The Kid Comes Back:

The Kid Comes Back John R. Tunis, 2011-07-12 DIV Roy Tucker left the Dodgers to become a war hero and now he's fighting to get back onto the baseball diamond. DIV DIV DIV Roy Tucker was one of the best prospects the Dodgers had first as a pitcher then as an outfielder when he injured the elbow of his throwing arm. Then he went off to serve in World War II where a plane crash over France left him with pain in his hips and back. DIV DIV DIV The war is nearly over and players are starting to return from the front to play ball again. If the Dodgers aim to have any chance at the pennant the kid from Tomkinsville will have to fight his way back into the game once more. DIV **The Kid Comes Back** John Roberts Tunis, 1968

Booklist Riveting and remarkable. I didn't want the book to end. With a poignant and literary flair, this novel fixed my jones for The Sopranos. Lolly Winston New York Times bestselling author When Melody Grace McCartney was six years old, she and her parents witnessed a brutal act of violence and then were lured into the Witness Protection Program. And so Melody lost her identity, her home, her family, and ultimately her innocence. She's been May Adams, Karen Smith, and countless others. But the one person she has always longed to be is Melody Grace McCartney. New twenty years later and still on the run, she's stunned when a man calls her by her real name. Jonathan Bovaro, the mafioso sent to find her, knows her the real her. It's a thrill Melody can't resist, and she goes with him willingly, defying the feds. To the Justice Department, she's just a pawn in their war against the Bovaro family. But as dangerous as Jonathan is, he gives Melody the opportunity of a lifetime: the chance to embrace her past and present and choose a future all her own. Something special.
