as Cal Ripken His advice will inspire confidence in kids and parents alike **The Long Journey and Other Stories** D. Mills, Jerry Mills, 2011-04 About the Cover This simple sketch is over 100 years old It hung in the farm house I was raised in as a small boy The artist was a relative on the Jackson side of my family tree The original sketch now hangs in the cabin where I live My grandmother tried to explain the meaning of the sketch to me when I was eight years old but it was way over my head Now that I have entered the final chapter of my long journey I look at the sketch a lot differently than I did when my grandmom talked to me about it so long ago The old man is not only old but very wise The sweet mellow smell from his pipe is now an integral part of him The fragrance of Spring completely surrounds the young girl As she tells him about his upcoming long journey you can see the slight smile on his face He knows his next journey will be soon and very short I suspect that he will give her very little advice He knows that unraveling the mysteries and finding your own answers are what make our long journeys worthwhile Poppy About the Stories You may find some of them are sad some funny and some a little mysterious However I hope they rekindle and stir emotions you have hidden deep inside you for a very long time I Thought It Was All About the Kids! Coach Scooter Stevens, 2016-12-31 In his first book Its All About the Kids author and youth baseball coach Scooter Stevens presented an entertaining compilation of fictional stories based on actual events detailing humorous lighthearted and sometimes unsettling stories about the ever present dark side of youth baseball Now comes his second book I Thought It Was All About the Kids which contains additional fictional stories based on actual events recalling his and others experiences coaching youth baseball Although the endearing and loveable stories are still prevalent in his new book I Thought It Was All About the Kids parental expectations competitive pressures and the ever present adult manipulation led to an increased number of contentious tales from the dark side as the players grew older in age Join Coach Scooter Stevens through his journey coaching youth baseball in I Thought It Was All About the Kids A Grateful Life Terry L. Folk, 2021-07-21 It is my desire in the pages of this memoir to express my deep and sincere gratitude to so many people who have reached out to me with caring encouragement and kindness in the various chapters of my life Many of these individuals are highlighted in this book they are indelibly engrained in my memory Above all I reserve the most resounding shouts of praise and thanksgiving to the loving and almighty God my Creator and Sustainer who has stayed by my side each moment of my life whether I have realized it or not not allowing me to drift too far from Him always lifting me up when I have fallen or become discouraged charting a wonderful course for me to follow and giving my life meaning and purpose and my Savior Jesus Christ who has forgiven my sins and given me the promise of abundant life in this world and eternal life in the next **Massy's Game** Jack Olsen, 2020-06-17 Massy was big over 8 2 and still growing the biggest man in pro basketball No one thought it possible a man that big could move could run and jump and shoot and rebound But before his first year was out he became a legend as well as a threat to the game No one likes a giant no one roots for Goliath Cursed by irate fans elbowed and punched by competing players he is universally despised What drives him on What is in his past that drives him

to continue dragging himself up and down the court when he would rather be playing the piano What about the father that won't stay off the bottle And the little girl with the flute As the season nears its ultimate close the fury and tension mount No one can stop the big man even though he doesn't have all the moves and shots No one and nothing Beating the backboards pounding slam dunks so hard the rim shakes pulling down rebounds a yard above the rim blocking shots from ten feet away He is a one man wrecking crew seemingly oblivious to the fact that the fans hate him the opposing team hates him and the officials hate him Massy obliterates the opposition almost single handedly But the more shots he blocks the greater the national hysteria The book surges on to a screaming apocalyptic ending as unexpected as it is inevitable If opposing players can't stop him there are other means available An original and fast breaking sports novel that makes a strong and provocative comment on our entire society
