Son of Classics and Comics George Kovacs, C. W. Marshall, 2016 Son of Classics and Comics presents thirteen original studies of representations of the ancient world in the medium of comics Building on the foundation established by their groundbreaking Classics and Comics Kovacs and Marshall have gathered a wide range of studies with a new global perspective The Big Hurt Erika Schickel, 2021-08-10 This complex memoir shows what it was like growing up in the shadow of a literary father and a neglectful mother getting thrown out of boarding school after being seduced by a teacher and all of the later life consequences that ensue In 1982 Erika Schickel was expelled from her East Coast prep school for sleeping with a teacher She was that girl rebellious precocious and macking for love Seduced caught and then whisked away in the night to avoid scandal Schickel's provocative searing and darkly funny memoir The Big Hurt explores the question How did that girl turn out Schickel came of age in the 1970s the progeny of two writers Richard Schickel the prominent film critic for TIME magazine and Julia Whedon a melancholy mid list novelist In the wake of her parents ugly divorce Erika was packed off to a bohemian boarding school in the Berkshires The Big Hurt tells two coming of age stories one of a lost girl in a predatory world and the other of that girl grown up who in reckoning with her past ends up recreating it with a notorious LA crime novelist blowing up her marriage and casting herself into the second exile of her life The Big Hurt looks at a legacy of shame handed down through a maternal bloodline and the cost of epigenetic trauma It shines a light on the haute culture of 1970s Manhattan that made girls grow up too fast It looks at the long shadow cast by great monstrously self absorbed literary lives and the ways in which women pin themselves like beautiful butterflies to the spreading board of male ego
