The King Bird Rides:

The King Bird Rides Max Brand, 1977 **The King Bird Rides** Frederick Schiller Faust, 1936 **The King Bird Rides** Frederick Schiller Faust, 2022-08-16 In *The King Bird Rides* Frederick Schiller Faust under the pseudonym Max Brand delivers a Western narrative that encapsulates the genre's enduring themes of justice, honor, and wilderness conquerors. Faust's handling of the literary form in this work showcases a distinctive blending of poetic tempo with the terse prose of Westerns, creating a style both singular and rooted in tradition. The story unfolds with the rhythmic cadence of a seasoned storyteller, a technique harboring echoes of both the oral and romantic traditions which situates Faust's work within the larger literary context of American frontier lore, embracing its rich stylistic heritage while contributing to its ongoing evolution. Frederick Schiller Faust was a prodigious writer in the early 20th century, his myriad pseudonyms allowing a vast array of literature that tapped into the Zeitgeist of his era. A thorough understanding of the cultural and personal landscapes that shaped Faust is crucial to appreciating the depth of *The King Bird Rides*. Influenced by the transformative events of his time and the promise of the American West, Faust channels both personal aspiration and a collective yearning for the mythic frontiers into his work, imprinting upon it a vigor that is felt throughout his storytelling. This republication by DigiCat Publishing presents *The King Bird Rides* not only as an artifact of its time but as a testimony to the enduring allure of the Western genre. It is a commendable read for aficionados of classic American literature and for those seeking to delve into the romanticized yet profound world that Faust masterfully paints. Acknowledging the book's legacy, one can engage with it as a work of both entertainment and scholarly interest, making it a valuable addition to the libraries of readers who cherish the indelible spirit of bygone eras encapsulated in literary form.

A fascinating memoir of an obsession. Booklist At sixteen Kenn Kaufman dropped out of the high school where he was student council president and hit the road hitchhiking back and forth across America from Alaska to Florida, Maine to Mexico. Maybe not all that unusual a thing to do in the seventies, but what Kenn was searching for was a little different, not sex, drugs, God, or even self, but birds. A report of a rare bird would send him hitchhiking nonstop from Pacific to Atlantic and back again. When he was broke he would pick fruit or do odd jobs to earn the fifty dollars or so that would last

him for weeks His goal was to set a record most North American species seen in a year but along the way he began to realize that at this breakneck pace he was only looking not seeing What had been a game became a quest for a deeper understanding of the natural world Kingbird Highway is a unique coming of age story combining a lyrical celebration of nature with wild and sometimes dangerous adventures starring a colorful cast of characters **Birds and Bees** John Burroughs,1887 The Warner Library Charles Dudley Warner,John William Cunliffe,Ashley Horace Thorndike,Harry Morgan Ayres,Helen Rex Keller,Gerhard Richard Lomer,1917 Birds and Bees, Sharp Eyes and Other Papers John Burroughs,1907 **The Art of Seeing Things** John Burroughs,2001 A collection of essays by noted naturalist John Burroughs in which he contemplates a wide array of topics including farming religion and conservation A departure from previous John Burroughs anthologies this volume celebrates the surprising range of his writing to include religion philosophy conservation and farming In doing so it emphasizes the process of the literary naturalist specifically the lively connection the author makes between perceiving nature and how perception permeates all aspects of life experiences Sharp Eyes and Other Papers John Burroughs,1888 Scribner's Monthly Josiah Gilbert Holland,Richard Watson Gilder,1878 **Bird Portraits** Ernest Thompson Seton,Ralph Hoffmann,2023-10-25 In the exquisite collection Bird Portraits readers are invited to explore the captivating world of avian beauty through a unique amalgamation of literature and natural science This anthology triumphs in its blending of vivid descriptive prose with rigorous ornithological inquiry standing as a testament to the intricate relationships between humans and the natural world The range of literary styles from the lyrically evocative to the scientifically precise showcases the multifaceted beauty of birds engaging readers in a rich sensory and intellectual experience The works within this collection serve not just as portraits of birds but as mirrors reflecting the diverse approaches to understanding and appreciating nature The collaborative efforts of Ernest Thompson Seton and Ralph Hoffmann seasoned naturalists and gifted storytellers infuse this anthology with a depth of knowledge and passion for the avian subjects These authors rooted in the tradition of American natural history and the early conservation movement weave together their distinct perspectives to illuminate the intricate lives of birds Their collective expertise elevates the anthology aligning it with broader cultural and historical movements dedicated to environmental awareness and conservation and underscoring the evolving relationship between humanity and the natural world Bird Portraits invites its readers to embark on a journey of discovery and wonder offering an unparalleled opportunity to engage with the art and science of ornithology through literary expression This collection is an essential addition to the library of anyone intrigued by the natural world aspiring to deepen their understanding of birds or seeking to appreciate the beauty and complexity of nature through the nuanced lenses of these eminent authors It promises not only to educate but to inspire a profound appreciation for the avian world and the diverse methodologies employed in its study The Writings of John Burroughs John Burroughs,2019-09-25 Reproduction of the original The Writings of John Burroughs by John Burroughs **Bird Portraits** Эрнест
