The International Trade Union Movement:

The International Trade Union Movement John P. Windmuller, 1980 After six months of backpacking and soul searching across the world Amber MacLean is flat broke There are worse places for a twentysomething to be stuck than the Amalfi Coast but the only way she can earn enough money for a plane ticket home to California is to teach English to two of the brattiest children she has ever met It doesn't help that the children are under the care of their brooding older brother ex motorcycle racer Desiderio Larosa Darkly handsome and oh so mysterious the young master of the crumbling villa tests Amber's patience and will at every turn not to mention her hormones When her position turns into a full time nanny gig Amber grows dangerously closer to the enigmatic recluse But can she give up the certainty of home for someone whose closely guarded heart feels a world apart from her own
