Barnett, James L. Thorson, 1999 An exciting collection of new essays on the work of the outstanding American Indian woman

writer Beneath the Wings of Geronimo's Spirit R. James Roybal, 2013-09-17 San Augustino said quietly Be careful with that blade Robert You might cut yourself San Augustino was rewarded with Robert shouting a fearful battle cry and charging with his saber held high in an anticipated downward thrust Gasps of horror could be heard at the display of the ungentlemanly like conduct Robert on the other hand was beginning to become disheartened with what he thought was going to be an easy victory with his surprise attack He was mentally out of balance because his saber had only cut air and hit the ground Worse was the sudden realization that he had complexly missed San Augustino and was now lying with his face in the mud Robert immediately jumped up screaming in frustrated anger aided by the feeling of the pain of an imaginary saber blade in his back Robert knew in his heart that he would have taken advantage of the situation if the tables had been turned and Augustino had been the one sliding on his face Robert neednt have feared because San Augustino was still standing perfectly poised about ten feet away almost in the same position that he had been standing when Robert had originally charged It was almost as if San Augustino had not moved Robert suddenly felt a stinging sensation on his chest and looking down was horrified to see a thin red streak that was starting to spread his across his white shirt It was the thinnest of cuts and although not very wide looked painfully deep and more importantly was rapidly bleeding his strength away *The Palgrave Handbook of Global Mormonism* R. Gordon Shepherd, A. Gary Shepherd, Ryan T. Cragun, 2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa **Traditional Hoodoo & Conjure** Miss Aida, 2025-10-24 In this illuminating guide Miss Aida corrects widespread misconceptions about Hoodoo a powerful African diaspora tradition rooted in African traditional religions She reveals authentic practices contrasts Hoodoo with related traditions like Santeria and Haitian Vodou and reclaims this rich spiritual craft from misrepresentation offering readers a genuine understanding of Hoodoo s true essence Hoodoo and conjure may be household words but the popular magical craft practiced by tens of thousands of individuals has been grossly misrepresented in many modern practices Traditional Hoodoo Conjure seeks to reverse these misconceptions and provide practitioners with the history mechanics and tools to understand not only how but why each magical action

serves a greater purpose Because Hoodoo derives its roots from African traditional religions that were initially brought to North America by enslaved people during the transatlantic era many aspects of the craft parallel African Caribbean practices such as Santeria and Haitian Vodou Miss Aida teaches readers how to honor their ancestors in a traditional manner and petition honored entities By offering magical baths 25 traditional rituals 125 spells 50 recipes and 40 prayers readers will develop a deeper understanding of Hoodoo while becoming knowledgeable and formidable spellcasters *Womankind* Dia Lynne Cardo, 2012-09-20 This book is a creation demonstrating the strength and courage all women possess It uses the American Indian woman as its basis These women are ingenuous in coping with the sorrows in their lives The book brings out that a woman's suffering may be brought about by the actions of powerful men Or is it her love and loyalty to these men that bring about her suffering Does a woman have a choice My first character Coyote Hunter thought so You must decide for yourself Geronimo's Kids Robert S. Ove, H. Henrietta Stockel, 1997 Through the stories of the elders he also learned how this way of life had changed since their capture as many of the traditional ways of the Chiricahuas were altered or lost in the ensuing decades after Geronimo's people surrendered to the U S Army in 1886 Decades of incarceration followed first in Florida then in Alabama and finally in Oklahoma More than half died in hot humid prison camps because the Chiricahuas had no inborn resistance to the virulent diseases brought to North America by Europeans Then in 1913 with fewer than three hundred left the Chiricahuas were released and received land allotments near their last prison site Fort Sill or on the Mescalero Apache Reservation where Ove arrived thirty five years later BOOK JACKET
