# The Last Angry Principal

**G. Ramachandram**

## **The Last Angry Principal:**

**The Last Angry Principal** Howard Lawrence Hurwitz, 1988 Dr Hurwitz uses his half century of experience in the schools to puncture the many balloons floated by reformers who know little about how schools should be run and whose alleged reforms would further ruin our faltering schools In *The Last Angry Principal* we have a great human interest story of a compassionate disciplinarian in a time of eroding standards When after decades of success his policies were repeatedly first endorsed and then reversed by weak superiors flip flopping in face of political pressure he demanded more uniform decision making he was dismissed A measure of his effectiveness may be that local parents barricaded him in his office setting the stage for a confrontation that made national headlines and coverage on CBS 60 Minutes program *The Last Angry Principal* is a book that you cannot afford to miss at a time when the educational crisis is seen as a top priority not only on Capitol Hill and by all of the nation s governors but every presidential candidate as well **New York Magazine**

, 1976-05-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Principal's Office** Kate Rousmaniere, 2013-09-17 *The Principal's Office* is the first historical examination of one of the most important figures in American education Originating as a head teacher in the nineteenth century and evolving into the role of contemporary educational leader the school principal has played a central part in the development of American public education A local leader who not only manages the daily needs of the school but also represents district and state officials the school principal is the connecting hinge between classroom practice and educational policy Kate Rousmaniere explores the cultural economic and political pressures that have impacted school leadership over time and considers professionalization the experiences of women and people of color and progressive community initiatives She discusses the intersections between the role of the school principal with larger movements for civil rights parental and community activism and education reform The school principal emerges as a dynamic character in the center of the educational enterprise ever maneuvering between multiple constituencies responding to technical and bureaucratic demands and enacting different leadership strategies By focusing on the historic development of school leadership this book provides insights into the possibilities of school improvement for contemporary school leaders and reformers **Hard Feelings** Ken Auletta, 2011-08-03 One of America s

leading reporters collects his most important entertaining and enlightening articles explaining how and why he wrote them *Hard Feelings* represents more than five years of Ken Auletta s work for *The Village Voice* New York magazine the *Daily News* *Esquire* and *The New Yorker* During that period he won a loyal following and established a reputation as the rare journalist who covers both politicians and the government He covered the news and made the news with his famous and

controversial New Yorker profile of Mayor Ed Koch and his startling expos of lawyer Roy Cohn in Esquire These pieces also display his versatility hard investigative reporting as well as precise thoughtful essays with subjects ranging from the ambitions of Ted Kennedy to the tribulations of Jimmy Carter the maneuvers of a local politician to the struggles of an embattled high school principal One of Auletta s chief concerns is the press itself how the former publisher of the New York Post managed the news how media expert David Garth manipulates it how Tom Brokaw became a victim of it and how passion for scandal and easy cynicism threaten it The postscripts he has written for this volume address many of the central issues of journalism A case in point is Auletta s own use of controversial taps revealing Mayor Ed Koch s private feelings about relations between blacks and Jews another is his examination of the questionable coverage of Nelson Rockefeller s death Does a public figure have a right to privacy Is there such a thing as too much press access To whom does the reporter owe allegiance What are the ethics of journalism In his stories and his second thoughts on them Ken Auletta offers a provocative analysis of how a reporter works views his profession and evaluates his achievements with intelligence and feeling hard feelings

**New York Magazine** ,1976-05-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Twilight of Liberty** William A. Donohue,2017-09-08 Twilight of Liberty is a sequel to Donohue s highly regarded The Politics of the American Civil Liberties Union but with a marked change in emphasis Instead of challenging the ACLU s nonpartisan reputation as he did in the earlier volume Donohue now seeks to demonstrate why and how recent ACLU policy undermines the process of liberty He argues that the ACLU by relentlessly warring with mediating institutions and by pushing a radical individualism in its policies is not making us more but less free Two conceptions of liberty are discussed The first considers the social context in which the struggle for freedom takes place It maintains that freedom is best achieved through a delicate balancing of individual rights with the legitimate needs of the social order The other conception of liberty is atomistic exclusively concerned with the rights of the individual According to Donohue such a definition assures the triumph of the state over the mediating institutions of society thus reducing prospects for freedom This is the first book to critically analyze contemporary ACLU policy and to challenge its reputation as the preeminent voice of freedom in the United States It aims to move beyond the idea that freedom is best served by pushing individual rights to extremes Twilight of Liberty will appeal to scholars in the fields of law social policy and culture Students in civil liberties courses will also find this book a valuable resource

Reports of the Inspectors of Factories to Her Majesty's Principal Secretary of State for the Home Department ... Great Britain. Factory Department,1872 *Sketch of the Life and Some of the Principal Speeches of Henry Clay* Henry Clay,1854 *The Student's Summary of the Principal Events*

*in English History with Notes* Thomas Haughton, 1887      *A Memoir of the Life of John Tulloch, D.D., LL.D. Principal and Primarius Professor of St. Mary's College, St. Andrews, ...* Margaret Oliphant, 1889      *Resources in Education*, 1990      *The lives of the fathers, martyrs, and other principal saints; compiled from original monuments, and other authentic records; illustrated with the remarks of judicious modern critics and historians* Alban Butler,      **A First Sketch of English Literature with Selections from the Principal Authors** N. Kuiper, 1888      **The Lives of the Fathers, Martyrs, and Other Principal Saints. January, February, March** Alban Butler, 2023-08-22

Alban Butler's *The Lives of the Fathers Martyrs and Other Principal Saints January February March* is a comprehensive and insightful collection of biographies of various saints focusing on the months of January February and March The book is written in a lively and engaging style providing readers with detailed accounts of the lives and martyrdoms of these important figures in Christian history Butler's work serves as an important resource for those interested in hagiography and the lives of saints offering a valuable glimpse into the religious and cultural context of the time Alban Butler a Catholic priest and hagiographer dedicated his life to the study and documentation of the lives of the saints His extensive research and dedication to preserving the stories of these individuals undoubtedly influenced the creation of this monumental work Through his writing Butler pays homage to the saints and martyrs who have played a significant role in shaping the history of Christianity I highly recommend *The Lives of the Fathers Martyrs and Other Principal Saints January February March* to readers interested in delving into the lives of saints and martyrs Butler's meticulous research and engaging narrative style make this book a must read for anyone interested in Christian history and hagiography      *Sermons on the Gospels for the Sundays and Principal Festivals of the Church Year* Martin Luther, 1871      **THE TRIAL BY FIRE : MEMOIRS OF A COLLEGE PRINCIPAL** G.

Ramachandram, 2017-03-07 This autobiography is a rare story of the courage and the conviction of a person holding a position of power and authority taking on the high and the mighty refusing to buckle under pressure and do what is unethical and illegal risking his career time and again The author had a journey in defiance fighting relentlessly against the corrupt system During his two decades long tenure he had to quite often face the trials by fire in order to secure his college with a solid foundation of perennial values transparency and commitment to truth The autobiography is in four parts Part I Blissful ignorance narrates the life of a rustic village boy and how he transformed Part II Awakening is about the author's struggle to find meaning and purpose for existence and becoming a teacher by accident Part III Rise is regarding his appointment as the Principal the conspiracy to scuttle the appointment and his legal battles Part IV Turbulence is about his uninterrupted nerve racking duel with multiple authorities to reinstate the truth and justice and protect the institution of Principal And by taking a high moral ground and displaying mental toughness he weathered a turbulent period of calculated verbal assaults aimed at making him dispirited and crippled This is the first time that such an autobiography is penned by the Head of any educational institution giving a gripping account of his torrid times The book makes an interesting and inspirational reading It is rich

engaging and very truthful The heads of educational institutions particularly the future generation of academic administrators will profit by the book      **The life of Samuel Johnson. [With] The principal corrections and additions to the first edition** James Boswell,1816      pt. II. Descriptive articles on the principal castes and tribes of the Central Provinces Robert Vane Russell,1916      **Mrs. Herbert and the Villagers; Or, Familiar Conversations on the Principal Duties of Christianity ... Seventh Edition, Stereotype** Countess Elizabeth Mary de BODENHAM,1853      Formation and Development for Catholic School Leaders: The principal as educational leader, expectations in the areas of leadership, curriculum, and instruction Maria J. Ciriello,1996 A three volume preparation program for future and neophyte principals Cover Includes bibliographical references p 279 285
