Guide D. Stanley Eitzen, Maxine Baca Zinn, Eitzen Zinn, 2005 **Domestic Violence** Richard L. Davis, 2008-03-07 Domestic violence does not begin the day an adult heterosexual male decides to beat and batter an adult heterosexual female Domestic violence is a complicated and multifaceted enigma that includes child sibling spousal intimate partner and elder abuse Despite spending billions of dollars on domestic violence the number of some categories of *The Dark Side of Sports* Nick T. Pappas, 2012 Elite level athletes are placed upon heightened pedestals in societies world wide At the same time there is dark side to these glorified competitors that remains hidden from those outside of exclusive athletic circles Dr Nick Pappas unique background as a former collegiate and professional hockey player and coach in combination with his experience as a researcher professional counselor and adjunct professor have provided him with knowledge and inside access to a variety of athlete cultures This has enabled Dr Pappas to uncover an array of disturbing sexual behaviors which have silently thrived for decades in many athlete cultures These practices expressed through the athletes own words along with their frequencies motives and consequences are the result of over 10 years of cutting edge research involving in depth interviews with 142 collegiate and professional athletes from five major U S sports While these findings are certain to shock raise awareness and provide a wake up call for those in and outside of the sports world they also highlight a sense of urgency for taking action against these harmful behaviors now The Dark Side of Sports has strong appeal for diverse audiences because it highlights the need for risk management in every male athletic culture This includes individuals with direct involvement in sports such as athletes coaches managers administrators and support staff who see the importance of addressing and deterring potentially harmful and dangerous behavior that can ruin an athletic program s reputation in an instant At the same time this book serves as an invaluable resource for parents women and fans by raising awareness to the significant issues surrounding a darker hidden side of sports The fact that certain negative practices were discovered at the high school level means that millions of middle and high school coaches and athletes in addition to those at elite levels need this information to keep deviant practices from gaining a foothold and becoming normalized within youth oriented sports cultures Finally The Dark Side of Sports will be a welcomed addition to courses such as sociology of sport sports psychology women s studies and an array of sociology classes including deviant behavior **Women in Sports** Adrienne N. Milner, Jomills Henry Braddock II, 2017-07-28 Covering a breadth of topics surrounding the current state of women in sports this two volume collection taps current events sociological and feminist theory and recent research to contextualize women s experiences in sports within a patriarchal society and highlight areas for improvement Women are continuing to break barriers in all aspects of sports and a growing number of people are beginning to recognize sex disparities in sports as a social problem Additionally women s inclusion and exclusion in sports and their equitable and inequitable treatment on the playing field have large scale social legal health and economic consequences Women in Sports Breaking Barriers Facing Obstacles comprehensively examines the state of women in sports by considering current events controversies and trends as well as qualitative and quantitative

research The contributors to this volume take a sociological approach to discussing women in sports by questioning dominant assumptions surrounding notions of women's biological athletic inferiority and by examining other social constructs that affect women's experiences in sports such as race and ethnicity socioeconomic status and sexual orientation The book offers a complete and up to date account of women's experiences in sports through coverage of the history of women's participation in sports with a focus on exceptional female athletes and of the increasing number of women who are competing in traditionally male sports such as football baseball and mixed martial arts Readers will come away with a greater appreciation for the issues of equity that women face both within the world of sports and in society in general

Delinquency and Juvenile Justice in American Society Randall G. Shelden, 2011-08-08 Extensively revised the second edition blends theory research and applications into a superb overview of the complex issues surrounding juvenile delinquency and society's attempts to address juvenile crime After providing an excellent historical foundation Shelden presents the theories essential to understanding crime and delinquency He then explores the system and its effects on juveniles and society including comprehensive coverage of female delinquency The social legal and political influences on how the public perceives juveniles and the inequality in U S society that affects families communities and schools are highlighted throughout the book The concluding chapter looks at solutions that have worked and identifies trends in treating juvenile delinquency The authors almost four decades of teaching about and researching juveniles and the system make him eminently qualified to offer readers the tools necessary to think critically about delinquency and to evaluate the policies enacted to manage the juveniles who violate the laws **Delinquency and Juvenile Justice in American Society 2 E** provides affordable up to date easily accessible and thorough analysis of a significant topic

Institutions and Gender Inequality Tabitha W. Kiriti-Ng'ang'a, 2011 Recent efforts in national planning in Kenya have sought to identify development priorities through consultations The Government of Kenya in its effort to eradicate poverty and to promote pro poor growth established the Constituency Development Fund CDF under the Constituencies Development Fund Act of December 2003 This study sought to investigate whether the CDF has improved the livelihoods and welfare of women and girls in the Kenyan society and whether women are being enabled to participate more visibly in the local development processes The objectives of this study were To investigate the needs and priorities of males and females with regard to CDF projects as perceived by them To establish the differences that may exist between the sexes in terms of awareness of the CDF and in terms of participation in CDF management in project identification and implementation and in other decision making processes that determine how these funds are invested To evaluate the distributive impact of the CDF projects in the health and education sectors To investigate the factors or challenges for the achievement of greater parity and for the attainment of CDF objectives and to put forward policy recommendations
