

The Kingdom of God and The Kingdom of Heaven

THE KINGDOM OF GOD

The kingdom of God is not meat and drink, but righteousness, and peace, and joy in the Holy Ghost. (Rom 14:17)

The Kingdom of Heaven on Earth

The earthly kingdom is a "mystery" promised in the Scriptures, and David (ultimately, Jesus) is the one who is promised it. It is a coming kingdom by God, and guaranteed God—because God is faithful to keep and fulfill all His promises.

*For as high as the heavens are without number,
(So is a faithful God promised) Hab 1:12*

*For the earth shall be filled with the
knowledge of the glory of the LORD,
as the waters cover the sea.
Hab 2:14*

Locating the Kingdom of God Karen J. Wenell, 2024-08-22 This book offers a new multidisciplinary way of thinking about the Kingdom of God which fully recognises its sociological and spatial significance in performing boundaries of the sacred Though spatial critical perspectives have been increasingly recognised as important across many disciplines the significance of non physical religious spaces and their correspondence to boundaries of the sacred has not been explored fully and never using the specific example of the Kingdom of God Wenell considers the diverse and sometimes contradictory articulation of the Kingdom in the gospels as well as the ways that Kingdom language frames contemporary ethical debates Her study of the Kingdom is located within the wider study of religion affording the opportunity to investigate connections between space belonging and the sacred Wenell structures her investigation in four key areas that engage with the Kingdom in different but theoretically interconnected ways She begins by setting out a theory of sacred space that is capable of including the Kingdom and establishing key concepts such as boundary performance physical non physical spatiality spokespersons and controversy Wenell then focuses on the synoptic gospels and the origins of the Kingdom noting aspects of uncertainty as well as areas of agreement and controversy over boundaries of the sacred in these uniquely interrelated texts The third and fourth areas of investigation move into cultural reception considering instances where the Kingdom is formative for identity and ethical relationships both in individual and wider group belonging terms Specific reference is made to issues of ethical consuming and displacement placing the Kingdom in dialogue with Bauman s discussion of a society of consumers and Arendt s notion of equitable co habitation of the earth **Cracking the Twin Global Reset Code** Philip R. Christ Were King Albert Edward Waffle, 2015-07-03 Excerpt from If Christ Were King Or the Kingdom of Heaven on Earth When our Lord taught his disciples to pray Thy kingdom come what did he mean That word kingdom which fell so often from his lips what did it connote In his mind there must have been a clear concept behind the word or he would not have used it Jesus was profound and mystical as every teacher must be who deals with things spiritual but his thinking was never confused or cloudy A perfectly developed and well defined idea was embodied in every word that he spoke But did he succeed in conveying his idea to the minds of his disciples Not always he was baffled by their preconceptions which were false and wrong by their natural stupidity and by the slowness of the human mind to receive great ideas And in no case was their failure to grasp his thought more complete than in what he said about his kingdom About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Your Light "the Evening and the Morning,"* Robert Henry Bowman, 1915
