemporary eyewitness accounts and diaries the book charts the arrival of the potato blight in 1845 and the total destruction of the harvests in 1846 which brought a sense of numbing shock to the populace Far from meeting the relief needs of the poor the Liberal public works programme was a first example of how relief policies would themselves lead to mortality Workhouses were swamped with thousands who had subsisted on public works and soup kitchens earlier and who now gathered in ragged crowds Unable to cope workhouse staff were forced to witness hundreds die where they lay outside the walls The next phase of degradation was the clearances or exterminations in popular parlance which took place on a colossal scale From late 1847 an exodus had begun The Famine slowly came to an end from late 1849 but the longer term consequences were to reverberate through future decades

**Ireland's Great Famine in Irish-American History** Mary Kelly,2013-11-18 Ireland s Great Famine in Irish American History Enshrining a Fateful Memory offers a new concise interpretation of the history of the Irish in America Author and distinguished professor Mary Kelly s book is the first synthesized volume to track Ireland s Great Famine within America s

immigrant history and to consider the impact of the Famine on Irish ethnic identity between the mid 1800s and the end of the twentieth century Moving beyond traditional emphases on Irish American cornerstones such as church party and education the book maps the Famine s legacy over a century and a half of settlement and assimilation This is the first attempt to contextualize a painful memory that has endured fitfully and unquestionably throughout Irish American historical experience

**The Famine Irish** Ciaran Reilly,2016-04-04 From a range of leading academics and historians this collection of essays examines Irish emigration during the Great Famine of the 1840s From the mechanics of how this was arranged to the fate of the men women and children who landed on the shores of the nations of the world this work provides a remarkable insight into one of the most traumatic and transformative periods of Ireland s history More importantly this collection of essays demonstrates how the Famine Irish influenced and shaped the worlds in which they settled while also examining some of the difficulties they faced in doing so

**Palmerston** David Brown,Professor of Modern History David Brown,2011-02-01 A grand and fascinating figure in Victorian politics the charismatic Lord Palmerston 1784 1865 served as foreign secretary for fifteen years and prime minister for nine engaged in struggles with everyone from the Duke of Wellington to Lord John Russell to Queen Victoria and Prince Albert engineered the defeat of the Russians in the Crimean War and played a major role in the development of liberalism and the Liberal Party This comprehensive biography informed by unprecedented research in the statesman s personal archives gives full weight not only to Palmerston s foreign policy achievements but also to his domestic political activity political thought life as a landlord and private life and affairs Through the lens of the milieu of his times the book pinpoints for the first time the nature and extent of Palmerston s contributions to the making of modern Britain

**Migration in Irish History 1607-2007** Patrick Fitzgerald,Brian Lambkin,2008-10-27 Migration people moving in as immigrants around as migrants and out as emigrants is a major theme of Irish history This is the first book to offer both a survey of the last four centuries and an integrated analysis of migration reflecting a more inclusive definition of the people of Ireland

**Irish Nationalism and the British State** Brian Jenkins,2006-05-12 Drawing on an immense body of literature and research Brian Jenkins analyses the forces that shaped mid nineteenth century Irish nationalism in Ireland and North America as well as the role of the Roman Catholic Church He outlines the relationship between newly arrived Irish Catholic immigrants and their hosts and the pivotal role of the church in maintaining a sense of exile particularly among those who had fled the famine Jenkins also explores the essential Irishness of the revolutionary movement and the reasons why it did not emerge in the two other nations of the United Kingdom Scotland and Wales

*The American Irish* Kevin Kenny,2014-07-22 *The American Irish* A History is the first concise general history of its subject in a generation It provides a long overdue synthesis of Irish American history from the beginnings of emigration in the early eighteenth century to the present day While most previous accounts of the subject have concentrated on the nineteenth century and especially the period from the famine 1840s to Irish independence 1920s *The American Irish* A History incorporates the Ulster Protestant

emigration of the eighteenth century and is the first book to include extensive coverage of the twentieth century Drawing on the most innovative scholarship from both sides of the Atlantic in the last generation the book offers an extended analysis of the conditions in Ireland that led to mass migration and examines the Irish immigrant experience in the United States in terms of arrival and settlement social mobility and assimilation labor race gender politics and nationalism It is ideal for courses on Irish history Irish American history and the history of American immigration more generally New Directions in Celtic Studies Amy Hale, Philip Payton, 2000 The primary aim of New Directions in Celtic Studies is to focus on contemporary issues and to promote interdisciplinary approaches within the subject Written by international scholars and practitioners in fields such as folklore ethnomusicology art history religious studies tourism and education the book brings together in one volume a wide range of perspectives It responds to the recent questioning of the viability of the notion of Celticity and the idea of Celtic Studies as a discipline and points to a renewed vitality in the subject New Directions in Celtic Studies is divided into four sections popular culture and representation commodities and Celtic lifestyles contemporary Celtic identity and the Celtic diaspora Celtic praxis **Irish Global Migration and Memory** Marguerite Corporaal, Jason King, 2018-03-08 Irish Global Migration and Memory Transnational Perspectives of Ireland's Famine Exodus brings together leading scholars in the field who examine the experiences and recollections of Irish emigrants who fled from their famine stricken homeland in the mid nineteenth century The book breaks new ground in its comparative transnational approach and singular focus on the dynamics of cultural remembrance of one migrant group the Famine Irish and their descendants in multiple Atlantic and Pacific settings Its authors comparatively examine the collective experiences of the Famine Irish in terms of their community and institution building cultural ethnic and racial encounters with members of other groups and especially their patterns of mass migration integration and remembrance of their traumatic upheaval by their descendants and host societies The disruptive impact of their mass arrival had reverberations around the Atlantic world As an early refugee movement migrant community and ethnic minority Irish Famine emigrants experienced and were recollected to have faced many of the challenges that confronted later immigrant groups in their destinations of settlement This book is especially topical and will be of interest not only to Irish migration and refugee scholars but also the general public and all who seek to gain insight into one of Europe's foundational moments of forced migration that prefigures its current refugee crisis This book was originally published as a special issue of Atlantic Studies Global Currents The Oxford Handbook of Modern Irish History Alvin Jackson, 2014-03-27 The study of Irish history once riven and constricted has recently enjoyed a resurgence with new practitioners new approaches and new methods of investigation The Oxford Handbook of Modern Irish History represents the diversity of this emerging talent and achievement by bringing together 36 leading scholars of modern Ireland and embracing 400 years of Irish history uniting early and late modernists as well as contemporary historians The Handbook offers a set of scholarly perspectives drawn from numerous disciplines including history political science literature geography and the Irish

language It looks at the Irish at home as well as in their migrant and diasporic communities The Handbook combines sets of wide thematic and interpretative essays with more detailed investigations of particular periods Each of the contributors offers a summation of the state of scholarship within their subject area linking their own research insights with assessments of future directions within the discipline In its breadth and depth and diversity The Oxford Handbook of Modern Irish History offers an authoritative and vibrant portrayal of the history of modern Ireland

**Place, Culture and Community** Johanne Devlin Trew, 2009-10-02 The Ottawa Valley is a region of Canada straddling the Ottawa River in Ontario and Quebec that is well known for its rich singing storytelling fiddling and step dancing traditions Settled largely by the Irish Scots and the French over the past two hundred years it had largest concentration of people of Irish origin in Canada by the late 19th century Travelling through the Valley one gets the sense of coming face to face with the past While its dramatic history is filled with incidents of extreme hardship and tragedy the overriding impression is of a triumphant survivalism associated with its strong men of the past the voyageurs the coureurs du bois and the lumbermen The legacy of this unique heritage from fiddling and step dancing to tales of priests lumberman and Orange and Green rivalries is explored in this book through the voices of Valley people themselves The author reveals the importance of place and history in the transmission of this vibrant regional culture down to the present day

**The Removal of Irish Paupers from Britain** Lewis Darwen, Donald MacRaild, 2024-11-29 During the nineteenth century local officials sought to deal with their Irish pauper problem by removing these poor migrants back to Ireland under the laws of settlement and removal Over the course of the century hundreds of thousands of Irish paupers were forcibly repatriated in this way Even though the settlement rights of Irish immigrants gradually improved over time removals were still taking place into the twentieth century The system was widely recognised as being cruel and unfair especially in Ireland where the removal of Irish paupers from Britain garnered considerable political and press attention Much was made of the illegality of some removals and of harsh removals involving widowed women children and the elderly This book which is the first sustained study of repatriation from Britain demonstrates a persistent theme the marginal nature of Irish life on the larger island Drawing on extensive research from newspaper sources and parliamentary papers it presents an original and richly detailed perspective on Irish immigration poverty and pauperism in nineteenth century Britain

**Ribbon Societies in Nineteenth-century Ireland and Its Diaspora** Kyle Hughes (Lecturer in British history), Donald M. MacRaild, 2018 This is the first full length study of Irish Ribbonism tracing the development of the movement from its origins in the Defender movement of the 1790s to the latter part of the century when the remnants of the Ribbon tradition found solace in a new movement the quasi constitutional affinities of the Ancient Order of Hibernians Placing Ribbonism firmly within Ireland's long tradition of collective action and protest this book shows that owing to its diversity and adaptability it shared similarities but also stood apart from the many rural redresser groups of the period and showed remarkable longevity not matched by its contemporaries The book describes

the wider context of Catholic struggles for improved standing explores traditions and networks for association and it describes external impressions Drawing on rich archives in the form of state surveillance records show trial proceedings and press reportage the book shows that Ribbonism was a sophisticated and durable underground network drawing together various strands of the rural and urban Catholic populace in Ireland and Britain Ribbon Societies in Nineteenth Century Ireland and its Diaspora is a fascinating study that demonstrates Ribbonism operated more widely than previous studies have revealed

**Irish Migrants in Modern Wales** Paul O'Leary, 2004-01-01 A collection of essays the contributors to this volume describe the experiences of Irish migrants who moved to Wales The essays also examine in depth the social and cultural impact the Irish immigrants made on the country

**The Hidden Famine** Prof. Christine Kinealy, Gerard MacAtasney, 2000-09-20 Between 1845 and 1852 Ireland was devastated by the Great Hunger the most severe famine in modern European history The view widely held by historians is that the impact of the Famine on the northern province of Ulster in particular the largely Protestant city of Belfast was minimal In the first book on the Famine to focus specifically on Belfast Christine Kinealy one of Ireland's leading historians of the period and Gerard MacAtasney challenge this view and offer a new interpretation Drawing on a wealth of original research Kinealy and MacAtasney begin with an examination of society and social behaviour in Belfast prior to 1845 They then assess the official response to the crisis by the British government the response by the Church in both England and Ireland and the part played by the local administration in Ulster The authors examine the impact of the cholera epidemic on Belfast in 1849-50 the city's recovery after the Famine and the beginnings of open sectarianism among the business and landed classes of the province

Imperial spaces Lindsay Proudfoot, Dianne Hall, 2013-07-19 Imperial spaces takes two of the most influential minority groups of white settlers in the British Empire the Irish and the Scots and explores how they imagined themselves within the landscapes of its farthest reaches the Australian colonies of Victoria and New South Wales Using letters and diaries as well as records of collective activities such as committee meetings parades and dinners the book examines how the Irish and Scots built new identities as settlers in the unknown spaces of Empire Utilizing critical geographical theories of place as the site of memory and agency it considers how Irish and Scots settlers grounded their sense of belonging in the imagined landscapes of south east Australia Imperial spaces is relevant to academics and students interested in the history and geography of the British Empire Australia Ireland and Scotland

**Commemorating the Irish Famine** Emily Mark-FitzGerald, 2015-02-05 Commemorating the Irish Famine Memory and the Monument explores the history of the 1840s Irish Famine in visual representation commemoration and collective memory from the 19th century until the present across Ireland and the nations of its diaspora explaining why since the 1990s the Famine past has come to matter so much in our present
