Ludwig Edelstein

The Hypocritical Oath:

The Hippocratic Oath Ludwig Edelstein, 1943 *Institute of the History of Medicine* The Hippocratic Oath and the Ethics of Medicine Steven H. Miles, 2005-06-02 This engaging book examines what the Hippocratic Oath meant to Greek physicians 2400 years ago and reflects on its relevance to medical ethics today Drawing on the writings of ancient physicians Greek playwrights and modern scholars each chapter explores one of its passages and concludes with a modern case discussion The Oath proposes principles governing the relationship between the physician and society and patients It rules out the use of poison and a hazardous abortive technique It defines integrity and discretion in physicians speech The ancient Greek medical works written during the same period as the Oath reveal that Greek physicians understood that they had a duty to avoid medical errors and learn from bad outcomes These works showed how and why to tell patients about their diseases and dire prognoses in order to develop a partnership for healing and to build the credibility of the profession Miles uses these writings to illuminate the meaning of the Oath in its day and in so doing shows how and why it remains a valuable guide to the ethical practice of medicine This is a book for anyone who loves medicine and is concerned about the ethics and history of this profession *The Hippocratic Oath* Ludwig Edelstein, 1954 The Hypocritical Oath Frederick Lukash, MD, 2025-06-14 In the heat and heart of New Orleans secrets fester like wounds Ten ambitious medical students once made a private pact if faced with a terminal illness they'd take fate into their own hands The Hippocratic Oath of do no harm became do not suffer It was supposed to be hypothetical A show of defiance against death itself Decades later members of the group start turning up dead Set in the backdrop of Hurricane Katrina Where is the line between mercy and murder **The Hippocratic Oath** Hippocrates, 1943 *Hippocrates' Oath and Asclepius' Snake* T.A. Cavanaugh, 2017-11-01 T A Cavanaugh's Hippocrates Oath and Asclepius Snake The Birth of the Medical Profession articulates the Oath as establishing the medical profession's unique internal medical ethic in its most basic and least controvertible form this ethic mandates that physicians help and not harm the sick Relying on Greek myth drama and medical experience e.g. homeopathy the book shows how this medical ethic arose from reflection on the most vexing medical ethical problem injury caused by a physician and argues that deliberate iatrogenic harm especially the harm of a doctor choosing to kill physician assisted suicide euthanasia abortion and involvement in capital punishment amounts to an abandonment of medicine as an exclusively therapeutic profession The book argues that medicine as a profession necessarily involves stating before others what one stands for the good one seeks and the bad one seeks to avoid on behalf of the sick and rejects the view that medicine is purely a technique lacking its own unique internal ethic It concludes noting that medical promising as found in the White Coat Ceremony through which U.S. medical students matriculate implicates medical autonomy which in turn merits respect including honoring professional conscientious objections *Hippocrates Now* Helen King, 2019-11-14 This book is available as open access through the Knowledge Unlatched programme and is available on www.bloomsburycollections.com We need to talk

about Hippocrates Current scholarship attributes none of the works of the Hippocratic corpus to him and the ancient biographical traditions of his life are not only late but also written for their own promotional purposes Yet Hippocrates features powerfully in our assumptions about ancient medicine and our beliefs about what medicine and the physician himself should be In both orthodox and alternative medicine he continues to be a model to be emulated This book will challenge widespread assumptions about Hippocrates and in the process about the history of medicine in ancient Greece and beyond and will also explore the creation of modern myths about the ancient world Why do we continue to use Hippocrates and how are new myths constructed around his name How do news stories and the internet contribute to our picture of him And what can this tell us about wider popular engagements with the classical world today in memes quotes and online

Propri C. Richard Bell, 2024-03-23 I woke up one morning sometime in 2001 and in between sleep and wakefulness I was thinking about what I had to get up and do Actually I was telling myself to get up and take care of the day s task Later that evening I started working on a manuscript that began almost two years earlier I decided quite spontaneously to revise the beginning of the first chapter with what I was saying to myself that morning I basically started using the book to talk to myself I went from writing in the first person to writing in dialogue Not only did the way the book was written change but so did the substance purpose and intent Over the next few days months and years I would often find myself writing in the present which can read throughout the book I was not writing from hindsight I was expressing thoughts for the first time as I wrote them The book is large in scope and without a particular genre Thoughts and emotions don t happen in category or chronological order Nor are the thoughts and emotions of a reader categorized in chronology The book speaks about addiction and recovery yet is not a book about addiction and recovery It speaks upon the contrast and ultimate uniting of one s intellectual facilities and those of will and desire Yet it is not a philosophical book It speaks upon the evolution from atheism to acknowledging divine reality but it is not a theological book It speaks of the vulnerability and struggles of a young black male seeking manhood but it is not a book about the black struggle I detail the endeavor to become a better person and the inevitable pitfalls but it is not a book about overcoming It is however a book about the ever changing reality of life regardless of the fallacious idea that people stay the same Since the book was more than 25 years in the making and a large part of it was written in the present the book had no choice but to change as did the author When I started writing in the Fall of 1998 I figured it would take about a year or two to finish the book By the fall of the next year I had the first 3 chapters completed and was working on the fourth On November 23 1999 two days before I was to turn 30 my mother committed suicide From there I would dive deep into alcohol addiction set myself on fire and be a hospital ride away from death after being stabbed 6 times with a 7 inch boning knife Ultimately this book is about the inverted order of life that must be turned upside down and put into order The order of love because anyone who loves desires to be loved The order of wisdom because it is the means to practice love And the order of service to others as the substance form and purpose of life itself I wrote about what I had lived

while I was living it Just prior to completing the manuscript I realized that writing a book helped me survive while circling the brink of death **A Scalpel's Edge** Stephen Dorrian,2012-08-05 A Scalpel s edge is a dark novella that follows a chief surgeon whose skill is unparalleled He can perform the most complex procedures with minimal effort The thrill of the operating room used to be the reason he went to work now his life has become a boring routine where he can perform the operations almost robotically with little challenge coupled with a stagnant marriage he finds himself drifting through life One day during a routine operation something happens that has never happened before he makes a mistake He must think on his feet to save the patients life He feels alive for the first time in a long time the adrenaline flows through his veins and he feels challenged After the operation he returns to the monotony of his life but soon finds himself craving that feeling once more that thrill that fix He starts on a dark path that leads to him sabotaging operations deliberately for the thrill playing Russian roulette with his patient s lives for his own pleasures **Hippocratic Oath** Ludwig Edelstein,1979-01-01 Cadaver & Queen

Alisa Kwitney,2018-02-27 Alisa Kwitney has an understanding of human foibles and follies and a light intelligent touch that marks her as an author to watch and enjoy 1 New York Times bestselling author Neil Gaiman Frankenstein meets Marissa Meyer s Cinder in this tightly paced historical thriller packed with secrets betrayal and steamy romance When Elizabeth Lavenza enrolled at Ingold as its first female medical student she knew she wouldn t have an easy time From class demands to being an outsider among her male cohorts she ll have to go above and beyond to prove herself So when she stumbles across what appears to be a faulty Bio Mechanical one of the mechanized cadavers created to service the school she jumps at the chance to fix it and get ahead in the program Only this Bio Mechanical isn t like the others This one seems to have thoughts feelings and self awareness Soon Elizabeth realizes that it is Victor Frankenstein a former student who died under mysterious circumstances Suddenly Elizabeth finds herself entwined in his dark secrets ones he might have been murdered to keep buried Fiendishly clever and gorgeously romantic Alisa Kwitney spins an electrifying tale of beautiful monsters and mad scientists that will keep your nerves tingling and your heart racing long into the night Carol Goodman New York Times bestselling author of The Metropolitans Fans of Marissa Meyer s Lunar Chronicles will enjoy this Kirkus In this inventive Victorian era steampunk tale Kwitney blends elements of murder mystery classic science fiction and gothic romance all cleverly framed around a Beauty and the Beast take on Frankenstein Booklist A dark thrilling and ingenious riff on the Frankenstein legend M R Carey author of The Girl with All the Gifts Strikingly written and impeccably conjured Gwenda Bond author of the Lois Lane series It swept me right away Delia Sherman author of The Great Detective

Carnage Vol. 1 RAM. V.,2024-05-01 Collects Web of Carnage 1 and Carnage 2023 1 4 Carnage shall inherit the Earth Every symbiote needs a host And for Carnage there has only ever been one host who has made it feel whole It s time for a reunion Meanwhile Flash Thompson has become convinced that a series of increasingly horrifying murders are all connected As Flash puts the pieces together get ready for Anti Venom vs Carnage an all out symbiote slugfest Plus While a reborn

Cletus Kasady exacts his vengeance on an unsuspecting city the Carnage symbiote remains adrift among the stars The symbiote only has a few hurdles left before its glorious ascension to the throne of the King in Black and the first is named Morlun

This May Hurt a Bit Stephen Skyvington,2019-02-02 How might we fix Canada s health care system why would we want to and what s stopping us from doing so These three questions lie at the very heart of *This May Hurt a Bit*

The New Mammoth Book Of Pulp Fiction Maxim Jakubowski,2014-02-20 Pulp fiction has been looked down on as a guilty pleasure but it offers the perfect form of entertainment the very best storytelling filled with action surprises sound and fury In short all the exhilaration of a roller coaster ride The 1920s in America saw the proliferation of hundreds of dubiously named but thrillingly entertaining pulp

magazines in America Black Mask Amazing Astounding Spicy Stories Ace High Detective Magazine Dare Devil Aces It was in these luridly coloured publications printed on the cheapest pulp paper that the first gems began to appear The one golden rule for writers of pulp fiction was to adhere to the art of storytelling Each story had to have a beginning an end economically etched characters but plenty going on both in terms of action and emotions Pulp magazines were the TV of their day plucking readers from drab lives and planting them firmly in thrilling make believe successors to the Victorian penny dreadfuls of writers such as Sir Arthur Conan Doyle and Charles Dickens These stories exemplify the best of crime and mystery pulp fiction its zest speed rhythm verve and commitment to straightforward storytelling spanning seven decades of popular writing

San Francisco Noir 2 Peter Maravelis, 2009-02-01 Dashiell Hammett and William Vollmann are just two treats in this stellar sequel to the smash hit original volume of San Francisco Noir

Embracing the Melody of Expression: An Emotional Symphony within **The Hypocritical Oath**

In some sort of taken by monitors and the ceaseless chatter of quick transmission, the melodic elegance and emotional symphony produced by the published term usually diminish in to the background, eclipsed by the constant noise and distractions that permeate our lives. But, located within the pages of **The Hypocritical Oath** a marvelous fictional treasure brimming with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, this fascinating masterpiece conducts visitors on a psychological journey, skillfully unraveling the concealed tunes and profound influence resonating within each cautiously constructed phrase. Within the depths of this emotional evaluation, we will examine the book is key harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
