

A dramatic scene showing two dolphins leaping from the dark blue ocean. They are positioned in front of a large, white, foamy wake created by a ship. The ship's hull, painted in a vibrant red, curves into the frame from the upper right corner. The sky above is a deep, clear blue.

The Last Giants:

The Last Giants Levison Wood, 2020-11-03 From the award winning explorer an entertaining summary of what we know about the elephant and a call to change our behavior to ensure its survival Daily Mail The Last Giants satisfies British explorer Levison Wood's lifelong desire to learn more about the majestic African elephant These giants trek through some of Africa's most magnificent landscapes as they go in search of life giving waters and pastures El Nino's droughts and an insatiable ivory trade have cut African elephant numbers by a third in the last decade alone and if elephants disappear entirely Africa's entire ecosystem could collapse But Botswana has become a safe haven where one sixth of the world's elephants now reside Each year their numbers grow and an incredible migration takes place which Wood witnesses and records He teams up with local trackers to gain insight into how this iconic species survives camps out in the wild meets the people and tribes living on the migration's path and joins the park rangers whose job it is to protect these land goliaths equipped with his good eye for detail and better ear for dialogue The Wall Street Journal Adventurer Wood followed elephants on a 650 mile migration across Botswana for a British television program This fascinating companion volume to that series examines the past present and future of the African elephant Library Journal starred review A smart inviting portrait of elephants from a keen eyed observer Kirkus Reviews A rewarding look at the habits and habitats of the African elephant Comprehensively yet accessibly conveying Wood's lifelong fascination with African elephants his discussion will appeal to anyone keen on learning more about them Publishers Weekly

The Last Giants François Place, 2005 In a Rundown waterfront market an English explorer and top hatted dandy named Archibald Leopold Ruthmore discovers a remarkable object a human molar the size of a fist Deeply incised like scrimshaw the tooth yields up its secrets slowly at last its markings prove to be a map to the Land of the Giants So in September 1849 Ruthmore begins his voyage from Liverpool to Burma the first leg of the adventure of a lifetime an unprecedented trip up the Black River through a rainforest full of headhunters and into the valley of a race of gentle sweet tempered colossi The giants care for Ruthmore as they might a child There are only nine of them each thousands of years old They are covered from head to foot with a dizzying maze of complex lines curves spirals and speckles These are not tattoos but images that appear on their skin spontaneously illustrating their experience of trees plants animals rivers oceans stars and each other These stylized images are their wordless idiomatic language thoughts made flesh After ten months among the giants Ruthmore begins the long trip home to England his notebooks full of drawings and observations Then he makes a tragic mistake he publishes an account of his travels and unwittingly brings about the giants destruction The Last Giants is a moral tale a parable about the often painful and exploitative consequences of the encounter between the advanced and the primitive But this is no strident op ed piece dressed up as a children's picture book This is a hauntingly beautiful work of art by one of France's most sophisticated and subtle graphic storytellers

The Last Giant of Beringia Dan O'Neill, 2009-04-29 The intriguing theory of a land bridge

periodically linking Siberia and Alaska during the coldest pulsations of the Ice Ages had been much debated since Jose de Acosta a Spanish missionary working in Mexico and Peru first proposed the idea of a connection between the continents in 1589 But proof of the land bridge now named Beringia after eighteenth century Danish explorer Vitus Bering eluded scientists until an inquiring geologist named Dave Hopkins emerged from rural New England and set himself to the task of solving the mystery Through the life story of Hopkins The Last Giant of Beringia reveals the fascinating science detective story that at last confirmed the existence of the land bridge that served as the intercontinental migration route for such massive Ice Age beasts as woolly mammoths steppe bison giant stag moose dire wolves short faced bears and saber toothed cats and for the first humans to enter the New World from Asia After proving unambiguously that the land bridge existed Hopkins went on to show that the Beringian landscape cannot have been the polar desert that many had claimed but provided forage enough to sustain a diverse menagerie of Ice Age behemoths **Satan's Super Soldiers** Barry

Blackstone,2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan s plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31 At a Moment's Notice Barry Blackstone,2023-02-10

At a Moment's Notice is the very first writing project the author ever attempted in 1988 After thirty five years the author took a second look at the series of devotionals and decided they needed to be made into a book At a Moment s Notice contains fifty chapters based upon the truth of the title Gleaning from the word of God the Bible the preacher in the author recognized that more often than not the main characters underlined in the Scriptures reacted immediately to certain situations and circumstances they were confronted with Take a trip through Holy Writ as we encounter the judge Shamgar as he comes face to face with a marauding band of Philistines in his field as Lydia the purple saleswoman meets Paul by a river in Philippi as Hur helps

Moses at a moment's notice with the Rod of God that eventually wins an important battle as Simeon comes into Herod's Temple just at the right moment to meet the Christ child and as Naboth has to make the most difficult decision of his life that will also cost him his life Though the actions and reactions of each famous or infamous hero or heroine highlighted in the book have the same quality the lessons being taught are as varied as the stories being told Take a few moments to read the account and ponder what is being taught and then hopefully an application can be made in the reader's heart at a moment's notice

Witchcrafts the Origin Joshua Olumoye, 2023-10-13 Witchcrafts is a spiritual knowledge of how the cosmic and the physical world are controlled Witchcrafts is part of the heavenly knowledge known to Satan and the fallen angels which in turn was transferred to men Witchcrafts is limited to the knowledge of good and evil and does not have the knowledge of life eternal Surprisingly science and technology are the physical manifestation of witchcrafts and the essential tools for controlling and manipulating in the end time

Antarctica: the prison of fallen angels in Enoch's prophecy Cinzia Palmacci, 2023-09-21 Why do so many powerful people on Earth often go to Antarctica What do they know about us that is important Is Antarctica the kingdom of the antichrist One thing is certain the hybrid offspring of Lucifer for millennia have been interacting and working to pervert Creation and persecute humanity We see this from the iniquitous laws of a ruling class in corrupt and evil minded power It is written that Enoch and the prophet Elijah will return for the final battle against the antichrist And it doesn't seem to be that far off Knowing is defending and reacting Enjoy reading **Harry Potter**,

Baseball on the Brain Dennis Purdy, 2007-01-01 There's trivia and then there's knowledge deep extensive obsessive knowledge masquerading as trivia It's the kind of trivia that if you know the answer makes you feel triumphant and if you don't gives you an education The kind of trivia based not on what we shouldn't be expected to know but on what we should if we're to consider ourselves true fans Dennis Purdy author of the just published Team by Team Encyclopedia of Major League Baseball has been collecting baseball trivia since before he could shave and now presents the best of the best a massive collection of over 1 000 trivia games Not solo questions but half page games every one involving matching multiple

players to their accomplishments or evaluating multiple clues to discover a mystery subject's identity or digging deep into a round up of terms nicknames phrases awards events individual teams locations and more The games cover three centuries of baseball history Home run calls and the announcers who made them famous The peculiar geography of a baseball field where's the garden the gateway the firing line Inimitable slang cackler chucker clinker and squibber The lesser known career feats of baseball's Big 3 Ruth Aaron and Bonds World Series potpourri They won the first night game in World Series history The team that lost the most World Series 13 The only American League team to lose the World Series in three consecutive seasons And much much much more Forty Years a Giant Steven Treder,2021-06 Here is the life story of Horace Stoneham who inherited the New York Giants Major League Baseball franchise in 1936 and owned and operated the organization until 1976 **The Giants and the Dodgers** Andrew Goldblatt,2003-06-17 The Giant Dodger rivalry was considered the best in baseball by 1890 and remains the game's oldest and most storied rivalry today It's remarkable how often both teams have been good how rarely they've both been bad and how tenaciously the underdog has battled in between Through 12 decades and in two sets of cities 3 000 miles apart Giant and Dodger partisans have rooted so passionately against each other that just as during the Civil War conflicting loyalties have divided neighbors and even families This is the definitive account of the rivalry from its roots in amateur contests between New York and Brooklyn teams in the 1840s to its present incarnation in California's world class cities All the greats are here Ward Ebbets McGraw Mathewson Terry Durocher Reese Robinson Mays Koufax Drysdale Marichal Lasorda Bonds The book also examines the cities that have hosted the rivalry and devotes a special section to the move to California The author argues compellingly that contrary to popular wisdom the rivalry's best years came after the move **Baseball's Great Hispanic Pitchers** Lou Hernández,2014-11-20 Baseball has had many outstanding Latin American pitchers since the early 20th century This book profiles the greatest Hispanic hurlers to toe the rubber from the mounds of the major leagues winter leagues and Negro leagues The careers of the top major league pitchers to come from Central and South America and the Caribbean are examined in decade by decade portrayals culminating with an all time ranking by the author The grand exploits of these athletes backdrop the evolving pitching eras of the game from the macho complete game period that existed for the majority of the last century to the financially driven pitch count sensitive culture that dominates baseball thinking today The Giant's Captive Lidiya Foxglove,2021-08-31 Did you come here to seduce me little mite I think you leave me no choice but to teach you a lesson I'm the tallest unmarried girl in my village and also taller than all the boys This did nothing for my prospects of finding love So instead I went off to seek my fortune It led me to a circus by the sea and rumors of the last living giant Apparently he doesn't much care for people but the ringmaster offers me riches beyond my dreams if I can entice him to come down from his home in the forest Well it was fortune I was seeking and fortune I'm determined to find so I climb the magic beanstalk to his hidden home but the giant is not amused by my plan At all And it turns out his home is one big trap of faery vines I'm snared by an

antisocial but surprisingly handsome giant and for the first time in my life I've met a man who makes me feel delicate. He might want to punish me for trespassing but it feels more like passion. Only the world isn't safe for the last giant and maybe it's not safe for a woman who loves him either. The Giant's Captive is an adult fairy tale retelling of Jack and the Beanstalk for those who like an adorable happily ever after fantasy romance with a side of serious steaminess. A Bestiary of Monsters in Greek Mythology Spyros Syropoulos, 2018-08-31 The aim of this book is to explore the realm of the imaginary world of Greek mythology and present the reader with a categorization of monstrosity referring to some of the most noted examples in each category. [The Giant Code](#) Bob Blum, There are five major temptations that God's church and people will face in their lifetime issues that will challenge their loyalty to truth and determine their destinies. God has looked down the corridors of time foreseeing this and outlined simple steps to help us overcome. Then to keep these battle plans from crafty and conniving eyes He has hidden them in the minor details of the five battles. King David could not fight himself. God knew there would be those who would doubt whoever discovered The Giant Code so He also placed it in a very popular prophecy one that few who read their Bibles could miss the giant image King Nebuchadnezzar saw in Daniel 2. He revealed only challenging temptations not the way to victories. Now is the time to uncover them. Then said he unto me Son of man dig now in the wall and when I had digged in the wall behold a door. Ezekiel 8:8 KJV

Thar's Joy in Braveland Saul Wisnia, Joe Wanch, Bob Buege, Chip Greene, John Vorperian, Michael J Bielawa, Mel Marmer, Rory Costello, 2014-04-07

You talk about destiny well you can't rule that out. We were hard nosed and that showed up in 1957. Braves catcher Del Crandall to editor Gregory H Wolf. Few teams in baseball history have captured the hearts of their fans like the Milwaukee Braves of the 1950s. During the Braves' 13 year tenure in Milwaukee 1953-1965 they had a winning record every season won two consecutive NL pennants 1957 and 1958 lost two more in the final week of the season 1956 and 1959 and set big league attendance records along the way. This book celebrates the Milwaukee Braves historic 1957 World Series championship season. Led by the bats of National League Most Valuable Player Henry Aaron and slugging third baseman Eddie Mathews and the Big Three pitching trio Cy Young Award winner Warren Spahn, Lew Burdette and Bob Feller the Braves won 95 games. The team enjoyed standout seasons by shortstop Johnny Logan, outfielder Wes Covington and catcher Del Crandall. And GM John Quinn pulled off the biggest trade of the summer acquiring All Star second baseman Red Schoendienst from the New York Giants. The Braves cemented their place in history by defeating the New York Yankees in the World Series. In one of the greatest performances in the history of the fall classic, crafty Lew Burdette tossed his second consecutive shutout and third complete game to defeat the Bronx Bombers in Game Seven in Yankee Stadium. A collaborative effort of 32 members of the Society for American Baseball Research (SABR) Thar's Joy in Braveland: The 1957 Milwaukee Braves portrays that memorable team with life stories of all of the roster players, the manager and coaching staff, the owner, the general manager and sportswriters and radio announcers.
