The Social Context of Child Abuse and Neglect Leroy H. Pelton, 1981 Combines psychological social economic environmental and familial perspectives to examine the causes and characteristics of child abuse and to offer some strategies for protective intervention

The Politics of Child Abuse in America Lela B. Costin, Howard Jacob Karger, David Stoesz, 1997-02-27 Child abuse policy in the United States contains dangerous contradictions The rapidly expanding child abuse industry made up of enterprising psychotherapists and attorneys consumes enormous resources while thousands of poor children are seriously injured or killed many while under the protection by public agencies Meanwhile the public child abuse system has become a virtual nonsystem marked by a staggering turnover of staff unmanageable caseloads a severe shortage of funding and caseloads composed of highly dysfunctional families In *The Politics of Child Abuse in America* the authors argue that child abuse must be viewed as a public safety problem and that children must have the same legal protection as physically and sexually abused women By creating a Children's Authority proposes the author this group would have the overall responsibility of protecting children Offering a unique perspective on the cold reality of this crisis *The Politics of Child Abuse in America* will be a provocative work for social workers and human service personnel as well as the general reader concerned with this timely issue
