The Last King Of Poland And His Contemporaries:

The Last King of Poland and His Contemporaries Robert Nisbet Bain, 1909 *The Last King of Poland and His Contemporaries* R. Nisbet Bain, 2017-05-09 A sketch of the life of Stanislaus Poniatowski throughout which are vividly pictured the influences that caused the downfall of Poland among them class prejudice religious controversy useless Diets and great waste and extravagance We heartily commend Mr Bain's book which is the most sympathetic and authentic on Poland since that published some years ago by George Brandes The Athenaeum Mr Nisbet Bain has written for us this mournful chapter in the history of a decadent nation with a brilliancy and point not common excepting in the writings of French historians The tale is as exciting as a romance and reflects much of that realistic description of manners good and bad which we find in the works of Balzac Literary Review *The Last King of Poland and His Contemporaries* Robert Nisbet Bain, 1912 The Last King of Poland Augustus Stanislaus ((Poniatowski).), R Bain (Nisbet), 1909 *The Last King of Poland and His Contemporaries* R. Nisbet Bain, 2014-03 This Is A New Release Of The Original 1909 Edition **The Last King of Poland [i.e. Stanislaus II.] and His Contemporaries. With ... Illustrations [and Portraits.].** Robert Nisbet Bain, 1909

Nisbet Bain, 2015-07-08 Excerpt from *The Last King of Poland and His Contemporaries* The present volume aims at presenting a picture of the social moral and intellectual condition of Polish society at the moment when the Polish State was about to disappear for ever from the map of Europe The narrative will also it is hoped go far to explain how it was that Poland originally the most chivalrous high spirited and promising of Republics had by the end of the eighteenth century become a nuisance to her neighbours and an obstacle to the development of her own people The central figure in this sinister yet engrossing tableau of a decadent nation dancing carelessly towards its doom is naturally the last King of Poland There are few more pathetic figures in modern history than Stanislaus Poniatowski whose dazzling vices and barren virtues were so typical of the age in which he lived that Age of Enlightenment which prophesied the Millennium and precipitated the Revolution In him we find an idealist whose principles were as lofty as his practice was contemptible a reformer who meant excellently well yet invariably sacrificed honour to expediency a statesman by instinct whose political outlook was always

clear whose conclusions were always correct but alas his moral flabbiness had forfeited beforehand the confidence of those whom he could have guided and might have saved And this Prince Charming eighteenth century to the very tips of his fingers lived in an environment which judging by outward appearances might very well have been the later Middle Ages Anyhow it was more eastern than western About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Contemporary Review ,1910
