*The Routledge Handbook of Contemporary Inequalities and the Life Course* Magda Nico, Gary Pollock, 2021-12-30 Drawing upon perspectives from across the globe and employing an interdisciplinary life course approach this handbook explores the production and reproduction of different types of inequality across a variety of social contexts Inequalities are not static easily measurable and essentially quantifiable circumstances of life They are processes which impact on individuals throughout the life course interacting with each other accumulating attenuating reproducing or distorting themselves along the way The chapters in this handbook examine various types of inequality such as economic gender racial and ethnic inequalities and analyse how these inequalities manifest themselves within different aspects of society including health education and the family at multiple levels and dimensions The handbook also tackles the global COVID 19 pandemic and its striking impact on the production and intensification of inequalities The interdisciplinary life course approach utilised in this handbook combines quantitative and qualitative methods to bridge the gap between theory and practice and offer strategies and principles for identifying and tackling issues of inequality This book will be indispensable for students and researchers as well as activists and policy makers interested in understanding and eradicating the processes of production reproduction and perpetuation of inequalities

**Riches, Class, and Power** Edward Pessen, 2017-07-12 Until publication of Riches Classes

and Power Alexis de Tocqueville's vision of the United States as a generally egalitarian nation predominated While historians might quarrel about the social sources of egalitarianism they did not dispute the soundness of the basic model and Tocqueville's vision clearly dominated American's sense of itself as well A self acknowledged congenital skeptic Pessen decided to find out whether the facts of American life sustained Tocqueville's conclusions *Riches Class and Power* represents more than five years intensive research on the wealth family backgrounds careers marriages residential patterns uses of leisure life styles social standing and influence and power of the wealthy in four of the five largest cities in the United States before the Civil War Pessen examines New York City Philadelphia Boston and the then separate city of Brooklyn in the 1820s and 1840s His claim is that the massive evidence on urban life of the time sharply refutes Tocqueville's thesis A National Book Award finalist for history *Riches Class and Power* undoubtedly helped reshape America before the Civil War In his reintroduction to this paperback edition Pessen reviews the critical reaction and reconsiders the extent to which its findings are applicable to the social structure of small or frontier towns of the period He discusses whether unequal distribution of wealth in America results more from changes in historical circumstance or to shifts in demographic or age structure
