The La Follettes Of Wisconsin Love And Politics In Progressive America:

The La Follettes of Wisconsin Bernard A. Weisberger, 2013-12-19 An intimate portrait of the Progressive movement and the revealing poignant story of a prominent American family The La Follettes of Wisconsin will charm fascinate and entertain its readers

Historic Sites and Landmarks That Shaped America Mitchell Newton-Matza, 2016-09-06 Exploring the significance of places that built our cultural past this guide is a lens into historical sites spanning the entire history of the United States from Acoma Pueblo to Ground Zero Historic Sites and Landmarks That Shaped America From Acoma Pueblo to Ground Zero encompasses more than 200 sites from the earliest settlements to the present covering a wide variety of locations It includes concise yet detailed entries on each landmark that explain its importance to the nation With entries arranged alphabetically according to the name of the site and the state in which it resides this work covers both obscure and famous landmarks to demonstrate how a nation can grow and change with the creation or discovery of important places The volume explores the ways different cultures viewed revered or even vilified these sites It also examines why people remember such places more than others Accessible to both novice and expert readers this well researched guide will appeal to anyone from high school students to general adult readers

The History of Wisconsin, Volume IV John D. Buenker, 2013-03-05 Published in Wisconsin s Sesquicentennial year this fourth volume in The History of Wisconsin series covers the twenty tumultuous years between the World s Columbian Exposition and the First World War when Wisconsin essentially reinvented itself becoming the nation s laboratory of democracy The period known as the Progressive Era began to emerge in the mid 1890s A sense of crisis and a widespread clamor for reform arose in reaction to rapid changes in population technology work and society Wisconsinites responded with action their advocacy of women s suffrage labor rights and protections educational reform increased social services and more responsive government led to a veritable flood of reform legislation that established Wisconsin as the most progressive state in the union As governor and U S Senator from Wisconsin Robert M La Follette Sr was the most celebrated of the Progressives but he was surrounded by a host of pragmatic idealists from politics government and the state university Although the Progressives frequently disagreed over priorities and tactics their values and core beliefs coalesced around broad based participatory democracy the application of scientific expertise to governance and an active concern for the welfare of all members of society what came to be known as the Wisconsin Idea

Fighting Son Jonathan Kasperek, 2016-07-15 Former Wisconsin governor Philip F La Follette forged a political path characterized by his progressive innovative vision Growing up in the shadow of revered senator Fighting Bob La Follette made for a politically charged childhood and laid the groundwork for Phil s emergence as a powerful figure in Wisconsin politics A gregarious and fiery politician Phil s efforts led to the passage of the country s first unemployment compensation act aid programs for workers and farmers and the reorganization of state government This approachable comprehensive book traces La Follette s journey through public office as well as his life after the waning of the Progressive

era Phil La Follette is a history of continuing progressivism of innovative solutions to social problems and of loyalty to a political ethos that goes far beyond love of country Kasperek's treatment of this Fighting Son is a monument not only to La Follette but to progressive politics in Wisconsin

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

John Bascom and the Origins of the Wisconsin Idea J. David Hoeveler, 2016-07-20 In the Progressive Era of American history the state of Wisconsin gained national attention for its innovative economic and political reforms Amidst this ferment the Wisconsin Idea was popularized the idea that a public university should improve the lives of people beyond the borders of its campus During his term as governor 1901-1906 Robert La Follette routinely consulted with University of Wisconsin researchers to devise groundbreaking programs and legislation Although the Wisconsin Idea is often attributed to a 1904 speech by Charles Van Hise then president of the University of Wisconsin David Hoeveler argues that it originated decades earlier in the creative and fertile mind of John Bascom A philosopher theologian and sociologist Bascom 1827-1922 deeply influenced a generation of students at the University of Wisconsin including La Follette and Van Hise Hoeveler documents how Bascom drew concepts from German idealism liberal Protestantism and evolutionary theory transforming them into advocacy for social and political reform He was a champion of temperance women's rights and labor all of which brought him controversy as president of the university from 1874 to 1887 In a way unmatched by any of his peers at other institutions Bascom outlined a social gospel that called for an expanded role for state governments and universities as agencies of moral improvement Hoeveler traces the intellectual history of the Wisconsin Idea from the nineteenth century to such influential Progressive Era thinkers as Richard T Ely and John R Commons who believed university researchers should be a vital source of expertise for government and citizens

Politics on a Human Scale Jeff Taylor, 2013-09-27 Featuring a foreword by Congressman Glen Browder *Politics on a Human Scale* examines political decentralization in the United States from the founding of the republic to the present Part of the desirable equilibrium is a sense of proportionality Some sizes some amounts some levels are more appropriate than others Decentralism is the best political tool to ensure equilibrium to promote proportionality and to obtain appropriate scale Power distribution should be as wide as possible Government

functions should be as close to the people as practicable In this way individual human beings are not swallowed by a monstrous Leviathan Persons are not at the mercy of an impersonal bureaucracy led by the far away few Decentralism gives us politics on a human scale It gives us more democracy within the framework of a republic The longest chapters in the book deal with crucial turning points in U S history specifically when decentralists lost the upper hand in the two major political parties Decentralism in our nation runs deep both intellectually and historically It also has considerable popular support Yet today it is a virtual political orphan In Washington neither major political party is serious about dispersing power to lower levels of government or to the people themselves Still there are dissident politicians and political movements that remain committed to the decentralist principle Power needs to be held in check partly through decentralization because power holds a great and dangerous attraction for humans Recognition of this human tendency is the first step in guarding against it and getting back on a better path I Wish I'd Been There Byron Hollinshead,2007-09-04 I Wish I d Been There brings together twenty of our most distinguished historians responses to the question What scene or incident in American history would you most liked to have witnessed and why The answers illuminate crucial moments in our past and give readers a front row seat at some of American history s most dramatic events The Salem witch trials the raid on Harper s Ferry the assassination of Abraham Lincoln the voting rights march on Selma the beginnings of the Vietnam War all of these and more are vividly recreated here by a stellar list of contributors including Mary Beth Norton Joseph Ellis Carol Berkin Geoffrey Ward Robert Dallek Jay Winik Robert Cowley Carolyn Gilman and William Leuchtenburg among other luminaries of the profession With imagination insight and vivid detail I Wish I d Been There is an engaging tour through key events in American history

Where Did the Party Go? Jeff Taylor,2006 Using a twelve point model of Jeffersonian thought Taylor appraises the competing views of two Midwestern liberals William Jennings Bryan and Hubert Humphrey on economic policy foreign relations and political reform to demonstrate how the Democratic party lost its place in Middle America Provided by publisher *Congress, Progressive Reform, and the New American State* Robert Harrison,2004-04-26 Congress Progressive Reform and the New American State uses a series of case studies of reform legislation in Congress during the early twentieth century to explore the nature of progressivism and the processes of political change which resulted in the establishment of the modern American state Among the topics covered are railroad regulation labor relations social policy of the District of Columbia Republican insurgency and the nature of Democratic progressivism This work will be of interest to students of twentieth century political history the history of Congress and the origins of the modern American state **Proxmire** Jonathan Kasperek,2019-02-25 Proxmire Bulldog of the Senate is the first comprehensive biography of one of Wisconsin s most important and entertaining political figures Known for championing consumer protection legislation and farming interests Senator Proxmire also fought continuously against wasteful government spending highlighting the most egregious examples with his monthly Golden Fleece Award Remembered by many Wisconsinites as a friendly hand shaking fixture at

sporting events and state fairs Proxmire was one of the few politicians who voted his conscience and never forgot about the people he represented *A Companion to the Gilded Age and Progressive Era* Christopher McKnight Nichols, Nancy C. Unger, 2022-06-15 *A Companion to the Gilded Age and Progressive Era* presents a collection of new historiographic essays covering the years between 1877 and 1920 a period which saw the U S emerge from the ashes of Reconstruction to become a world power The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era Features contributions by leading scholars in a wide range of relevant specialties Coverage of the period includes geographic social cultural economic political diplomatic ethnic racial gendered religious global and ecological themes and approaches In today s era often referred to as a second Gilded Age this book offers relevant historical analysis of the factors that helped create contemporary society Fills an important chronological gap in period based American history collections *Term Paper Resource Guide to Twentieth-Century United States History* Ron Blazek, Teri Maggio, Robert Muccigrosso, 1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the most important events and developments in twentieth century U S history organized in chronological order Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide ranging annotated bibliography of 15 35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources Every entry contains a video and concludes with a recommended web site producing a multimedia approach designed to appeal to the current information gathering habits and preferences of young people From the Spanish American War to the creation of NAFTA the 100 events and developments cover political social economic and cultural issues The work has been designed to meet the needs of the U S history curriculum Term paper topic ideas offer students thought provoking suggestions that are challenging and develop critical thinking skills The annotated bibliography is organized into reference sources general sources specialized sources biographical sources periodical articles recommended videos and World Wide Web sites All items are readily available in school public and academic library collections This unique guide is valuable not only to students but to teachers and librarians who guide students in research and is an excellent purchasing guide for librarians who serve student needs *U.S. Imperialism and Progressivism* Britannica Educational Publishing, 2012-06-01 With one eye on the world and one on the home front the United States at the turn of the 20th century was distinguished both by its emerging global engagements including the acquisition of new territories and its involvement in the First World War and the social movements that surged throughout the country Readers examine American history between the end of the Civil War and the end of World War I considering in depth both the imperialist and progressive influences that heralded the country s future position as a major force on the international stage Meticulously chosen articles speeches and other primary

source documents are included alongside narrative to provide a complete picture of the era Women, Peace and Welfare Ann Oakley, 2018-03-08 Between 1880 and 1920 many women researched the conditions of social and economic life in Western countries They were driven by a vision of a society based on welfare and altruism rather than warfare and competition Ann Oakley a leading sociologist undertook extensive research to uncover this previously hidden cast of forgotten characters She uses the women's stories to bring together the histories of social reform social science welfare and pacifism Her fascinating account reveals how their efforts connected through thriving transnational networks lie behind many features of modern welfare states and reminds us of their powerful vision of a more humane way of living a vision that remains relevant today The Refuge of Affections Eric Rauchway, 2001-03-29 The Progressives those reformers responsible for the shape of many American institutions from the Federal Reserve Board to the New School for Social Research have always presented a mystery What prompted middle class citizens to support fundamental change in American life Eric Rauchway shows that like most of us the reformers took their inspiration from their own lives from the challenges of forming a family Following the lives and careers of Charles and Mary Beard Wesley Clair and Lucy Sprague Mitchell and Willard and Dorothy Straight the book moves from the plains of the Midwest to the plains of Manchuria from the trade union halls of industrial Britain to the editorial offices of the New Republic in Manhattan Rauchway argues that parenting was a kind of elitism that fulfilled itself when it undid itself and this vision of familial responsibility underlay Progressive approaches to foreign policy economics social policy and education **United States Senate Catalogue of Fine Art** William Kloss, 2005-08 The U S Capitol abounds in magnificent art that rivals its exterior architectural splendor The fine art held by the U S Senate comprises much of this treasured heritage It spans over 200 years of history contains works by such celebrated artists as Augustus Saint Gaudens Hiram Powers Daniel Chester French Charles Willson Peale Gilbert Stuart Walker Hancock Alexander Calder This volume provides previously unpublished information on the 160 paintings sculptures in the U S Senate Each work of art from portraiture of prominent senators to scenes depicting significant events in U S history is illustrated with a full page color photo accompanied by an essay secondary images that place the work in historical aesthetic context *Young Bob* Patrick J. Maney, 2003 He made his mark on national life as a key architect of Franklin Roosevelt's New Deal a leading champion of labor rights and civil liberties and author of legislation that endures to this present day Young Bob was one of the best senators in history but also one of the most tragic In 1946 at the height of his national prominence La Follette lost his Senate seat to Joseph McCarthy Seven years later with McCarthy very much on his mind La Follette committed suicide **BOOK JACKET** **Progressivism: A Very Short Introduction** Walter Nugent, 2009-12-16 After decades of conservative dominance the election of Barack Obama may signal the beginning of a new progressive era But what exactly is progressivism What role has it played in the political social and economic history of America This very timely Very Short Introduction offers an engaging overview of progressivism in America its origins guiding

principles major leaders and major accomplishments A many sided reform movement that lasted from the late 1890s until the early 1920s progressivism emerged as a response to the excesses of the Gilded Age an era that plunged working Americans into poverty while a new class of ostentatious millionaires built huge mansions and flaunted their wealth As capitalism ran unchecked and more and more economic power was concentrated in fewer and fewer hands a sense of social crisis was pervasive Progressive national leaders like William Jennings Bryan Theodore Roosevelt Robert M La Follette and Woodrow Wilson as well as muckraking journalists like Lincoln Steffens and Ida Tarbell and social workers like Jane Addams and Lillian Wald answered the growing call for change They fought for worker s compensation child labor laws minimum wage and maximum hours legislation they enacted anti trust laws improved living conditions in urban slums instituted the graduated income tax won women the right to vote and laid the groundwork for Roosevelt s New Deal Nugent shows that the progressives with the glaring exception of race relations shared a common conviction that society should be fair to all its members and that governments had a responsibility to see that fairness prevailed Offering a succinct history of the broad reform movement that upset a stagnant conservative orthodoxy this Very Short Introduction reveals many parallels even lessons highly appropriate to our own time About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life s most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam *Wisconsin Encyclopedia* Jennifer Herman,2008-01-01 A concise encyclopedia of Wisconsin history government and politics
