The Language Of Literature Level 6 California Edition:

The Tai-Kadai Languages Anthony Diller, Jerry Edmondson, Yongxian Luo, 2004-11-30 The Routledge Language Family Series is aimed at undergraduates and postgraduates of linguistics and language or those with an interest in historical linguistics, linguistics, anthropology and language development. With close to 100 million speakers, Tai Kadai constitutes one of the world's major language families. The *Tai Kadai Languages* provides a unique comprehensive single volume covering much needed grammatical descriptions in the area. It presents an important overview of Thai that includes extensive cross referencing to other sections of the volume and sign posting to sources in the bibliography. The volume also includes much new material on Lao and other Tai Kadai languages, several of which are described here for the first time. Much needed and highly useful. The *Tai Kadai Languages* is a key work for professionals and students in linguistics as well as anthropologists and area studies specialists. ANTHONY V N DILLER is Foundation Director of the National Thai Studies Centre at the Australian National University. JEROLD A EDMONDSON is Professor of Linguistics at the University of Texas Arlington and a member of the Academy of Distinguished Scholars. YONGXIAN LUO is Senior Lecturer in the Asia Institute at the University of Melbourne and a member of the Australian Linguistic Society. **Catalog of Copyright Entries. Rosen, 2019-09-17 The Routledge Handbook of Sign Language Pedagogy is the first reference of its kind, presenting contributions from leading experts in the field of sign language pedagogy. The Handbook fills a significant gap in the growing field of sign language pedagogy, compiling all essential aspects of current trends and empirical research in teaching, curricular design and assessment in one volume. Each chapter includes historical perspectives, core issues, research approaches, key findings, pedagogical implications, future research direction and additional references. The Routledge Handbook of Sign Language Pedagogy is an essential reference for sign language teachers, practitioners and researchers in applied sign linguistics and first, second and additional language learning.
