The Image Of Our Lord:

Miraculous Images of Our Lord Joan Carroll Cruz, 1995-07 42 miraculous manifestations of Our Lord from all over the world Includes careful research on the Shroud of Turin and Veronica s Veil as well as accounts of lesser known images such as the Crucifix which spoke to St Thomas Aquinas the Crucifix of Limplias and many more *The Image of Christ* Dr Gabriele Finaldi, 2000 This book and the exhibition it accompanies express the confidence that modern secular audiences can engage with the masterpieces of Christian art at an emotional as well as a purely aesthetic or historical level Their aim is to help the viewer understand these pictures by focusing attention on the purpose for which they were made and exploring why they might have meant to their original viewers **Jesus Christ Our Lord** C. Norman Kraus, 2004-08-06 In response to readers comments this revised edition provides helpful clarifications charts and expanded notes and references Kraus in a theological description of Jesus Christ offers answers to questions of Jesus identity and the nature of the revelation salvation which came through him This anticipates his volume *God Our Savior* dealing with implications of Christ s revelation for other data of theology such as God humankind the Holy Spirit church and eschatology For many years the idea of vicarious suffering to atone for the sins of humanity has not been self evident in Western culture to say nothing of the cultures of Asia Western theologians have presupposed Roman categories of guilt and legal penalty as the framework for their explanations However this has been unsatisfactory in cultures where social tradition and shame are primary moral sanctions Observing that the biblical cultural context was more oriented to shame than to a legal concept of guilt Kraus has reinterpreted the meaning and efficacy of the cross as the means of God s salvation Such a reinterpretation requires that one also reevaluate the theological definition of Jesus person How one understands what he did for us is closely related to how one understands who he was His identity and role mutually impact each other Thus one must ask Who was this one who reconciled us to God by suffering the shame of our sin In answer Kraus finds concepts of self identity and self revelation most helpful Jesus the self revelation of God to us is God giving himself to us That self revelation comes as a self giving and only in the form of a genuinely personal historical and human relationship In all of this the author intends to present an authentically biblical picture of Jesus but in the context of modern language and thought forms *Scriptural views of our Lord Jesus Christ, as the creator, upholder and redeemer of the world; or, Looking unto Jesus* John FITZ GERALD (M.A.), 1835 **The Following of Christ** John Tauler, 1886 **The Scripture Testimonies to the Divinity of Our Lord Jesus Christ, Collected and Illustrated** George Holden (Incumbent of Maghull.), 1820 A sermon [on John iii. 5] on our Lord's Human Nature in which it is shewn from Scripture that Jesus Christ took our nature entirely free from all taint of sin.
