The Last Supper:

Leonardo Da Vinci, the Last Supper Michael Ladwein, 2006 Many great works of art have been created that we call Christian but none has received as much acclaim as Leonardo da Vinci's Last Supper. Art lovers venerate it for its composition and noble aesthetics, whereas for Christians it epitomizes the intimacy between Christ and his disciples. In recent years, following the publication of bestselling fictional narratives and dubious historical studies, The Last Supper has also become the focus of intrigue, controversy, speculation, and sensation. Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by overpainting. Thus, for the first time since its creation more than five hundred years ago, we can contemplate Da Vinci's masterpiece in its more or less original form. This lavishly illustrated full-color book reproduces many details of the restored work and the author turns our attention to newly revealed aspects of The Last Supper that lead to fresh interpretations. The philosopher Rudolf Steiner called The Last Supper the world's most important work of art, adding that it revealed the meaning of Earth's existence. Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting, one that has lost nothing of its urgency in our modern world.

Jesus and the Last Supper Brant Pitre, 2017-06-21 Who did Jesus of Nazareth claim to be? What was his relationship with early Judaism? When and how did he expect the kingdom to come? What were his intentions? Though these key questions have been addressed in studies of the historical Jesus, Brant Pitre argues that they cannot be fully answered apart from a careful historical analysis of the Last Supper accounts. In this book, Pitre offers a rigorous up-to-date study of the historical Jesus and the Last Supper, filling a significant gap in current Jesus research. Situating the Last Supper in the triple contexts of ancient Judaism, the life of Jesus, and early Christianity, Pitre brings to light crucial insights into major issues driving the quest for Jesus. His Jesus and the Last Supper is sure to ignite discussion and debate.

The Last Supper Sharon Plant, 2017 Leonardo da Vinci's Milan Renaissance ideal is tasked with painting The Last Supper but struggles to find the perfect person to model as Christ. Vittorio D'essa, a young farmer, is eventually spotted, plucked from farm life, and placed at the heart of an alien world of art and science, aristocracy, politics, and intrigue. Initially shocked, Vittorio gradually adjusts to the artist's exuberant manner and ambitious ideas, and after some hesitation, resolves to pursue his own ambitions and venture beyond the safety of the city walls. Thus, encouraged, Vittorio's fortunes boom, but ill-equipped to deal with the transformation, his life slowly lapses into one of paranoia, jealousy, and eventually murder. The strands of the story climax at Leonardo's very public reveal of The Last Supper painting.

The Last Supper and the Lord's Supper I. Howard Marshall, 2006-08-01 The Lord's Supper should be celebrated frequently in the church and there is good reason for doing so on each Lord's Day The Lord's Supper today should be open to all who wish to feed on Christ and profess faith in him The New Testament envisages the use of one loaf and a common cup It would be good to maintain this symbolism today These are but three of several provocative conclusions reached by the distinguished theologian I. Howard Marshall in this easy to understand and comprehensive survey of the New Testament accounts of the Lord's supper This book explores the nature of other sacred meals in the ancient world principally Jewish the relationship to one or other of the biblical accounts themselves the nature of the meal celebrated by the early church the significance of the Last Supper as demonstrated by Jesus and then as demonstrated by the early church Understanding the supper as a Passover meal Marshall shows the meal's orientation towards the death resurrection and second coming of Jesus and its centrality to the life of the church In doing so he draws out a number of principles important for the Christian community today I. Howard Marshall is Professor of New Testament and the University of Aberdeen He has written numerous books including Biblical Inspiration and I Believe in the Historical Jesus
