The Image of Spiritual Liberty in the Western Sufi Movement Following Hazrat Inayat Khan Karin Jironet,2002 This is a

study of how present day Sufis following Hazrat Inayat Khan seek to experience spiritual liberty in daily life Hazrat Inayat Khan 1882 1927 was an Indian mystic who left for America in 1910 in order to bring a universal Sufi Message to the Western world His teachings The Sufi Message describe Unity of Being as the mystical relationship between God man and creation The Sufi Movement is an international organisation of people following the Sufi Message It functions as a framework for people searching an embodied spirituality that transcends the varieties of religious beliefs This study reveals dimensions of the individual s spiritual and psychological development and shows how this is prompted by guidance and esoteric practices The individual s development process involves different important elements including gradual annihilation of the ego and assimilation of more complex images of the self Self realisation is pictured as an outcome of this process Personal experience of God within is seen significant for self realisation In addition to the individual and organisational dimensions explored this book also gives insight into the historical development of the Sufi Movement and its reception in The Netherlands

immanence & incarnation Salusbury Fynes Davenport, **Church Dogmatics The Doctrine of God, Volume 2, Part 1** Karl Barth, 2003-11-01 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth s theology found its expression mainly through his closely reasoned fourteen part magnum opus Die Kirchliche Dogmatik Having taken over 30 years to write the Church Dogmatics is regarded as one of the most important theological works of all time and represents the pinnacle of Barth s achievement as a theologian T T Clark International is now proud to be publishing the only complete English translation of the Church Dogmatics in paperback **Is There a Future for God's Love?** Henry H. Knight, 2012 Is postmodernism right Henry Knight says No by interpreting evangelical theology s insistence on religious experience and the transformed heart that is faithfully lived out in community God Spoke Once, I Heard Twice Rabbi Dr. Hillel Goldberg, 2024-12-15 Moving from cosmology to creativity to criminology the Torah explores the breadth of human existence ethics and ritual narratives of Patriarchs and Matriarchs history and a philosophy of history all of these drive the first five books of Hebrew Scripture But as Rabbi Hillel Goldberg explains in this probing and insightful commentary these sacred texts are governed by one idea one God God blesses the human being with power and also imposes limits A human being may not kill not commit any sacrilege not act unjustly God retains ultimate power including the prerogative to make ethical ritual and spiritual laws which fill the Torah The Torah is a kaleidoscope and Rabbi Goldberg refracts it through its fifty four prisms its fifty four chapters But a single reality undergirds all one God Rabbi Goldberg s exploration of the diversity of disciplines in the Torah demonstrates how naturally the idea of monotheism emerges In Genesis God chooses one family to carry out His mission in history The book of Exodus narrates God s liberation of this family s descendants in order to bring His mission to fruition Leviticus details the laws by which God s people serve Him through ethics ritual even agriculture Numbers begins with the metahistory of God s people as He sustains it with manna and guides it with a pillar of fire and a pillar of cloud then

resumes the history of His people as it wages war and prepares to conquer the promised land Fearful of idolatry there Moses in Deuteronomy concludes his exhortation to remain faithful to the invisible presence of God Bible commentary according to Rabbi Goldberg should mirror the many ways God enters into the human experience Offering philosophic inquiry personal reflection and fresh exegesis plus a touch of poetry humor and storytelling God Spoke Once I Heard Twice is a brilliant learned and inspired contribution to an ongoing chronicle of faith *The Standard* ,1903

DEFENDING CHRISTIANITY Alfred Ernest Garvie,2022-06-04 Garvie offers the reader an overview of arguments for Christianity on subjects varying from the existence of God to eschatology Alfred Ernest Garvie shows us the magnificence of the faith instead of becoming weighed down by tiresome arguments He systematically covers every significant Christian teaching making this handbook a valuable reference for believers and unbelievers alike looking for appealing summaries of specific doctrines *Notes on the Holiness of God* David E. Willis,2002 According to Willis confusion about God s holiness is due to the mistake of treating transcendence and immanence as opposites and subsuming holiness almost exclusively under God s transcendence To correct this view Willis begins with the cross and resurrection where the transcending One is freely immanent to fulfill God s covenanting purposes God says Willis is not so much the wholly other as the Holy Other who confronts us as purifying love Willis looks in detail at several facets of holiness love simplicity communion beauty He shows that when we recognize beauty to be an essential aspect of holiness we can better reconsider frequently given definitions of the glory and the sovereignty of God and can better understand something of the awe filled love that this beauty inspires Finally Willis explores how the holiness of God provides the basis for the life of Christian faith and hope in today s world From publisher s description
