The Land Of Intention:

The Land of Intention Amy Liann Tudor,1994 **Decisions of the Department of the Interior and the General Land Office in Cases Relating to the Public Lands** United States. Department of the Interior,1898 **180 Day Rental Land Law** Chris Bevan,2022 Possession, Relative Title, and Ownership in English Law Luke Rostill,2021-02-10 This monograph is concerned with two foundational principles of English property law the principle of relativity of title and the principle that possession is a source of title It is impossible to understand the relationship between possession and ownership in English law unless one has a sound understanding of these principles Yet the principles have been interpreted in different ways by judges practitioners and academics The volume seeks to illuminate this area of law by addressing four questions What is possession What is the nature of the title acquired through possession What are the grounds of relativity of title And what is the relationship between relativity of title and ownership Drawing on the analysis of the law concerning relativity of title and the acquisition of proprietary interests through possession the author also implies that the architecture of land law and the law of personal property have many similarities *Textbook on Land Law* Judith-Anne MacKenzie,Mary Phillips,2012-07-26 Relied upon by students for over 25 years this book continues to bring an innovative practical focus to modern land law guiding the reader through real life situations to illustrate rules and highlight problem areas Clear diagrams sample documents and further reading help students understand the law in context Modern Land Law Martin Dixon,2016-08-25 Modern Land Law is one of the most current and reliable textbooks available on land law today offering a lively and thought provoking account of a subject that remains at the heart of our legal system Dispelling any apprehension about the subject s formidability from the outset this compact textbook provides an absorbing and exact analysis of all the key legal principles relating to land Written with students firmly in mind a clear introduction to every chapter frames each topic in its wider context and corresponding chapter summaries help to consolidate learning and encourage reflection This 10th edition has been thoroughly revised and updated to take into account key developments in the law including an updated chapter on registered title in the light of the recent Court of Appeal decision in *Swift First v Chief Land Registrar and Goldharp v McLeod* There is an update on the Law Commission s recommendations on easements and covenants including the Right to Light as well as analysis of recent often contradictory decisions in case law relating to cohabitation Maudsley & Burn's Land Law Edward Hector Burn,John Cartwright,Ronald Harling Maudsley,2009 The 9th edition of Maudsley and Burn s Land Law Cases and Materials continues to provide an essential reference work for students and practitioners It includes a wide range of extracts from cases statutes Law Commission reports and other literature which highlight the key issues to understand the present law and its continuing development Land Law Judith Bray,2013-12-17 Key Facts Key Cases Land Law will ensure you grasp the main concepts of your Land Law module with ease This book explains the facts and associated case law for The definition of land The registered land system Co ownership Express resulting and

constructive trusts in land Leases Key rights in land such as easements and covenants Mortgages Proprietary estoppel and licences Adverse possession Key Facts Key Cases is the essential series for anyone studying law at LLB postgraduate and conversion courses The series provides the simplest and most effective way to absorb and retain all of the material essential for passing your exams Each chapter includes diagrams at the start of chapters to summarise key points structured headings and numbered points to allow for clear recall of the essential points charts and tables to break down more complex information Chapters are also supported by a Key Cases section which provides the simplest and most effective way to absorb and memorise essential cases needed for exam success Essential and leading cases are explained The style layout and explanations are user friendly Cases are broken down into key components by use of a clear system of symbols for quick and easy visual recognition *A Treatise on Possession of Land* John Mason Lightwood,1894 **The Good Intent**
